ORDINANCE NO. 2021 03

INTRODUCED BY MAYOR AND COUNCIL AS A WHOLE

AN EMERGENCY ORDINANCE DETERMINING THE PERIOD OF TAX EXEMPTION FOR AN IMPROVEMENT TO REAL PROPERTY OWNED BY PREMIER OAKWOOD, LLC. LOCATED IN OAKWOOD COMMUNITY REINVESTMENT AREA NO. 1 AND AUTHORIZING THE MAYOR TO ENTER INTO A MUNICIPAL REVENUE SHARING AGREEMENT WITH THE BOARD OF EDUCATION OF THE BEDFORD CITY SCHOOL DISTRICT

WHEREAS, The Mayor, as Housing Officer, certifies that the improvement to the commercial property in Oakwood Community Reinvestment Area No. 1, owned by Premier Oakwood, LLC (hereinafter "Premier"), qualifies for real property tax exemption under Ordinance 1991-72, as amended by Ordinances 1996-61, 2001-22 and 2019-09; and

WHEREAS, The Mayor, as Housing Officer, has given notice to the Board of Education in the school district in which the proposed tax exempted property is located pursuant to Section 5709.83 of the Ohio Revised Code; and

WHEREAS, Council must determine the period of such exemption:

NOW THEREFORE, BE IT ORDAINED by the Council of the Village of Oakwood, County of Cuyahoga, and State of Ohio that:

SECTION 1. It is anticipated that Premier, as disclosed in the Application attached hereto and incorporated herein as Exhibit "A", will develop up to three (3) buildings (potentially each in phases) on the property described hereinafter, one (1) building consisting of no less than approximately two hundred fifty thousand (250,000) square feet ("Phase 1"), to be expandable to approximately 400,000 square feet land acquisition and market demand permitting ("Phase 1 Prime"), a second phase ("Phase 2") to consist of an office building of not less than 100,000 square feet and a third phase ("Phase 3") to consist of a third commercial building of no less than approximately 100,000 square feet. To the extent of each of the three (3) proposed improvements to the real property located off Macedonia Road, also presently known as Permanent Parcel Numbers 795-17-032, 795-18-058, 795-18-034, 795-18-029, and 795-28-001; the Southerly sixty-five (65) feet of Permanent Parcel Numbers 795-18-057, 795-18-033, 795-18-032 and 795-18-031; Permanent Parcel Numbers 795-18-030, 795-28-006, 795-28-013 and 795-28-005; which are all within the Village of Oakwood (hereinafter "Village"), all of which are located within Oakwood Community Reinvestment Area No. 1, and are now owned by Premier or its successor in interest, which increased or will increase the market value of the real property improvements, the value of which shall be, and hereby is, exempt from real property taxation pursuant to Ordinance 1991-72, as amended by Ordinances 1996-61, 2001-22, and 2019-09, and Section 3735.67(D)(3) of the Ohio Revised Code for a period of fifteen (15) years, beginning in the year following the calendar year of certification of the above value to the County Auditor by the Village Housing Officer after the completion of each phase of each building (as to each phase of improvement separately, its

“Certification Date”). Said exemption shall cover seventy-five per cent (75%) of the dollar amount by which the improvements increase the market values of the real property improvements, for the period of 15 years after each of the phase’s improvements’ Certification Date. Any additional development on the balance of Permanent Parcels already presented or land contiguous to the subject parcels, similar in nature to the presently proposed, will be granted similar tax incentives provided such development occurs within six (6) years of the date of adoption of this Ordinance. In addition, all tap-in, permit and review fees, as well as the abatement application fee, shall be waived for the construction of these facilities, and items related thereto, as and for additional economic incentives to Premier for its project within the Village.

SECTION 2. To the extent permitted by law, as to each phase of improvement, the period of said exemption shall terminate before the end of fifteen (15) years of each phase’s improvements’ Certification Date, but after the first year of exemption, if the Housing Officer finds and certifies delinquency in a payment of property taxes for the subject property, or that the subject property has not been maintained or repaired in accordance with the Village’s code and ordinances due to the negligence of the owner. To the extent permitted by law, as to each phase of improvement, the exemption(s) shall be granted separately for each tax parcel within or comprising each structure that constitutes part of the development so that the exemption period will commence upon completion of phase’s improvements to such tax parcel. Each of the Village and Premier acknowledge that, to the extent possible, the exemption shall be granted upon separate identified parcels of property which are occupied by specific occupants such that the specific occupants have both the benefit and risk of the exemption as to such specific tenant’s occupied premises.

