FISCAL OFFICER'S CERTIFICATE

TO THE COUNCIL OF THE VILLAGE OF OAKWOOD, OHIO:

As fiscal officer of the Village of Oakwood, Ohio, I certify in connection with your proposed issue of not to exceed \$165,000 of notes (the Notes), to be issued in anticipation of the issuance of bonds (the Bonds), for the purpose of paying costs of acquiring real estate for Village purposes (the improvement), that:

1. The estimated life or period of usefulness of the improvement is at least five years.
2. The estimated maximum maturity of the Bonds, calculated in accordance with Section 133.20 of the Revised Code, is 30 years. If notes in anticipation of the Bonds are outstanding later than the last day of December of the fifth year following the year of issuance of the original issue of notes, the period in excess of those five years shall be deducted from that maximum maturity of the Bonds.
3. The maximum maturity of the Notes is 240 months from their date of issuance.

Dated: _____, 2020

Director of Finance
Village of Oakwood, Ohio

ORDINANCE NO. 2020-WS-06

INTRODUCED BY MAYOR AND COUNCIL AS A WHOLE

AN ORDINANCE PROVIDING FOR THE ISSUANCE AND SALE OF NOT TO EXCEED \$165,000 OF NOTES, IN ANTICIPATION OF THE ISSUANCE OF BONDS, FOR THE PURPOSE OF PAYING COSTS OF ACQUIRING REAL ESTATE FOR VILLAGE PURPOSES AND DECLARING AN EMERGENCY.

WHEREAS, the Director of Finance, as fiscal officer of the Village, has certified to this Council that the estimated life or period of usefulness of the improvement described in Section 1 is at least five years, the estimated maximum maturity of the Bonds described in Section 1 is 30 years and the maximum maturity of the Notes described in Section 3, to be issued in anticipation of the Bonds described in Section 1 is 240 months from their date of issuance;

NOW, THEREFORE, BE IT ORDAINED by the Council of the Village of Oakwood, Cuyahoga County, Ohio, that:

Section 1. Authorized Principal Amount of Anticipated Bonds; Purpose. It is necessary to issue bonds of the Village in an aggregate principal amount not to exceed \$165,000 (the Bonds) for the purpose of paying costs of acquiring real estate for Village purposes.

Section 2. Estimated Bond Terms. The Bonds shall be dated approximately September 1, 2021, shall bear interest at the now estimated rate of 5% per year, payable semiannually until the principal amount is paid, and are estimated to mature in 30 principal installments on August 1 of each year that are in such amounts that the total principal and interest payments on the Bonds in any fiscal year in which principal is payable are substantially equal. The first interest payment on the Bonds is estimated to be February 1, 2022, and the first principal payment of the Bonds is estimated to be August 1, 2023.

Section 3. Authorized Principal Amount of Notes; Dating; Interest Rate. It is necessary to issue and this Council determines that notes in an aggregate principal amount not to exceed \$165,000 (the Notes) shall be issued in anticipation of the issuance of the Bonds. The Notes shall be dated the date of issuance and shall mature one year from the date of issuance; provided that the Director of Finance may, if it is determined to be necessary or advisable to the sale of the Notes, establish a maturity date that is any date not later than one year from the date of issuance by setting forth that maturity date in the certificate awarding the Notes and signed in accordance with Section 6 (the Certificate of Award). The Notes shall bear interest at a rate not to exceed 5% per year (computed on the basis of a 360-day year consisting of 12 30-day months), payable at maturity or at any date of earlier prepayment as provided for in Section 4 and until the principal amount is paid or payment is provided for, subject to the paragraph immediately below. The aggregate principal amount of and rate of interest on the Notes shall be determined by the Director of Finance in the Certificate of Award.

If requested by the Original Purchaser (as defined in Section 6) and if the Director of Finance has determined it to be in the best interests of and financially advantageous to the Village to participate in the Treasurer of State's Ohio Market Access Program (as described in Section 6(c)), the Notes may provide that, in the event that the Village does not pay or make provision for payment at maturity of the debt charges on the Notes, the principal amount of the Notes shall bear interest at a different rate not to exceed the After Maturity Rate (as defined in the Standby Note Purchase Agreement defined and provided for in Section 6(c)) from the maturity date until the Village pays or makes provision to pay that principal amount.

