**WHEREAS**, Oakwood village Council wishes to provide regulations for the raising and Keeping of fowl located within Village limits for the public health, safety and welfare and to eliminate or control potential hazards posed by such;

**NOW, THEREFORE, BE IT ORDAINED** by the Council of Village of Oakwood, County of Cuyahoga and State of Ohio:

**Section 1.** That new Section 505.19 of the Codified Ordinances of Oakwood Village, Ohio, entitled “Keeping Chickens”, is enacted to read as follows:

**505.19 KEEPING CHICKENS.**

The keeping/raising of fowl, and the erection of coops or other enclosures for the keeping of fowl, shall comply with the following regulations:

- (a) The keeping or raising of fowl shall only be permitted on lots zoned R1F of one (1) acre or more.
- (b) No more than four (4) chickens are permitted to be kept on each parcel of land.
- (c) Roosters are prohibited.
- (d) No person may keep or raise any fowl other than chickens, including ducks, quail, geese, or turkeys.
- (e) Chickens must be located within a designated chicken coop and chicken run. Chicken coops and chicken runs must meet the following requirements:
  - 1. The chicken coop and chicken run shall be located in the rear or backyard of owner-occupied single-family residential properties.
  - 2. Neither the coop nor run shall be located between the rear of the principal structure and the front yard lot line.
  - 3. The coop shall have a minimum twenty-five feet (25') setback from the rear property line and twenty feet (20') setback from each side property line. A covered enclosure or fenced enclosure shall not be located closer than thirty-five (35') feet to any residential structure on an adjacent property.
  - 4. Coops shall be predator and rodent resistant with a solid covered roof.
  - 5. Water shall be provided onsite and accessible to chickens at all times.
  - 6. During daylight hours, the chickens shall also have access to the run and chicken coop in order to provide cover in inclement weather and fresh air when the weather is hot.
  - 7. From dusk to dawn, chickens shall be enclosed within a chicken coop.
  - 8. The maximum size per coop is one hundred (100) square feet.
  - 9. A minimum of four-square feet of space per chicken shall be provided in each the coop and the run.

10. The maximum height of the coop shall be no more than seven feet at the highest point of the roof.
- (f) Chicken coops and chicken runs shall be regularly cleaned to control dust, odor and waste so as not to create a nuisance, constitute a safety hazard, health problem or unreasonable disturbance to surrounding properties.
  - (g) On-sight slaughtering is prohibited.
  - (h) Chicken feed shall be stored in a reasonable, airtight, predator and rodent-proof container.
  - (i) Chicken waste shall be disposed of in a waste container off-site or buried to be used as compost.
  - (j) Chickens shall be kept for personal use only. No person shall sell or barter eggs or engage in chicken breeding or fertilizing production for commercial purposes.
  - (k) Whoever violates subsections (a) through (j) is guilty of a misdemeanor of the third degree.
  - (l) If violation of subsections (a) through (j) is continued, each day a person remains in violation shall constitute a separate offense.

**Section 2.** That Section 505.03 of the Codified Ordinances of Oakwood Village, Ohio, which currently reads as follows:

- (a) No person being the owner or having charge of cattle, horses, swine, sheep, geese, ducks, goats, turkeys, chickens or other fowl or animals shall permit them to run at large upon any public place, or upon any unenclosed lands or upon the premises of another.
- (b) No owner, keeper or harbinger of any female dog shall permit it to go beyond the premises of the owner, keeper or harbinger at any time the dog is in heat, unless the dog is properly in leash.
- (c) No owner, keeper or harbinger of any dog shall fail at any time to keep it either physically confined or restrained upon the premises of the owner, keeper or harbinger by a leash, tether, adequate fence, supervision or secure enclosure to prevent escape, or under reasonable control of some person.
- (d) The running at large of any such animal in or upon any of the places mentioned in this section is prima-facie evidence that it is running at large in violation of this section.
- (e) Whoever violates this subsection (a) hereof is guilty of a misdemeanor of the fourth degree.
- (f)
  - (1) Whoever violates subsection (b) or (c) hereof is guilty of a minor misdemeanor for a first offense and a misdemeanor of the fourth degree for each subsequent offense.
  - (2) In addition to the penalties prescribed in subsection (f)(1) hereof, if the offender is guilty of a violation of subsection (b) or (c) hereof, the court may order the offender to personally supervise the dog that he owns, keeps or harbors, to cause that dog to complete dog obedience training, or to do both.

Shall be and hereby is amended to read as follows:

- (a) No person being the owner or having charge of cattle, horses, swine, sheep, goats, chickens or other animals shall permit them to run at large upon any public place, or upon any unenclosed lands or upon the premises of another.
- (b) No owner, keeper or harbinger of any female dog shall permit it to go beyond the premises of the owner, keeper or harbinger at any time the dog is in heat, unless the dog is properly in leash.
- (c) No owner, keeper or harbinger of any dog shall fail at any time to keep it either physically confined or restrained upon the premises of the owner, keeper or harbinger by a leash, tether, adequate fence, supervision or secure enclosure to prevent escape, or under reasonable control of some person.
- (d) The running at large of any such animal in or upon any of the places mentioned in this section is prima-facie evidence that it is running at large in violation of this section.
- (e) Whoever violates this subsection (a) hereof is guilty of a misdemeanor of the fourth degree.
- (f)
  - (1) Whoever violates subsection (b) or (c) hereof is guilty of a minor misdemeanor for a first offense and a misdemeanor of the fourth degree for each subsequent offense.
  - (2) In addition to the penalties prescribed in subsection (f)(1) hereof, if the offender is guilty of a violation of subsection (b) or (c) hereof, the court may order the offender to personally supervise the dog that he owns, keeps or harbors, to cause that dog to complete dog obedience training, or to do both.

**Section 3.** The Codifier is hereby instructed to insert the adopted Codified Ordinance 505.19 and substitute the adopted version of Codified Ordinance 505.03 in the Oakwood Codified Ordinances.

