<http://www.oakwoodvillageoh.com/services-to-residents/rubbish-pick-up/>

The Village of Oakwood is serviced by Waste Management. If you have any questions, contact (866) 797-9018 or [csohio@wm.com](mailto:csohio@wm.com). Waste Management is located at 6705 Richmond Road in Glenwillow. See <http://www.wm.com/wm/services/homes.asp> for more details on residential collection.

Rubbish collection is on Monday. When the following holidays fall on a Monday, trash pick-up will be the next day (Tuesday).

- New Year's Day
- Martin Luther King Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Christmas Day

Place rubbish out on the tree lawn adjacent to your driveway after 7:00PM the day before pick up. Please refrain from putting your rubbish out too early on Sunday evenings. Rubbish should be placed in containers with tight fitting lids so rodents cannot access the contents. Once collection is completed on Monday, please remove your empty rubbish receptacles from the tree lawn.

#### **CURBSIDE RECYCLING IN OAKWOOD VILLAGE**

Waste Management provides weekly curbside recycling for village residents. Combine cans, cartons, glass plus plastic bottles and jugs in blue bags. Recycle paper and boxes in paper bags or bundle with string.

Combine these items in your curbside recycling:

- **CANS:** Includes all metal food and beverage cans such as pop, beer, soup, vegetable, and tuna. Cans should be emptied, rinsed, and then recycled.
- **CARTONS:** Includes milk, juice, soup and broth plus wine cartons. Cartons should be emptied and rinsed. Replace the cap and place in your curbside recycling.
- **GLASS:** Includes glass food and beverage bottles and jars. Empty, rinse and replace the lid before recycling. You do not need to remove the label.
- **PAPER & BOXES:** All paper and boxes can be recycled, including newspapers, magazines, junk mail, boxes, greeting cards, cereal boxes, cardboard, phone books and clean pizza boxes. Flatten cardboard items, like cereal boxes, to save space.
- **PLASTIC BOTTLES:** Any plastic bottle, jar, jug or tub can be placed in your curbside recycling. Recycle plastic food and beverage bottles, cosmetics and personal products, and laundry detergent and bleach bottles. Containers should be emptied and rinsed. Replace the cap and put in your curbside recycling.

Not all plastics with the 1-7 symbol are recyclable. See the chart below.

For more details about recycling, visit the Cuyahoga County Solid Waste District at [www.CuyahogaRecycles.org](http://www.CuyahogaRecycles.org) or <http://cuyahogarecycles.org/oakwood-village>.

See [Recycling FAQs](#) for Cuyahoga County and information on [how to recycle properly](#). Recycle more, recycle better in Oakwood Village.

The Cuyahoga Solid Waste District offers a recycling and disposal search engine for all residents of Cuyahoga County. Find answers to your recycling, disposal and reuse questions by using the "What Do I Do With?" search bar located at the top of every page of at [www.CuyahogaRecycles.org](http://www.CuyahogaRecycles.org).

#### **DROP-OFF RECYCLING IN OAKWOOD VILLAGE**

Residents and businesses can drop off aluminum cans at the Fire Department (24800 Broadway Avenue).

#### **OTHER RECYCLING**

##### Batteries

Recycle rechargeable batteries for free at retail locations throughout Cuyahoga County. See a list of locations at [www.call2recycle.org/locator/](http://www.call2recycle.org/locator/) See also [www.cuyahogarecycles.org/batteries](http://www.cuyahogarecycles.org/batteries)

##### Computers

Residents can recycle old, unwanted household computer equipment at seasonal collection events including CPU's, monitors, keyboards, mice, printers, terminals, modems, software and other peripheral devices and accessories. Televisions are not accepted. See

[http://www.cuyahogarecycles.org/computers\\_and\\_electronics](http://www.cuyahogarecycles.org/computers_and_electronics)

#### Fluorescent Bulbs

Residents can recycle CFL bulbs (small, twisty bulbs) for free at any Home Depot or Lowe's store. Other types of bulbs, including fluorescent tubes, can be recycled at any Batteries+Bulbs retail location. See

[http://www.cuyahogarecycles.org/fluorescent\\_bulbs](http://www.cuyahogarecycles.org/fluorescent_bulbs)

### **PROPER DISPOSAL**

#### Household Hazardous Waste

Household hazardous waste can be properly disposed of during seasonal collection events. No latex paint. Learn more about proper disposal of household hazardous waste and see a list of acceptable materials at [http://www.cuyahogarecycles.org/hazardous\\_waste](http://www.cuyahogarecycles.org/hazardous_waste)

#### Latex Paint

Latex and any other water-based paint are not hazardous materials and are not accepted in the city's household hazardous waste collection. Latex paint should be dried out and disposed of in the regular rubbish. Step by step instructions on how to dry out latex paint is available at

[www.cuyahogarecycles.org/latex\\_paint](http://www.cuyahogarecycles.org/latex_paint)

#### Medication

The Cuyahoga County Sheriff's Office provides an ongoing disposal option for meds. The Sheriff's RX Drug Drop Box Program allows residents to deposit unused, unwanted or expired prescription drugs at drop boxes in participating law enforcement agencies across Cuyahoga County. Drop off medications at the Oakwood Village Police Department or find other locations at [www.RXdrugdropbox.com](http://www.RXdrugdropbox.com).

#### Propane Tanks

Recycle propane tanks and other pressurized cylinders through propane dealers and retail stores that sell propane and other pressurized gas.

#### Tires

When you buy new tires, dispose of your old tires through your tire retailer at the time of purchase.

There is a small fee charged for tire disposal, which is a tax used for transporting and disposing of tires through state licensed facilities. If you already have tires at home, contact one of the following store chains who provide tire disposal for non-customers. These include Conrad's Tire Express, Firestone Auto Care and National Tire and Battery.
