This update will affect your progress only if you were in the midst of completing Training Lesson 13 when the update took place. If you had begun watching the video for Training Lesson 13, but had not yet completed the video and taken the quiz for Training Lesson 13 when the update took place, you will likely need to re-watch the video for Training Lesson 13 in order to complete the training. If you have any questions, feel free to contact the Ohio Attorney General's Office at 614-466-2872. Please note that you **MUST** watch the training videos within the Online Sunshine Laws Training website. Watching the videos on YouTube will not allow you to progress through the training and will prevent our office from having any record of your progress. You must also complete the Q&A at the end of each video and the survey at the end of the training.

Welcome to Sunshine Laws Training. Start your training with the first module and work your way through the last module. After completing the evaluation, your certificate will be available for printing.