**Section 4.** This Ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety and welfare of the inhabitants of the Village, the reason for the emergency being that the same relates to the public health and preservation of peace in the Village, therefore, provided it receives two-third of the vote of all members of Council elected thereto, said Ordinance shall be in full force and effect immediately upon its adoption by this Council and approval by the Mayor, otherwise from and after the earliest period allowed by law.

Re: Village of Oakwood Re: General Matters 2020, OAKW/200002  
Topic: Grandfathering limitations on number of chickens

---

**Does Oakwood Village need to allow those property owners with more than 6 chickens currently to continue to harbor more than 6 chickens? Yes, unless there is evidence that the current condition imperils public health, safety, or morals.**

Property owners have challenged enactment of ordinances regulating the use of property through both RC 713.15 and Sections 16 and 19, Article I of the Ohio Constitution.

RC 713.15 provides:

The lawful use of any dwelling, building, or structure and of any land or premises, as existing and lawful at the time of enacting a zoning ordinance or an amendment to the ordinance, may be continued, although such use does not conform with the provisions of such ordinance or amendment, but if any such nonconforming use is voluntarily discontinued for two years or more, or for a period of not less than six months but not more than two years that a municipal corporation otherwise provides by ordinance, any future use of such land shall be in conformity with sections 713.01 to 713.15 of the Revised Code. The legislative authority of a municipal corporation shall provide in any zoning ordinance for the completion, restoration, reconstruction, extension, or substitution of nonconforming uses upon such reasonable terms as are set forth in the zoning ordinance.

RC 713.15 does not prevent a municipality from taking legislative action pursuant to its police power to abate a preexisting use which has become a nuisance. *Northern Ohio Sign Contractors Ass'n v. City of Lakewood*, 32 Ohio St.3d 316, 317-318 (1987). However, a nuisance is a legal concept with a particular meaning, so a court will not find that a condition arises to the level of nuisance unless it meets that definition. *State v. Skilwies*, 2d Dist. No. 17077, 1999 WL 6507. If a condition is a danger to the public health, safety, morals or public welfare, it is a public nuisance and a municipality may abate a preexisting, nonconforming use. *Northern Ohio Sign Contractors*, supra. In *Gates Co. v. Housing Appeals Board*, 10 Ohio St.2d 48, 52 (1967), the Supreme Court of Ohio equated it with a "factual determination that the continued use immediately and directly imperils the public health, safety, or morals."

It is likely of no consequence that the proposed ordinance will not fall under the “zoning” section of codified ordinances. The substance of a particular legislative enactment, rather than how the municipality has chosen to codify it, determines whether RC 713.15 will apply. *State v. Skilwies*, 2d Dist. No. 17077, 1999 WL 6507, citing *Northern Ohio Sign Contractors*, *supra*.

Courts will presume the constitutionality of a municipal ordinance and that the party challenging a legislative act of a municipality bears the burden of demonstrating its unconstitutionality. *Northern Ohio Sign Contractors Ass’n v. City of Lakewood*, 32 Ohio St.3d 316, 317-318 (1987). As the constitutional right of the individual to use private property has always been subservient to the public welfare under Section 19, Article I of the Ohio Constitution, such use is subject to the legitimate exercise of local police power pursuant to Sections 3 and 7, Article XVIII of the Ohio Constitution. *Id.* at 318. A municipal ordinance passed under such authority will be valid if it bears a real and substantial relationship to the health, safety, morals or general welfare of the public and if it is not unreasonable or arbitrary. *Id.*

An ordinance may be applied to regulate preexisting conditions if they have become a public nuisance. *Northern Ohio Sign Contractors Ass’n, supra*. However, retroactive zoning ordinances founded upon arbitrary, unsupported legislative declarations of nuisance, or comprised of arbitrary, discriminatory, capricious, or unreasonable terms, remain without real and substantial relation to legitimate governmental objectives. *Northern Ohio Sign Contractors*, 32 Ohio St.3d 321.

Re: Village of Oakwood Re: General Matters 2020, OAKW/200002  
Topic: Reasons to limit chickens in the Village

---

The average hen produces about 300 eggs per year.<sup>1</sup> Therefore, the average number of eggs laid per hen, per week, is between 5 and 6 eggs. This number is consistent through the winter if the owner provides light to the chickens.<sup>2</sup> Therefore, 4 chickens will yield about 20 – 24 eggs per week, and 6 chickens would yield about 30-36 eggs per week. It would make sense for a larger family that desires to eat eggs more frequently to have 6 chickens as opposed to 4.

Additionally, poultry can cause disease, including Campylobacteriosis, salmonella and avian flu. Salmonella is transmitted through the chickens' feces.<sup>3</sup> Therefore limiting the number of poultry permitted in a backyard will also limit the amount of excrement produced, in turn reducing the risk of salmonella. Six hens will produce between 137 and 480 pounds of manure per year.<sup>4</sup> For reference, a typical dog excretes 274 pounds of waste per year.<sup>5</sup> Since many people own two dogs and are able to manage their excrement, a person would probably be able to manage six chickens that excrete the same amount as two dogs.

Many municipalities prohibit roosters because roosters crow, usually (though not always) in the morning hours.<sup>6</sup> Since roosters do not produce eggs and can be annoying to neighbors in the morning, it is rational to prohibit them.

- (f) "Animal Warden" means the person employed by the Municipality as its enforcement officer.
- (g) "Exposed to rabies" means that a dog has been exposed to rabies within the meaning of this chapter if it has been bitten, or has come in contact directly or indirectly with any animal known to have been infected with rabies.

(Ord. 1970-59. Passed 6-2-70.)

#### **505.03 DOGS AND OTHER ANIMALS RUNNING AT LARGE.**

(a) No person being the owner or having charge of cattle, horses, swine, sheep, geese, ducks, goats, turkeys, chickens or other fowl or animals shall permit them to run at large upon any public place, or upon any unenclosed lands or upon the premises of another.

(ORC 951.02)

(b) No owner, keeper or harbinger of any female dog shall permit it to go beyond the premises of the owner, keeper or harbinger at any time the dog is in heat, unless the dog is properly in leash.