SECTION 3. Premier agrees to pay the sum of Forty Thousand Dollars (\$40,000.00) per year for a period of fifteen (15) years to the Board of Education of the Bedford City School District (hereinafter “Board”). Premier agrees to commence said payments in the second year following the first year in which Premier receives a tax abatement for any of the improvements upon the parcels as provided herein and continue said payments thereafter on or before June 1 of each succeeding year for a total of fifteen (15) yearly installments.

SECTION 4. In the event the real property tax, as it is presently constituted, is eliminated by the State of Ohio and if a new tax, in whatever form, replaces said real property tax and in the further event abatement from the payment of the new tax is permitted by applicable law, the Village agrees to allow for the substitution of this abatement for an abatement, and for the remaining duration of the existing abatement, provided this substitution is permitted, in whole or in part, by State and /or local laws, and is approved by any governmental entity having jurisdiction over such matters, including, but not limited to, the local school board, if required by such State law.

SECTION 5. A Municipal Income Tax Revenue Sharing Agreement between the Village of Oakwood and the Board, a copy of which is attached hereto and expressly made a part hereof by reference and marked Exhibit “B”, is hereby approved. The Mayor be and he is hereby authorized to execute such Agreement on behalf of the Village.

SECTION 6. This Ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety and welfare of the inhabitants of the Village, the reason for the emergency being that the same relates to the daily operation of a municipal department and the preservation of time-sensitive economic development opportunities benefitting the residents of the Village, therefore, provided it receives two-third (2/3) of the vote

benefitting the residents of the Village, therefore, provided it receives two-third (2/3) of the vote of all members of Council elected thereto, said Ordinance shall be in full force and effect immediately upon its adoption by this Council and approval by the Mayor, otherwise from and after the earliest period allowed by law.

This Agreement is made this ____ day of _____, 2021 by and between the Village of Oakwood (hereinafter "Village") and the Board of Education of the Bedford City School District (hereinafter "District").

W I T N E S S E T H:

WHEREAS, the Village may, under the authority of the Ohio Revised Code, grant an exemption from taxation for real and/or personal property as a result of certain development occurring in the Village's Community Reinvestment Area No. 1; and

WHEREAS, the Village and the District may agree, although in this case the Village is not obligated, to compensate the District by a certain percentage of the amount of income tax revenue realized from the proposed development or a lump sum amount; and

WHEREAS, Premier Oakwood LLC (hereinafter "Developer"), has proposed development in the Village's Community Reinvestment Area No. 1 which will result in the abatement of real property taxes for a certain period of time; and

WHEREAS, due to the fact the Village needs to enter into Municipal Job Creation Income Tax Credit Agreements with certain potential tenants for a five (5) year period as an enticement to locate their facilities within the Village of Oakwood; and

WHEREAS, the Village offered the residents of Ward 4 a Home Exterior Maintenance Credit for a five (5) year period to encourage them to vote to rezone the Project site in their ward from Single Family Residential to Light Industrial; and

2. The Village is proposing to grant Developer or its successors in interest a 75% real property tax abatement for any increase in fair market value to the property caused by the

construction of each of the three buildings comprising the Project for a Fifteen (15) year period for each phase of each building.

3. During the first Five (5) tax abatement years in which the District would have received real property tax payments derived from the Project but for the Village authorizing for that Project the tax abatement described above, the Village agrees to pay to the District for each of such years an amount equal to Zero percent (0%) of the income tax revenues received by the Village as a result of the occupancy by way of lease, ownership or otherwise of any employer in each of the Project's buildings. During any subsequent tax abatement years falling within the first fifteen (15) years after the first year in which tax abatements are granted and in which the District would have received real property tax payments derived from the Project but for the Village authorizing for that Project the tax abatement described above, the Village agrees to pay to the District for each of such years the greater of Two hundred thousand and 00/100 Dollars (\$200,000.00) or an amount equal to Twenty Two & One Half percent (22½%) of the income tax revenues received by the Village as a result of the occupancy by way of lease, ownership or otherwise of an employer in each of the Project's buildings.