Section 4. Payment of Debt Charges; Paying Agent; Prepayment. The debt charges on the Notes shall be payable in lawful money of the United States of America or in Federal Reserve funds of the United States of America, as determined by the Director of Finance in the Certificate of Award, and shall be payable, without deduction for services of the Village's paying agent, at the designated corporate trust office of U.S. Bank National Association or at the designated corporate trust office or other office of a bank or trust company designated by the Director of Finance, after determining that the payment at that bank or trust company will not endanger the funds or securities of the Village and that proper procedures and safeguards are available for that purpose, or at the office of the Director of Finance if agreed to by the Director of Finance and the Original Purchaser (the Paying Agent). If agreed to by the Original Purchaser, the Notes shall be prepayable without penalty or premium at the option of the Village at any time prior to maturity (the Prepayment Date) as provided in this Ordinance. Prepayment prior to maturity shall be made by deposit with the Paying Agent of the principal amount of the Notes together with interest accrued thereon to the Prepayment Date. The Village's right of prepayment shall be exercised by mailing a notice of prepayment, stating the Prepayment Date and the name and address of the Paying Agent, by certified or registered mail to the Original Purchaser and to the Paying Agent not less than seven days prior to the Prepayment Date. If money for prepayment is on deposit with the Paying Agent on the Prepayment Date following the giving of that notice, interest on the principal amount prepaid shall cease to accrue on the Prepayment Date. The Director of Finance may request the Original Purchaser to use its best efforts to arrange for the delivery of the Notes at the designated office of the Paying Agent for prepayment, surrender and cancellation.

Section 5. Execution of Notes; Book Entry System. The Notes shall be signed by the Mayor and the Director of Finance, in the name of the Village and in their official capacities, provided that one of those signatures may be a facsimile. The Notes shall be issued in the denominations and numbers as requested by the Original Purchaser and approved by the Director of Finance. The entire principal amount may be represented by a single note and may be issued as fully registered securities (for which the Director of Finance will serve as note registrar) and in book entry or other uncertificated form in accordance with Section 9.96 and Chapter 133 of the Revised Code if it is determined by the Director of Finance that issuance of fully registered securities in that form will facilitate the sale and delivery of the Notes. The Notes shall not have coupons attached, shall be numbered as determined by the Director of Finance and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to this Ordinance. As used in this Section and this Ordinance:

"Book entry form" or "book entry system" means a form or system under which (i) the ownership of beneficial interests in the Notes and the principal of, and interest on, the Notes may be

transferred only through a book entry, and (ii) a single physical Note certificate is issued by the Village and payable only to a Depository or its nominee, with such Notes deposited and maintained in the custody of the Depository or its agent for that purpose. The book entry maintained by others than the Village is the record that identifies the owners of beneficial interests in the Notes and that principal and interest.

“Depository” means any securities depository that is a clearing agency under federal law operating and maintaining, with its Participants or otherwise, a book entry system to record ownership of beneficial interests in the Notes or the principal of, and interest on, the Notes and to effect transfers of the Notes, in book entry form, and includes and means initially The Depository Trust Company (a limited purpose trust company), New York, New York.

“Participant” means any participant contracting with a Depository under a book entry system and includes security brokers and dealers, banks and trust companies, and clearing corporations.

The Notes may be issued to a Depository for use in a book entry system and, if and as long as a book entry system is utilized, (i) the Notes may be issued in the form of a single Note made payable to the Depository or its nominee and deposited and maintained in the custody of the Depository or its agent for that purpose; (ii) the beneficial owners in book entry form shall have no right to receive the Notes in the form of physical securities or certificates; (iii) ownership of beneficial interests in book entry form shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of beneficial interests shall be made only by book entry by the Depository and its Participants; and (iv) the Notes as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the Village.

If any Depository determines not to continue to act as a Depository for the Notes for use in a book entry system, the Director of Finance may attempt to establish a securities depository/book entry relationship with another qualified Depository. If the Director of Finance does not or is unable to do so, the Director of Finance, after making provision for notification of the beneficial owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Notes from the Depository, and shall cause the Notes in bearer or payable to order form to be signed by the officers authorized to sign the Notes and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of Village action or inaction, of those persons requesting such issuance.

The Director of Finance is also hereby authorized and directed, to the extent necessary or required, to enter into any agreements determined necessary in connection with the book entry system for the Notes, after determining that the signing thereof will not endanger the funds or securities of the Village.

Section 6. Award and Sale of the Notes.

(a) To the Original Purchaser. The Notes shall be sold at not less than par plus accrued interest to the original purchaser designated by the Director of Finance in the Certificate of Award (the Original Purchaser) in accordance with law and the provisions of this Ordinance. The Director

of Finance shall sign the Certificate of Award evidencing that sale to the Original Purchaser, cause the Notes to be prepared, and have the Notes signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Notes if requested by the Original Purchaser, to the Original Purchaser upon payment of the purchase price. The Mayor, the Director of Finance, the Director of Law, the Clerk of Council and other Village officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements, paying agent agreement, note purchase agreement, placement agent agreement, term sheet and other commitments, documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance. The Director of Finance is authorized, if it is determined to be in the best interest of the Village, to combine the issue of Notes with one or more other note issues of the Village into a consolidated note issue pursuant to Section 133.30(B) of the Revised Code.