(c) No owner, keeper or harbinger of any dog shall fail at any time to keep it either physically confined or restrained upon the premises of the owner, keeper or harbinger by a leash, tether, adequate fence, supervision or secure enclosure to prevent escape, or under reasonable control of some person.

(ORC 955.22)

(d) The running at large of any such animal in or upon any of the places mentioned in this section is prima-facie evidence that it is running at large in violation of this section.

(ORC 951.02)

(e) Whoever violates this subsection (a) hereof is guilty of a misdemeanor of the fourth degree.

(ORC 951.99)

(f) (1) Whoever violates subsection (b) or (c) hereof is guilty of a minor misdemeanor for a first offense and a misdemeanor of the fourth degree for each subsequent offense.

(2) In addition to the penalties prescribed in subsection (f)(1) hereof, if the offender is guilty of a violation of subsection (b) or (c) hereof, the court may order the offender to personally supervise the dog that he owns, keeps or harbors, to cause that dog to complete dog obedience training, or to do both.

(ORC 955.99)

#### **505.04 IMPOUNDING.**

(a) The animals found running at large in violation of Section 505.03 shall be taken by the Animal Warden and/or his assistants and impounded in a shelter designated as the Municipal Animal Shelter, and there confined in a humane manner to be reclaimed by the owner, released to the Animal Protective League or the County Dog Warden.

(b) The Animal Warden may transfer title of all animals so held to the Animal Protective League or to the Dog Kennel of Cuyahoga County if the animal is not claimed by its owner.

(c) When licensed dogs are found running at large in violation of Section 505.03, such dogs need not be impounded, but the Animal Warden may return such dogs to their owners and cite the owners of such dogs to appear in court to answer to charges of violation of Section 505.03.

(d) Immediately upon impounding dogs or other animals, the Animal Warden shall make every reasonable effort to notify the owners of such dogs, or other animals so impounded, and inform such owners of the conditions whereby they may regain custody of such animal.

(e) The owner shall be entitled to resume possession of any impounded animal except as hereinafter provided, upon compliance with the payment of an impoundment fee of five dollars (\$5.00) per day or any part thereof. Proof of ownership must be given to the Animal Warden. Proof of ownership may include a license receipt, affidavits of neighbors, a photograph or other suitable evidence.

(f) Any female dog or fierce, dangerous or vicious dog described in Section 505.03(b) and (d), respectively, found at large, shall be impounded by the Animal Warden and may not be redeemed by the owner, unless such redemption is authorized by any court having jurisdiction.

(g) Any animal impounded for being a public nuisance may not be redeemed unless such redemption is authorized by any court having jurisdiction.

(Ord. 1970-59. Passed 6-2-70.)

#### **505.05 ABANDONING ANIMALS.**

(a) No owner or keeper of a dog, cat or other domestic animal shall abandon such animal.

(e) Decisions of Village Council. All decisions of Village Council concerning a requested variance shall be deemed final.

#### **981.01 DEFINITIONS.**

For the purposes of this chapter, the following terms, phrases, words and their derivations shall have the meanings given herein. When not inconsistent with the context, words used in the present tense include the future, words in the plural number include the singular number and words in the singular number include the plural number. The word "shall" is always mandatory and not merely directory.

- (a) "Garbage" means all waste or offal of fish, fowl, fruit, vegetable and animal matter resulting from the preparation of food for human consumption from houses, kitchens, hotels, restaurants, markets and commission houses, etc., exclusive of shells from oysters and clams.
- (b) "Refuse" means paper, barrels, boxes, baskets, wood, rags, mattresses, worn-out furniture, old shoes, leather, carpets, broken glass, crockery, tin cans, rubber and similar discarded materials. It does not, however, include any material in the nature of earth, sand, brick, stone, plaster, ashes or other substances that may accumulate as a result of building operations.
- (c) "Other refuse" means all discarded materials not included in the foregoing definitions.
- (d) "Owner" means the owner or part owner of the premises, including the holder of the title thereto subject to contract of purchase, a vendee in possession, a mortgagee or receiver in possession, a lessee or joint lessees of the whole thereof or an agent or any person, firm, corporation or fiduciary directly in control of the premises.
- (e) "Premises" means a lot, parcel or plot of land including the buildings and/or structures thereon.
- (f) "Residential unit" means the place of abode of persons living separately or together as an independent family.
- (g) "Double-family residence" means the grouping together of two residential units under a common roof.

Stat. 350 (1966), 7 U.S.C.A. 2131 et seq., as amended by the "Animal Welfare Act of 1970", Pub. L. No. 91-579, 84 Stat. 1560 (1970), the "Animal Welfare Act Amendments of 1976", Pub. L. No. 94-279, 90 Stat. 417 (1976), and the "Food Security Act of 1985", Pub. L. No. 99-198, 99 Stat. 1354 (1985), and as it may be subsequently amended.

(7) "Dog kennel" means an animal rescue for dogs that is registered under Ohio R.C. 956.06, a boarding kennel or a training kennel.

(b) No person shall knowingly torture, torment, needlessly mutilate or maim, cruelly beat, poison, needlessly kill, or commit an act of cruelty against a companion animal.

(c) No person who confines or who is the custodian or caretaker of a companion animal shall negligently do any of the following:

(1) Torture, torment or commit an act of cruelty against the companion animal;

(2) Deprive the companion animal of necessary sustenance, or confine the companion animal without supplying it during the confinement with sufficient quantities of good, wholesome food and water, if it can reasonably be expected that the companion animal would become sick or suffer in any other way as a result of or due to the deprivation or confinement;

(3) Impound or confine the companion animal without affording it, during the impoundment or confinement, with access to shelter from heat, cold, wind, rain, snow, or excessive direct sunlight if it can reasonably be expected that the companion animal would become sick or suffer in any other way as a result of or due to the lack of adequate shelter.