WITNESSETH:

WHEREAS, pursuant to Ohio Revised Code Section 5709.41, .42, and .43 (together with related provisions of the Ohio Revised Code, the "TIF Act"), the Village may, among other things,

(i) declare the increase in assessed value of real property located in the Village to be a public purpose, thereby exempting such increase from real property taxation for a period of time; (ii) provide for the making of service payments in lieu of taxes by the owners of such real property; and (iii) provide for compensation payments to the affected school districts out of such service payments in lieu of taxes; and

WHEREAS, the Village proposes to establish a tax increment financing district with respect to certain property located at or near the intersection of Alexander and Macedonia Roads in the Village, as more fully described in Exhibit A attached hereto (the "Premier Property") including future additions to or extensions of the Premier Property, to exempt from real property taxation the Premier Property pursuant to Section 5709.41 of the Ohio Revised Code (the "TIF Statute") and to require the owners of parcels included in the Premier Property (collectively, "Owners"), to make Service Payments In Lieu of Taxes ("Service Payments") and to use such Service Payments to pay a portion of the cost of certain private and public infrastructure improvements; and

WHEREAS, the Village proposes to enact Ordinance No. _____ (the "TIF Ordinance") on or after December __, 2020, and therein (a) declare to be a public purpose the improvement to the Premier Property and authorize the execution of a Development Agreement (the "Development Agreement") between the Village and Premier Oakwood, LLC, as the Owner of the Premier Property, providing for, among other things, the exemption of the increase in value of the Premier Property subsequent to the passage of the TIF Ordinance (each improvement having the meaning as set forth in the TIF Act and collectively referred to herein as the "Improvements") relating to the Premier Property consistent with the objectives stated in the TIF Ordinance and the payment of Service Payments with respect to such Improvements, and (b) authorize the execution of this Agreement; and

WHEREAS, the Village and the School District will derive substantial and significant benefits from the Improvements; and

WHEREAS, on _____, 2021, and prior to the passage of the TIF Ordinance, the Board of the School District adopted a resolution granting its approval of this Agreement and the exemption of the real property taxes on the Improvements as provided in the TIF Ordinance and waived any further requirements of the TIF Act and Sections 5709.82 and 5709.83 of the Ohio Revised Code on the condition that the Village execute and deliver this Agreement; and

WHEREAS, the TIF Ordinance provides for a 30-year, 100% exemption from real property taxes with respect to the Improvements on the Premier Property (the "TIF Exemption") and for the payment of Service Payments; and

WHEREAS, to facilitate the construction of certain public and private improvements to the Premier Property and to compensate the School District for a portion of the real property taxes that the School District would have received had the Premier Property been improved and not been exempted from taxation, the Village and the School District have determined to enter into this Agreement, which Agreement is in the vital and best interest of the Village and the School District and will improve the health, safety and welfare of the citizens of the Village and the School District;

NOW THEREFORE, in consideration of the premises and covenants contained in this Agreement, the parties agree as follows:

Section 1. School District Approval and Agreement. In consideration of the compensation to be provided to it under this Agreement, the School District hereby approves the TIF Exemption in the amount of up to 100% for up to 30 years, as provided for in the TIF Ordinance, and waives any payment of income tax revenues derived from new employees at the Premier Property as provided in Section 5709.82 of the Ohio Revised Code.

Section 2. Compensation Payments to School District.

(a) The parties agree that, as consideration for the School District's agreement in Section 1 above:

(i) commencing with the first collection year in which Service Payments are received by the Cuyahoga County Treasurer (the "Treasurer") with respect to any portion of the Premier Property, and ending with the fifteenth collection year in which Service Payments are received by the Treasurer with respect to that portion of the Premier Property, the School District shall not receive any portion of the real property taxes that would have been distributed to the School District but for the TIF Exemption. For avoidance of doubt, the Premier Property will be improved by different phases of building such that improvements will be added to the tax duplicate in differing years.

(ii) commencing with the sixteenth collection year in which Service Payments are received by the Treasurer with respect to that particular portion of the Premier Property, and ending with the collection year in which the TIF Exemption ends, the Village shall cause the Treasurer to pay semi-annually to the School District, but solely from Service Payments received by the Treasurer, an amount

equal to 100% of the amounts, if any, the School District would have received but for the TIF Exemption. In addition, the Village shall cause the Developer to pay to the School District the amount of Forty Thousand Dollars (\$40,000) annually in each of the years 2024 through and including 2038.

