To My Friends at the Hawthorne Valley Youth Center,

I write this letter to thank each and every one of you for the fantastic work you have done to help enrich your local community. The efforts you are putting forth today will leave a lasting impact on you and your community.

It is imperative that today's youth are transformed into tomorrow's leaders. The community service projects being performed by all of you today help to enrich the communities of Bedford, Bedford Heights, Oakwood and Walton Hills are truly appreciated. It is commendable that you are seeking to learn and get involved with our government to improve our quality of life. I look forward to seeing what you can do to improve your community and the great things that are still to come.

I look forward to your visit to the Ohio Statehouse later this year and invite you to come visit my office. I wish all of you the best of luck and offer my deepest gratitude for your service to our community.

Sincerely,

A handwritten signature in blue ink that reads "Thomas F. Patton". The signature is stylized and cursive.