(d) No owner, manager or employee of a dog kennel who confines or is the custodian or caretaker of a companion animal shall negligently do any of the following:

(1) Torture, torment, or commit an act of cruelty against the companion animal;

(2) Deprive the companion animal of necessary sustenance, or confine the companion animal without supplying it during the confinement with sufficient quantities of good, wholesome food and water, if it can reasonably be expected that the companion animal would become sick or suffer in any other way as a result of or due to the deprivation or confinement;

(3) Impound or confine the companion animal without affording it, during the impoundment or confinement, with access to shelter from heat, cold, wind, rain, snow or excessive direct sunlight if it can reasonably be expected that the companion animal would become sick or suffer in any other way as a result of or due to the lack of adequate shelter.

(e) Subsections (b), (c) and (d) of this section do not apply to any of the following:

(1) A companion animal used in scientific research conducted by an institution in accordance with the federal animal welfare act and related regulations;

(2) The lawful practice of veterinary medicine by a person who has been issued a license, temporary permit, or registration certificate to do so under Ohio R.C. Chapter 4741;

(3) Dogs being used or intended for use for hunting or field trial purposes, provided that the dogs are being treated in accordance with usual and commonly accepted practices for the care of hunting dogs;

## CHICKENS

Diseases such as Histoplasmosis, salmonella, farmer's lung, bird flu and staph infections CAN be associated with being around chickens. So if someone in your household is susceptible to illnesses, the following guidelines will help to minimize your risks.

### **Owning and Keeping Chickens**

Before you buy a coop, learn the ins and outs of owning chickens in a residential area

To raise chickens in a residential area, you will need to comply with local ordinances. For a list of ordinances by state and municipality. There may be permits, fees or both. These are not much different than dog or cat licenses.

### **Don't Be a Nuisance**

To avoid nuisance complaints, owners of chickens must address issues like noise, smells, attraction of flies and rodents, cleanliness of coops, and proper disposal of chicken manure and deceased chickens. Some municipalities allow the slaughter of birds for meat on the premises. Others do not.

Finally, owners of backyard chickens in residential areas must make sure that any coops or fences are up to code. Some municipalities require permits and inspections.

### **Other Problems with Chickens**

Chickens are susceptible to a wide variety of diseases. Plus, poultry and eggs can carry bacteria such as salmonella and campylobacter that can sicken you, your family, and anyone else who eats them. The risk of infection is especially high for children, pregnant women, the elderly and persons with weakened immune systems. Eggs laid by urban chickens have been found to contain lead and other toxins.

Urban chickens often fall prey to dogs, raccoons, foxes and coyotes. Neighbors can be quick to file complaints. Raising chickens for eggs and meat can be meaningful, but it is a lot of work. As a result, unwanted urban chickens and roosters increasingly end up in local animal shelters.

## Sharing or Selling Eggs and Meat

Operators of successful backyard chicken operations soon find themselves sharing eggs with family, friends and neighbors. Many start to think about selling extra eggs.

Usually, there is no need to register with any state or federal agency, pasteurize your eggs, or use any special wash on the eggs you sell when you sell only your own eggs, you sell your eggs only at your house or by home delivery, the eggs are fresh and unwashed, you don't grade the eggs by size (AA, A or B, etc.), and you don't label your eggs as "organic" (which requires special certification).

If someone becomes ill from eggs that you give or sell to them, you could be liable for damages. Before sharing or selling your eggs, you might want to consult with your insurance agent or a lawyer. If selling, you should check with your municipality about the need for a business license or permit.

## 10 Health Precautions for Backyard Chicken Owners

Note: This page is for people who have a suppressed immune system, asthma, COPD or any condition that makes them especially susceptible to illnesses. A search of the BYC Forum or a Google search will help in obtaining further information about each of the illnesses and precautions mentioned below.

In order to remain healthy around chickens, most people don't need to do anything other than wash their hands after handling their chickens. However, there are many people who must be extra cautious because of suppressed immune systems, asthma, COPD or other conditions that make them more susceptible to illnesses that might be transmitted via chickens. Since one of my little granddaughters battled cancer (she's doing very well now), I've studied about and now practice strict health precautions in caring for my small backyard flock.

While it isn't likely that you will contract an illness from your chickens, it is possible. Diseases such as Histoplasmosis, salmonella, farmer's lung, bird flu and staph infections CAN be associated with being around chickens. So if someone in your household is susceptible to illnesses, the following guidelines will help to minimize your risks.

**Wash Hands.** This is a good practice for preventing illnesses from any source. Whenever you've

collected eggs, handled chickens, worked in your chicken coop or filled water bowls and feeders, always wash your hands with soap and water afterwards.

**Wear a face mask.** Chickens create a tremendous amount of dust. That's one of the reasons that ventilation is so important in a chicken coop. If your chicken coop is enclosed, wear a face mask whenever you work inside it – whether it's filling feeders and waterers or cleaning. For me, the ear-loop masks are the easiest to use. I found some on sale at my local grocery store and bought several boxes. I keep a box at the entrance to my chicken coop. Whenever I enter the coop to work, I put on a face mask. If I'm just gathering eggs quickly, I usually don't bother since I'll only be in there for a few seconds. However, if you are especially susceptible to lung issues, wearing a mask every time would help.

**Mist coop and roost areas with water.** A VERY light mist of water will help to decrease the amount of dust. You don't want the materials (shavings, straw, etc.) to be wet, though. Wet shavings/straw would only help bacteria grow! A light mist is all that is needed. Some people like to add bleach or Oxine to the water to help cut down on bacteria. If you use bleach, Oxine or other products, be sure to follow the directions on the package carefully to keep the proportions of the solution safe for your chickens.

**Keep the coop clean.** If you have a "poop board" under the roosting area, be sure and keep the droppings cleaned up. Putting dry sand under the roosts make it fairly simple to scoop up the poop frequently to keep down odor and bacteria. You might want to research the "deep litter method" also for managing your coop. I use the deep litter method for the coop floor, and I use sand for the poop boards. Find out what method works best for you and makes it easiest for you to keep your coop clean.

**Change into clean clothing after working in the chicken coop.** After working in the chicken coop, there is usually dust and other unwanted substances on your clothing. Have a clean set of clothes ready for afterwards, and wash dirty clothes as soon as possible.