(b) The payments specified in subsection (ii) shall be made only to the extent that the Treasurer actually receives Service Payments in an amount equal to the real property taxes that the School District would have received, but for the TIF Exemption. Amounts to be received by the School District in accordance with subsection (ii) of this Section 2 are collectively referred to herein as "TIF Revenue Payments." In the event that in any year the amount of Service Payments actually received by the Treasurer are not equal to the TIF Revenue Payments to be received under this Section 2, such amounts shall be carried forward and will be payable from amounts received in future years after reimbursement of the School District for the applicable percentage of taxes that the School District would have received in such future year. In the event that the valuation of the Premier Property is challenged by an Owner or by the School District and the result of such challenge is an increase or decrease in the assessed valuation of such parcel which increase or decrease is finally determined, either through all appeals or after expiration of any appeal period, in a later collection year, the TIF Revenue Payments due to the School District in the year of such final determination and thereafter shall be increased or decreased to reflect such increased or decreased valuation.

Section 3. Timing of Payments. The Treasurer shall distribute the TIF Revenue Payments to the School District in accordance with law. The payments due under Section 2(a)(ii) shall be paid to the School District not later than January 31 of each collection year that the TIF Exemption is in effect, commencing with the calendar year in which the first Service Payments are distributed by the Treasurer. The records of the Village relating to the amount of any TIF Revenue Payment or other payment shall be made available to the School District for audit annually by the treasurer of the School District or by an independent auditor of the School District's choice and at its sole expense.

Section 4. Sharing of Information. The Village agrees to cooperate to share information with the School District as to its receipt of Service Payments upon request of the School District, subject to any restrictions imposed by law, and shall provide the School District with a copy of information it sends to the State to comply with annual reporting requirements in connection with the exemption under the TIF Ordinance.

Section 5. Amendment. This Agreement may be amended or modified by the parties only in writing, signed by both parties to the Agreement.

Section 6. Entire Agreement, Waiver of Notice. This Agreement sets forth the entire agreement and understanding between the parties as to the subject matter hereof and merges and supersedes all prior discussions, agreements, and undertakings of every kind and nature between the parties with respect to the subject matter of this Agreement. The School District hereby waives any notice requirements set forth in the TIF Act or in Sections 5709.82, 5709.83 and 5715.27(D)

of the Ohio Revised Code with respect to the TIF Exemption and waives any defects or irregularities relating to the TIF Exemption.

Section 7. Notices. All payments, certificates and notices which are required to or may be given pursuant to the provisions of this Agreement shall be sent by the United States ordinary mail, postage prepaid, and shall be deemed to have been given or delivered when so mailed to the address set forth in the first paragraph of this Agreement, to the attention of the Mayor or the Superintendent, as applicable. Either party may change its address for receiving notices and reports by giving written notice of such change to the other party.

Section 8. Severability of Provisions. The invalidity of any provision of this Agreement shall not affect the other provisions of this Agreement, and this Agreement shall be construed in all respects as if any invalid portions were omitted.

Section 9. Counterparts. This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument, and any party to this Agreement may execute this Agreement by signing any such counterpart.

ORDINANCE NO. 2021 - 05

INTRODUCED BY MAYOR AND COUNCIL AS A WHOLE

AN EMERGENCY ORDINANCE DETERMINING THE PERIOD OF TAX EXEMPTION FOR AN IMPROVEMENT TO REAL PROPERTY OWNED BY OAKWOOD CENTER, LLC. LOCATED IN OAKWOOD COMMUNITY REINVESTMENT AREA NO. 1 AND AUTHORIZING THE MAYOR TO ENTER INTO A MUNICIPAL INCOME TAX REVENUE SHARING AGREEMENT WITH THE BOARD OF EDUCATION OF THE BEDFORD CITY SCHOOL DISTRICT

WHEREAS, The Mayor, as Housing Officer, certifies that improvements to the commercial property in Oakwood Community Reinvestment Area No. 1, owned or to be owned by Oakwood Center, LLC. (hereinafter "OC, LLC"), qualifies for real property tax exemption under Ordinance 1991-72, as amended by Ordinances 1996-61, 2001-22 and 2019-09; and

WHEREAS, The Mayor, as Housing Officer, has given notice to the Board of Education in the school district in which the proposed tax exempted property is located pursuant to Section 5709.83 of the Ohio Revised Code, and the Council has determined the period of such exemption:

NOW THEREFORE, BE IT ORDAINED by the Council of the Village of Oakwood, County of Cuyahoga, and State of Ohio that:

SECTION 1. To the extent the proposed improvements, more fully described in Exhibit "A" attached hereto and incorporated herein (hereinafter "Project"), to the real property located off Oak Leaf Road, also known as Permanent Parcel Numbers 795-50-014, 795-50-013, 795-49-010, 795-15-048, 795-50-012, 795-50-011, 795-49-005, 795-49-006 and 795-49-007 (hereinafter "Property"), which are all within the Village of Oakwood (hereinafter "Village") and Oakwood Community Reinvestment Area No. 1 and owned by OC, LLC or its successor in interest, will increase the market value of the real property improvements, such amount shall be, and hereby is, exempt from real property taxation pursuant to Ordinance 1991-72, as amended by Ordinances 1996-61, 2001-22, and 2019-09, and Section 3735.67(D)(2) of the Ohio Revised Code for a period of ten (10) years, beginning in the year following the calendar year of certification of the above to the County Auditor by the Village Housing Officer after the completion of each building. Said exemption shall cover seventy-five (75%) of the dollar amount by which the improvements increase the market value of the real property improvements. Any additional development on the balance of the Property already present or land contiguous to the Property, similar in nature to the improvements presently proposed, will be granted similar tax incentives provided such development occurs within six (6) years following completion of Phase I improvements. In addition, seventy-five per cent (75%) of the tap-in, permit and review fees, as well as the abatement application fee, shall be waived for the construction of these facilities and items related thereto, as and for additional economic incentives to OC, LLC, for the Project.

SECTION 2. The period of said exemption shall terminate before the end of ten (10) years, but after the first year of exemption, if the Housing Officer finds and certifies, after notice to OC, LLC and an opportunity to cure, delinquency in a payment of property taxes for the Property, or that the property has not been maintained in compliance with the Village's ordinances and regulations due to the negligence of the owner..

SECTION 3. OC, LLC agrees to pay the sum of Twelve thousand and 00/100 Dollars (\$12,000.00) per year for a period of fifteen (15) years to the Board of Education of the Bedford City School District (hereinafter "Board"). OC, LLC agrees to commence said payments in the second year in which OC, LLC receives a tax abatement as provided herein and continue said payments thereafter on or before June 1 of each succeeding year for a total of fifteen (15) yearly installments.

SECTION 4. If, during the first ten (10) years following commencement of the incentives referenced in Section 1 above, OC, LLC or its successor(s) in interest shall cease operations at the Property but move or continue those operations at a different location outside of the Village, it shall reimburse to the County Fiscal Officer for proper distribution a proportional amount of the tax incentive dollars saved as a result of this Ordinance to the point operations have ceased which shall be the proportion the square footage of the building(s) that have ceased operation bear to the total square footage of all buildings that have been constructed pursuant to said Exhibit "A". In calculating the foregoing, the amount to be reimbursed shall be reduced ten percent (10%) for each year OC, LLC or its successor(s) in interest has remained in operation at the Property. The reimbursement amount shall be forgiven to the extent that tax and other public revenues generated by OC, LLC are replaced by those of a subsequent tenant.

SECTION 5. In the event the real property tax, as it is presently constituted, is eliminated by the State of Ohio and if a new tax, in whatever form, replaces said real property tax and, in the further event abatement from the payment of the new tax is permitted by applicable law, the Village agrees to allow for the substitution of the new form of abatement for the abatement described herein, provided the new abatement bears the same proportion to the new tax that the present abatement bears to the present tax and provided further that the substitution is permitted, in whole or in part, by State and /or local laws and is approved by any governmental entity having jurisdiction over such matters including, but not limited to, the local school board. Said substituted abatement shall continue for the remaining duration of the existing abatement.

SECTION 6. A Municipal Income Tax Revenue Sharing Agreement between the Village and the Board, a copy of which is attached hereto and incorporated herein as Exhibit "B" is hereby approved. The Mayor be and he is hereby authorized to execute such Agreement on behalf of the Village.

SECTION 7. This Ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety and welfare of the inhabitants of the Village, the reason for the emergency being that the same relates to the daily operation of a municipal department and the preservation of time-sensitive economic development opportunities for the benefit of the Village and its residents, therefore, provided it receives two-third (2/3) of the vote of all members of Council elected thereto, said Ordinance shall be in full force and effect immediately upon its adoption by this Council and approval by the Mayor, otherwise from and after the earliest period allowed by law.

