► It is my pleasure to serve you!

I am honored to be serving you as Ward 5 Councilwoman. If you did not have a chance to read the letter introducing myself in November 2016, 3 words

can sum it up...integrity, transparency, and compassion, essential qualities when serving others. As a

graduate of Bedford City School District, along with my husband, and my children now attending school within the district, commitment to our community is vital. Over the next several months, my only plan is to listen to the voices of Ward 5 residents to assess what you feel are needs that should be addressed and the vision you have for your village. As 'proud & progressive'