**Observe your flock.** Whenever you're around your flock, pay attention to how they look and what they're doing. If there is anything unusual going on, check it out. If a bird appears sick, isolate it from the rest of the flock until you can determine what is wrong and take measures to correct it. In caring for animals of any kind, a watchful eye is vital.

**Have a pair of "chicken coop" shoes.** I keep a pair of slip-on rubber shoes by the backdoor. Anytime I go out to the chicken coop, I slip off the shoes I'm wearing and put on those shoes. When I return to the house, I switch back. This cuts down on germs being tracked into the home. Slip-on shoes makes this much easier.

**Closely supervise children around chickens.** Never leave children unsupervised around baby chicks or older chickens. There are immediate physical dangers such as an aggressive rooster who sees a small child as a challenge. Health-wise, children frequently put their hands in their mouths. Help them wash their hands thoroughly after handling chickens or eggs.

**Wash eggs.** There is a lot of disagreement both about the need to wash eggs and the need to

refrigerate eggs. You will have to decide what you're comfortable with. Because of my family's need for extra precautions, I wash all the eggs I gather. As soon as I bring the basket of eggs inside, I wash the eggs gently with either an organic egg cleaner or a mild solution of dish soap. Use very warm water and don't immerse the eggs in the water. Then rinse them well. After rinsing, pat them dry and place them in the refrigerator. Although washing eggs might remove the "bloom" (the natural protectant that covers the shell) we use our eggs up quickly. So that isn't an issue for us.

**Practice biosecurity.** Biosecurity is basically a way to keep disease away from your flock and other people's flocks. Part of practicing biosecurity is to keep your chickens away from visitors and other birds, keep shoes, tools and equipment clean, don't share tools and equipment with other chicken owners, observe your chickens carefully to watch for early signs of illness and report any signs of disease or unexpected deaths. When the chickens in your flock are healthy, there is much less risk of you becoming sick.

Chickens can be an amazing resource for food and entertainment, and keeping chickens is an effective step towards self-sufficiency. With just a few precautions, even people with suppressed immune systems and other health issues can enjoy the benefits of a backyard flock.

**A RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A MEMORANDUM OF UNDERSTANDING WITH THE CUYAHOGA SOIL AND WATER CONSERVATION DISTRICT AND THE NORTHEAST OHIO REGIONAL SEWER DISTRICT TO PROVIDE U.S. EPA PHASE II STORM WATER SERVICES FOR THE 2021 CALENDAR YEAR, AND DECLARING AN EMERGENCY**

**WHEREAS**, the Village of Oakwood is an operator of a small municipal separate storm sewers system (MS4) which was required to, and did obtain, by **March 10, 2003**, National Pollutant Discharge Elimination System permit (MS4 Permit) coverage, through the Ohio EPA, for storm water discharge as a result of U.S. EPA's Storm Water Phase II Rule; and

**WHEREAS**, the Storm Water Phase II Rule is part of the U.S. EPA's effort to preserve, protect, and improve the nation's water resources from polluted storm water runoff, Phase II is intended to further reduce adverse water quality and aquatic habitat conditions by instituting the use of controls on the unregulated sources of storm water discharges that have the greatest likelihood of causing environmental degradation. The Phase II rule automatically covers on a nationwide basis all small municipal separate storm sewer systems (MS4s) located in "urbanized areas" as delineated by the Census Bureau; and

**WHEREAS**, MS4s are required to design a storm water management plan to reduce the discharge of pollutants to the maximum extent practicable. The Phase II Rule defines a small MS4 storm water management program as comprised of six minimum control measures that, when administered in concert, are expected to result in reduction of the discharge of pollutants into receiving water bodies. Operators of regulated small MS4s are required to design their programs to do the following: reduce the discharge of pollutants to the "maximum extent practicable" (MEP), protect water quality and satisfy the appropriate water quality requirements of the Clean Water Act. Implementation of the MEP standard will require the development and implementation of best management practices and the achievement of measurable goals to satisfy each of the following six (6) minimum control measures (MCM):

**MCM 1. Public Education and Outreach**

Distributing educational materials and performing outreach to inform citizens about the impacts polluted storm water runoff discharges can have on water quality.

**MCM 2. Public Participation/Involvement**

Providing opportunities for citizens to participate in program development and implementation, including effectively publicizing public hearings and/or encouraging citizen representatives on a storm water management panel.

**MCM 3. Illicit Discharge Detection and Elimination**

Developing and implementing a plan to detect and eliminate illicit discharges to the storm sewer system (includes developing a system map and informing the community about hazards associated with illegal discharges and improper disposal of waste).

**MCM 4. Construction Site Runoff Control**

Developing, implementing and enforcing an erosion and sediment control program for construction activities that disturb one (1) or more acres of land (controls could include silt fences and temporary storm water detention ponds).

**MCM 5. Post-Construction Runoff Control**

Developing, implementing and enforcing a program to address discharges of post-construction storm water runoff from new development and redevelopment areas. Applicable controls could include preventive actions such as protecting sensitive areas (e.g., wetlands) or the use of structural BMPs such as grassed swales or porous pavement.

**MCM 6. Pollution Prevention/Good Housekeeping**

Developing and implementing a program with the goal of preventing or reducing pollutant runoff from municipal operations. The program must include municipal staff training on pollution prevention measures and techniques (e.g., regular street sweeping, reduction in the use of pesticides or street salt, or frequent catch-basin cleaning); and

**WHEREAS**, the Village of Oakwood is a member of the Northeast Ohio Regional Sewer District (NEORSWCD) and the NEORSWCD is required to provide Phase II storm water regulation support services to member communities for MCM Nos. 1, 2, 3 and 6 and is further authorized to provide such services through service providers such as the Cuyahoga Soil and Water Conservation District (SWCD); and

**WHEREAS**, the NEORSWCD has recognized SWCD as a preferred service provider which will work with NEORSWCD and the Village to plan and provide a conservation program that includes public education and involvement, and which will implement the Public Involvement and Public Education (PIPE) program, which program meets and exceeds the requirements of MCM Nos. 1 and 2; and

**WHEREAS**, the Village desires to enter into a Memorandum of Understanding (MOU) with NEORSWCD and SWCD for a period of twelve (12) calendar months beginning in January 2021, and subsequent annual renewals, to retain the services of SWCD, and participate with SWCD, in meeting the requirements of MCM Nos. 1 and 2, and provide an annual report to the Ohio EPA, all as more fully set forth in the MOU, which is attached hereto as Exhibit A, and incorporated as if fully rewritten herein; and

**WHEREAS**, per the MOU, the Village agrees to grant an annual conservation appropriation to SWCD, in an amount not to exceed \$6,000.00 for the calendar year 2021, and NEORSWCD agrees to provide the Village with an appropriation in the amount of \$6,000.00, which the Village shall use to pay SWCD to implement the services set forth in the MOU for the calendar year 2021.