The Bedford City School District (BCSD) will receive 40% of the real property taxes that would have been distributed to it by the County Treasurer for the first 10 years but for the TIF exemption. For years 11-15, the BCSD will receive 10% of the real property taxes that would have been distributed to it but for the TIF exemption. For the second 15 years, the BCSD will receive 100% of the amount it would have received but for the TIF exemption.

(b) Reasons requesting tax incentives (please be quantitatively specific):

To be competitive with alternative options in Florida and Texas.

8. **Delinquencies**

² The new building will provide the flexibility for up to 1,000,000 sf of expansion, which holds the potential for another \$6,500,000 of property value. Moreover, a potential manufacturing plant with special requirements would hold the potential for another \$8,000,000 of property value.

³ Machinery and equipment for lessee - \$1,800,000

⁴ Furniture and fixtures for lessee - \$2,000,000

⁵ New inventory for lessee - \$1,500,000

⁶ 147 current, full time employees would move to the new facility, when facility is move-in ready. These are guaranteed lessees' employees.

⁷ \$6,000,000 is the current payroll of lessees' 147 employees.

⁸ Lessees would relocate all personal, machinery, inventory, assets and operations from their shared 5300 Lakeside Avenue, Cleveland Ohio 44114 location.

⁹ Affiliates/lessees will vacate a leased building located at 5300 Lakeside Avenue, Cleveland, Ohio 44114. The 5300 Lakeside Avenue landlord will re-lease the vacated space to a new tenant. All affiliates' personnel, inventory and assets would relocate to Oakwood Village with the exception of two manufacturing plants in Cleveland. Two diesel fuel systems manufacturing plants will remain in the Cleveland Lakeside area employing approximately 110 full time employees.

¹⁰ Guaranteed lessees' full time employees payroll year 1 \$6,000,000; estimated year 5 \$7,000,000+. Guaranteed lessees estimate at least 30 new full time jobs over the five-year timeframe. Affiliates prefer full time employees over temporary employees as even the lower skilled positions require training and experience to become productive. By opening up the labor pool to Akron and other counties more convenient to Oakwood Village, affiliates hope to operate with little or no temporary employees.

WHEREAS, on _____, 2021, and prior to the passage of the TIF Ordinance, the Board of the School District adopted a resolution granting its approval of this Agreement and the exemption of the real property taxes on the Improvements as provided in the TIF Ordinance and waived any further requirements of the TIF Act and Sections 5709.82 and 5709.83 of the Ohio Revised Code on the condition that the Village execute and deliver this Agreement; and

WHEREAS, the TIF Ordinance provides for a 30-year, 100% exemption from real property taxes with respect to the Improvements on the Interstate-McBee Property (the "TIF Exemption") and for the payment of service payments in lieu of taxes with respect to such Improvements ("Service Payments"); and

WHEREAS, to facilitate the construction of certain public and private improvements to the Interstate-McBee Property and to compensate the School District for a portion of the real property taxes that the School District would have received had the Interstate-McBee Property been improved and not been exempted from taxation, the Village and the School District have determined to enter into this Agreement, which Agreement is in the vital and best interest of the Village and the School District and will improve the health, safety and welfare of the citizens of the Village and the School District;

NOW THEREFORE, in consideration of the promises and covenants contained in this Agreement, the parties agree as follows:

Section 1. School District Approval and Agreement. In consideration of the compensation to be provided to it under this Agreement, the School District hereby approves the TIF Exemption in the amount of up to 100% for up to 30 years, as provided for in the TIF Ordinance, and waives any payment of income tax revenues derived from new employees at the Interstate-McBee Property as provided in Section 5709.82 of the Ohio Revised Code.

Section 2. Compensation Payments to School District.

(a) The parties agree that, as consideration for the School District's agreement in Section 1,

(i) commencing with the first (1st) collection year in which Service Payments are received by the Cuyahoga County Treasurer (the "Treasurer") with respect to the Interstate-McBee Property, and ending with the tenth (10th) collection year in which Service Payments are received by the Treasurer with respect to the Interstate-McBee Property, the Village shall cause the Treasurer to pay semi-annually to the School District, but solely from Service Payments received by the Treasurer, an amount equal to forty percent (40%) of the real property taxes that would have been distributed to the School District but for the TIF Exemption.