**NOW, THEREFORE BE IT RESOLVED** by the Council of the Village of Oakwood, County of Cuyahoga, and State of Ohio that:

**Section 1.** The Mayor is hereby authorized and directed to enter into the MOU with NEORSWCD and SWCD for the calendar year 2020, which is attached hereto as Exhibit A, and

incorporated as if fully rewritten herein, and to grant an annual conservation appropriation to SWCD, in an amount not to exceed \$6,000.00 for the calendar year 2021, conditioned upon the Village receiving from NEORSD an appropriation in the amount of \$6,000.00, which the Village shall use to pay SWCD to implement the services set forth in the MOU for the calendar year 2021.

**Section 2.** It is found and determined that all formal actions of this Council concerning and relating to the adoption of this Resolution were adopted in an open meeting on the date indicated below, and that all deliberations of this Council and of any of its committees that resulted in such formal action, were in meetings open to the public in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

**Section 3.** This Resolution constitutes an emergency measure necessary for the health, safety and general welfare of the residents of the Village, and to allow the services set forth in the MOU to immediately commence, and provided it receives the affirmative vote of two-thirds (2/3) of the members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor, otherwise it shall take effect and be in force from and after the earliest period allowed by law

DATED: \_\_\_\_\_

Exhibit A follows:

**MEMORANDUM OF UNDERSTANDING for 2021-2025**  
**Between the Cuyahoga Soil and Water Conservation District**  
**and the**  
**Northeast Ohio Regional Sewer District**  
**and the**  
**Village of Oakwood**

This Memorandum of Understanding ("MOU") is made this \_\_\_\_ day of \_\_\_\_\_ ("Effective Date"), between the Cuyahoga Soil and Water Conservation District (SWCD) and the Northeast Ohio Regional Sewer District (NEORS), pursuant to the authority of Board Resolution 299-20, adopted November 5, 2020 and Village of Oakwood for providing technical assistance in implementing soil and water conservation measures.

**Purpose** – Implementation of conservation education, stewardship, and public involvement activities that also corresponds to the Village's Municipal Separate Storm Sewer System (MS4) permit.

Recognizing the need for effective collaboration in raising awareness through education, stewardship opportunities and public involvement and working to change the perceptions and behaviors of the public for a cleaner, healthier environment, such as what is required in the National Pollutant Discharge Elimination System (NPDES) permit, the Village, the Cuyahoga Soil and Water Conservation District (SWCD), and NEORS accept this agreement as the document which describes the process for exchange. Cooperation between these units of government facilitates better awareness of environmental issues and potential solutions for a healthier environment. In providing conservation *education* assistance and expertise to the Village, the SWCD hopes to influence citizens to better protect and conserve soil and water resources. The Ohio Revised Code, Chapter 940, describes the District's authority for engaging in this MOU.

Additionally, NEORS is required to provide Phase II stormwater regulation support services to member communities for Minimum Control Measure Nos. 1, 2, 3, and 6 under NEORS's Regional Stormwater Management Code (Title V), and is further authorized to provide such services through agreements with service providers such as the SWCD.

The SWCD, NEORS, and the Village have mutually agreed to this scope of assistance related to education, stewardship, and public involvement for the conservation of soil and water resources.

**Cuyahoga SWCD Conservation Program**

The SWCD will work with the Village to provide a conservation program that includes public education and public involvement, such as that listed in the Village's Storm Water Management Plan, local watershed action plan, and/or balanced growth plans, or others as mutually agreed upon. The goal of the education, stewardship and public involvement program is to reach diverse stakeholders, including Village residents, Village staff, school children, etc. through the following services:

1. SWCD staff will coordinate activities and facilitate program implementation with feedback from the Village's designee and/or through an annual stakeholder meeting.
-

2. SWCD staff will attend Village council meetings, as requested.
3. SWCD will assist the Village in planning and promotion of a local pollution prevention or clean water event and assist in identifying partnerships with various community stakeholders. Events may include stream clean ups, drain stenciling, water festivals or other activities to engage the public.
4. SWCD will create a variety of educational materials, including brochures, fact sheets, newsletters, newsletter articles, web-based information for the Village's use, special mailings, educational posters and school programs, such as age-specific student programs and teacher workshops related to conservation concerns, including watershed issues, soils and water.
5. SWCD will provide opportunities for student involvement in local, state and national programs and competitions.
6. On the Village's behalf, the SWCD will participate in the Northeast Ohio Public Involvement and Public Education Work group (NEO PIPE). Products produced by the NEO PIPE Work Group will be shared with the Village.
7. The SWCD will seek opportunities to maximize impact and minimize additional program costs related to printing large quantities of selected materials that become available to the public.
8. The SWCD will provide an annual report of all activities undertaken, including copies of all fliers, notices, and types of stakeholders reached, attendance records and any data collected.

#### **Village's Role**

1. The Village will designate someone to serve as the liaison to the Cuyahoga SWCD and to help provide guidance regarding conservation education and public involvement and with coordination of activities such as improvement days, storm drain stenciling, and watershed planning activities.
2. The Village will help to identify potential leaders, including civic leaders, civic groups, senior organizations, fraternal groups, scout leaders, school liaisons, business leaders and anyone else that should be contacted through an outreach program.
3. The Village will disseminate program information in a timely manner.
4. The Village will assume full responsibility for completion and submittal of their required annual reports.

#### **Agreed Procedures**

- The Village agrees to grant an annual conservation appropriation to the SWCD, not to exceed \$6,000 for a one-year term, following the Effective Date, and the Cuyahoga SWCD agrees to use the grant funds to provide a conservation program for the Village.
  - The Village will provide a resolution to the SWCD that acknowledges this working agreement and provides documentation to facilitate dispersal of funds to the SWCD on an annual basis.
  - That the SWCD is a conservation technical and education service agency and therefore is not
-

granted regulatory authority in the Ohio Revised Code.

- That the working relationship will be defined to include lines of communications with appropriate departments. The SWCD and the Village will meet at least once a year to coordinate a work plan and exchange information with the goal of developing a multi-disciplinary approach to resource management.
- SWCD will provide a written annual report, relevant to its role, as outlined in this MOU.
- That credit will be given jointly to the SWCD and the Village in any conservation publications produced.
- That all parties will review quality of service and address concerns as they arise.
- The Village recognizes the SWCD's obligation to make its reports and other written materials available to the public on request in accordance with the Ohio Public Records Act.
- All services of the SWCD are offered on a non-discriminatory basis without regard to race, age, marital status, handicap, or political persuasion.

#### **Coordination between NEORSD and SWCD**

1. In accordance with Title V of NEORSD's Regional Stormwater Management Code, NEORSD will provide an appropriation in the amount of \$ 6,000 to the Village, which shall use such appropriation to pay the Cuyahoga SWCD to carry out the services set forth in this MOU.
2. NEORSD and SWCD shall jointly plan annual MCM #1 and MCM #2 activities.
3. SWCD shall provide the District with monthly reports of services provided to each community.

#### **Term, Renewal, Termination**

The term of this MOU shall commence on the date (the "Initial Effective Date") SWCD receives written notice from the Village, in a form approved by SWCD and in accordance with Sections 5705.41 and 5705.44 of the Ohio Revised Code, as applicable, indicating that the Village has agreed to grant funds, in an amount agreed to by the parties, to support SWCD's general operations for the following 12-month period (the "Initial Village Notice"). The parties acknowledge, understand, and agree that any such funding shall be for the purposes of the SWCD's providing Phase II services for a period of 12 *calendar* months following the Initial Effective Date (the "Initial MOU Term") and that this MOU shall terminate on the 12-month anniversary of the Initial Effective Date.

This MOU may be amended or terminated at any time by mutual consent of all parties.

INTRODUCED BY MAYOR AND COUNCIL

**A RESOLUTION OF CONDOLENCES TO THE FAMILY OF  
GLADYS M. RUFFIN**

**WHEREAS**, longtime resident of the Village of Oakwood, Gladys M. Ruffin, passed on to her eternal home, on Tuesday, December 15, 2020 at the age of 84; and

**WHEREAS**, born in Faunsdale, Alabama on April 21, 1936, she later moved to the Cleveland area where she met her loving husband, Deacon Jesse J. Ruffin, who preceded her into glory; and

**WHEREAS**, she and her husband built their dream home in Oakwood in 1973 and raised their children, Jesse Jr., Reynold, Gladys, Julia and Jonathan, in the admonition of the Lord; and

**WHEREAS**, she was lovingly and respectfully known as Mother Ruffin for her no-nonsense God-honoring ways. She instructed her children to attend church and honor God; she did not give them an option. Gladys was an avid prayer warrior and could be found fasting and praying for others while encouraging her children to do the same; and

**WHEREAS**, her April birthday was a spiritual celebration since she came to know Christ at a young age in the same month. Gladys' children and family accompanied her to church on what became known as "Family Day", to celebrate her spiritual birthday, even as adults; and

**WHEREAS**, Mother Ruffin walked out her faith even during her daily neighborhood strolls. While carrying a walking stick, she greeted each person she saw with a "Word from the Lord" until the year a black bear was spotted in the area. Although she did not see it, she would not walk the neighborhood again; and

**WHEREAS**, as the matriarch of the family, she always required love and unity. This was demonstrated when she suddenly appeared at a family gathering after being told by her doctor, she should not make the 16-hour drive to Alabama. To this day, no one knows what strings she pulled to get a flight out that day; and

**WHEREAS**, Mother Ruffin enjoyed cooking for her family and others. Matter of fact, Thanksgiving occurred every month of the year with turkey, homemade dressing, collard greens,

and sweet potato pie, which was a family favorite. She taught her family her culinary secrets to carry on the traditions; and

**WHEREAS**, Gladys would not watch television unless it had something to do with Christ. She was quoted to say, “I don’t want to look at that junk.” Also, for their anniversary, her husband gave her a full-length chinchilla coat and matching hat. Sometime later, seeing one of her relatives in need, she gave it to her, knowing she didn’t have a coat. She was quoted to say, “Silver and gold doesn’t mean anything, just give me Jesus”; and

**WHEREAS**, recently, while in a rehab center for strengthening, her son, Jesse, was able to have her moved to a more comfortable venue and was able to visit her daily. He prayed with her and listened as she enjoyed the music of her favorite artist, Mahalia Jackson. Mother Ruffin had a unique opportunity to spend time with all her family in a pandemic, through the technology of “Zoom”. She encouraged each one to continue on in their faith before transitioning into Heaven; even naming a successor to carry-on “Family Day”; and

**WHEREAS**, Gladys M. Ruffin’s rich legacy will live on in her children: Deacon Jesse J. Ruffin Jr. (Carolyn deceased), Deacon Reynold Ruffin (Diane), Dr. Julia Ruffin, Gladys M. Erkard (deceased) (James), and Jonathan Ruffin (Laura deceased), her nine grandchildren, her thirteen great-grandchildren, her church family, friends and neighbors; and

## A RESOLUTION OF CONDOLENCES TO THE FAMILY OF GLADYS M. RUFFIN

**WHEREAS**, longtime resident of the Village of Oakwood, Gladys M. Ruffin, passed onto her eternal home, on Tuesday, December 15, 2020 at the age of 84; and