(ii) commencing with the eleventh (11th) collection year in which Service Payments are received by the Treasurer with respect to the Interstate-McBee Property, and ending with the fifteenth (15th) collection year in which Service Payments are received by the Treasurer with respect to the Interstate-

McBee Property, the Village shall cause the Treasurer to pay semi-annually to the School District, but solely from Service Payments received by the Treasurer, an amount equal to ten percent (10%) of the real property taxes that would have been distributed to the School District but for the TIF Exemption.

(iii) Commencing with the sixteenth (16th) collection year in which Service Payments are received by the Treasurer with respect to the Interstate-McBee Property and continuing until the TIF Exemption ends, the Village shall cause the Treasurer to pay semi-annually to the School District, but solely from Service Payments received by the Treasurer, an amount equal to one hundred percent (100%) of the amounts, if any, the School District would have received but for the TIF Exemption.

(b) The payments specified in subsection (a) shall be made only to the extent that the Treasurer actually receives Service Payments in an amount equal to the real property taxes that the School District would have received, but for the TIF Exemption. Amounts received by the School District in accordance with subsection (a) of this Section 2 are collectively referred to herein as "TIF Revenue Payments." In the event that in any year the amount of Service Payments actually received by the Treasurer are not equal to the TIF Revenue Payments to be received under this Section 2, such amounts shall be carried forward and will be payable from amounts received in future years after reimbursement of the School District for the applicable percentage of taxes that the School District would have received in such future year. In the event that the valuation of the Interstate-McBee Property is challenged by an Owner or by the School District and the result of such challenge is an increase or decrease in the assessed valuation of such parcel which increase or decrease is finally determined, either through all appeals or after expiration of any appeal period, in a later collection year, the TIF Revenue Payments due to the School District in the year of such final determination and thereafter shall be increased or decreased to reflect such increased or decreased valuation.

Section 3. Additional Payments. In addition, the Village shall cause Interstate-McBee to pay to the School District Twelve thousand and 00/100 Dollars (\$12,000.00) per year commencing in the second year in which Interstate-McBee receives tax abatements as provided herein and continuing thereafter for a total of fifteen (15) years of payments.

Section 4. Timing of Payments. The Treasurer shall distribute the TIF Revenue Payments to the School District in accordance with law. The payments due under Section 2(a) shall be paid to the School District not later than January 31 of each collection year that the TIF Exemption is in effect, commencing with the calendar year in which the first Service Payments are distributed by the Treasurer. The records of the Village relating to the amount of any TIF Revenue Payment or other payment shall be made available to the School District for audit annually by the treasurer of the School District or by an independent auditor of the School District's choice and at its sole expense.

Section 5. Sharing of Information. The Village agrees to cooperate to share information with the School District as to its receipt of Service Payments upon request of the School District, subject to any restrictions imposed by law and shall provide the School District with a copy of information it sends to the State to comply with annual reporting requirements in connection with the exemption under the TIF Ordinance.

Section 6. Amendment. This Agreement may be amended or modified by the parties only in writing, signed by both parties to the Agreement.

Section 7. Entire Agreement, Waiver of Notice. This Agreement sets forth the entire agreement and understanding between the parties as to the subject matter hereof and merges and supersedes all prior discussions, agreements, and undertakings of every kind and nature between the parties with respect to the subject matter of this Agreement. The School District hereby waives any notice requirements set forth in the TIF Act or in Sections 5709.82, 5709.83 and 5715.27(D) of the Ohio Revised Code with respect to the TIF Exemption and waives any defects or irregularities relating to the TIF Exemption.

Section 8. Notices. All payments, certificates and notices which are required to or may be given pursuant to the provisions of this Agreement shall be sent by the United States ordinary mail, postage prepaid, and shall be deemed to have been given or delivered when so mailed to the address set forth in the first paragraph of this Agreement, to the attention of the Mayor or the Superintendent, as applicable. Either party may change its address for receiving notices and reports by giving written notice of such change to the other party.

Section 9. Severability of Provisions. The invalidity of any provision of this Agreement shall not affect the other provisions of this Agreement, and this Agreement shall be construed in all respects as if any invalid portions were omitted.

Section 10. Counterparts. This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument, and any party to this Agreement may execute this Agreement by signing any such counterpart.