**WHEREAS**, born in Faunsdale, Alabama on April 21, 1936, she later moved to the Cleveland area where she met her loving husband, Deacon Jesse J. Ruffin, who preceded her onto glory; and

**WHEREAS**, she and her husband built their dream home in Oakwood in 1973 and raised their children, Jesse Jr., Reynold, Gladys, Julia and Jonathan, in the admonition of the Lord; and

**WHEREAS**, she was lovingly and respectfully known as Mother Ruffin for her no-nonsense God-honoring ways. She instructed her children to attend church and honor God; she did not give them an option. Gladys was an avid prayer warrior and could be found fasting and praying for others while encouraging her children to do the same; and

**WHEREAS**, her April birthday was a spiritual celebration since she came to know Christ at a young age in the same month. Gladys' children and family accompanied her to church on what became known as "Family Day", to celebrate her spiritual birthday, even as adults; and

**WHEREAS**, Mother Ruffin walked out her faith even during her daily neighborhood strolls. While carrying a walking stick, she greeted each person she saw with a "Word from the Lord" until the year a black bear was spotted in the area. Although she did not see it, she would not walk the neighborhood again; and

**WHEREAS**, as the matriarch of the family, she always required love and unity. This was demonstrated when she suddenly appeared at a family gathering after being told by her doctor, she would not make the 16-hour drive to Alabama. To this day, no one knows what strings she pulled to get a flight out that day; and

**WHEREAS**, Mother Ruffin enjoyed cooking for her family and others. Matter of fact, Thanksgiving occurred every month of the year with turkey, homemade dressing, collard greens, and sweet potato pie, which was a family favorite. She taught her family her culinary secrets to carry on the traditions; and

**WHEREAS**, Gladys would not watch television unless it had something to do with Christ. She was quoted to say, "I don't want to look at that junk." Also, for their anniversary, her husband gave her a full-length chinchilla coat and matching hat. Sometime later, seeing one of her relatives in need, she gave it to her, knowing she didn't have a coat. She was quoted to say, "Silver and gold doesn't mean anything, just give me Jesus"; and

**WHEREAS**, recently, while in a rehab center for strengthening, her son, Jesse, was able to have her moved to a more comfortable venue and was able to visit her daily. He prayed with her and listened as she enjoyed the music of her favorite artist, Mahalia Jackson. Mother Ruffin had a unique opportunity to spend time with all her family in a pandemic, through the technology of "Zoom". She encouraged each one to continue in their faith before transitioning into Heaven; even naming a successor to carry-on "Family Day"; and

**WHEREAS**, Gladys M. Ruffin's rich legacy will live on in her children: Deacon Jesse J. Ruffin Jr. (Carolyn deceased), Deacon Reynold Ruffin (Diane), Dr. Julia Ruffin, Gladys M. Erkard (deceased) (James), and Jonathan Ruffin (Laura deceased), her nine grandchildren, her thirteen great-grandchildren, her church family, friends and neighbors; and

**NOW THEREFORE LET IT BE RESOLVED THAT** by the Village of Oakwood, County of Cuyahoga, and State of Ohio, that:

**SECTION 1.** The Village Council and Mayor wish to express their most sincere condolences to the family of Gladys M. Ruffin and hope the fond memories of such a fine, caring person comforts them in their loss.

**SECTION 2.** The Clerk is hereby authorized to present a copy of this resolution to the family of Gladys M. Ruffin.

**SECTION 3.** This Resolution shall be in full force and effect immediately upon its adoption by this Council and approved by the Mayor, otherwise from and after the earliest period allowed by law.

INTRODUCED BY MAYOR AND COUNCIL

**A RESOLUTION OF CONDOLENCES TO THE FAMILY OF  
GLOVER L. COATS**

**WHEREAS**, Glover L. Coats passed away peacefully on December 12, 2020 at the age of 82; and

**WHEREAS**, Glover was born on November 19, 1938 and grew up in Gadsden (Turkey Town), Alabama along with his siblings; Berta, Clarence, Forrest and Frances; and

**WHEREAS**, while in school he developed a passion for baseball and became an expert at intercepting high-fly baseballs from center field. Due to his speed and energy, he also excelled in track and field; and

**WHEREAS**, Bernice caught his eye while sitting under a shade tree at Forest Hill Park in Cleveland, Ohio and thereafter the relationship flourished. Glover took her to the high school prom and eventually the two were married. From the union they were blessed with two children; Angela and Reginald; and

**WHEREAS**, Glover and Bernice joined Zion Chapel Missionary Baptist Church in 1971. The two put their faith in Christ and taught their children the same. They all grew in their faith as a family unit. Later, he served as a faithful Trustee; and

**WHEREAS**, he received an honorable discharge from the U.S. Marine Corp. He continued to enjoy track and field and competed in the 100-, 200-, and 400-meter dash, relays, hurdles and pentathlons. As a member of the Over the Hill Track Club, he competed in the triple jump, winning national championships in some of his events; and

**WHEREAS**, his hard work and dedication were recognized and rewarded as an employee of the United States Post Office on several occasions as well as from the Orange City Schools where he received an Employee of the Year award. Even after retirement, he continued to be active by working as a groundkeeper and caddy at the Canterbury Golf Club in Shaker Heights, Ohio as spending time outdoors brought him great joy; and

**WHEREAS**, years after moving to Ohio, Grover learned he had a son, Gregory, from a previous marriage who had also served in the Marine Corp and shared his passion for track and field. They had good times together at track meets in Cleveland and around the country; and

**NOW THEREFORE LET IT BE RESOLVED THAT** by the Village of Oakwood, County of Cuyahoga, and State of Ohio, that:

**SECTION 1.** The Village Council and Mayor wish to express their most sincere condolences to the family of Glover L. Coats and hope the fond memories of such a fine, caring person comforts them in their loss.

**SECTION 2.** The Clerk is hereby authorized to present a copy of this resolution to the family of Glover L. Coats.