(b) Application for Rating; Financing Costs. The Director of Finance is authorized to request a rating for the Notes from one or more nationally-recognized rating agencies in connection with the sale and issuance of the Notes. The expenditure of the amounts necessary to secure those rating(s) and to pay the other financing costs (as defined in Section 133.01 of the Revised Code) in connection with the Notes is authorized and approved, and the Director of Finance is authorized to provide for the payment of any such amounts and costs from the proceeds of the Notes to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

(c) Ohio Market Access Program. If the Director of Finance determines in the Certificate of Award for it to be in the best interest of and financially advantageous to the Village, the Village shall participate in the Treasurer of State's Ohio Market Access Program.

The Standby Note Purchase Agreement (Standby Note Purchase Agreement) and Paying Agent Agreement (Paying Agent Agreement) are hereby authorized in the forms presented to this Council with such changes not materially adverse to the Village as may be approved by the officers of the Village executing the Standby Note Purchase Agreement and Paying Agent Agreement. The Village acknowledges the agreement of the Treasurer of State in the Standby Note Purchase Agreement that, in the event the Village is unable to repay the principal amount and accrued and unpaid interest of the Notes at their maturity, whether through its own funds or through the issuance of other obligations of the Village, the Treasurer of State agrees (A) to purchase the Notes from the holders or beneficial owners thereof upon their presentation to the Treasurer of State for such purchase at a price of par plus accrued interest to maturity or (B) to purchase renewal notes of the Village in a principal amount not greater than the principal amount of the Notes plus interest due at maturity, with such renewal notes bearing interest at the Renewal Note Rate (as defined in the Standby Note Purchase Agreement), maturing not more than one year after the date of their issuance, and being prepayable at any time with 30 days' notice, provided that in connection with the Treasurer of State's purchase of such renewal notes the Village shall deliver to the Treasurer of State an unqualified opinion of nationally recognized bond counsel that (i) such renewal notes are the legal, valid and binding general obligations of the Village, and the principal of and interest on such renewal notes, unless paid from other sources, are to be paid from the proceeds of the levy of ad valorem taxes, within the ten-mill limitation imposed by law, on all property subject to ad valorem taxes levied by the Village and (ii) interest on the renewal notes is excluded from gross

income for federal income tax purposes under Section 103 of the Internal Revenue Code, as amended, to the same extent that interest on the Notes is so excluded.

The officers signing the Notes are authorized to take all actions that may in their judgment reasonably be necessary to provide for the Standby Note Purchase Agreement, including but not limited to the inclusion of a notation on the form of the Notes providing notice to the holders or beneficial owners of the existence of the Standby Note Purchase Agreement and providing instructions to such holders or beneficial owners regarding the presentation of the Note for purchase by the Treasurer of State at stated maturity.

Section 7. Application of Note Proceeds. The proceeds from the sale of the Notes, except any premium and accrued interest, shall be paid into the proper fund or funds and those proceeds are appropriated and shall be used for the purpose for which the Notes are being issued. Any portion of those proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.

Section 8. Application and Pledge of Bond or Renewal Note Proceeds or Excess Funds. The par value to be received from the sale of the Bonds or of any renewal notes and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used to pay the debt charges on the Notes at maturity and are pledged for that purpose.

Section 9. Provisions for Tax Levy. During the year or years in which the Notes are outstanding, there shall be levied on all the taxable property in the Village, in addition to all other taxes, the same tax that would have been levied if the Bonds had been issued without the prior issuance of the Notes. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Notes or the Bonds when and as the same fall due. In each year, to the extent money from the municipal income tax is available for the payment of the debt charges on the Notes and Bonds and is appropriated for that purpose, the amount of the tax shall be reduced by the amount of the money so available and appropriated in compliance with the covenant hereinafter set forth. To the extent necessary, the debt charges on the Notes and Bonds shall be paid from municipal income taxes lawfully available therefor under the Constitution and laws of the State of Ohio and the Village's Charter; and the Village hereby covenants, subject and pursuant to such authority, including particularly Sections 133.05(B)(7) and 5705.51(A)(5) and (D) of the Revised Code, to appropriate annually from such municipal income taxes such amount as is necessary to meet such annual debt charges.

Nothing in this Section in any way diminishes the pledge of the full faith and credit and property taxing power of the Village to the prompt payment of the debt charges on the Notes.

Section 10. Federal Tax Considerations. The Village covenants that it will use, and will restrict the use and investment of, the proceeds of the Notes in such manner and to such extent as

may be necessary so that (a) the Notes will not (i) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Internal Revenue Code of 1986, as amended (the Code), or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (b) the interest on the Notes will not be an item of tax preference under Section 57 of the Code.

The Village further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Notes to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Notes to the governmental purposes of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of those proceeds and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Director of Finance, as the fiscal officer, or any other officer of the Village having responsibility for issuance of the Notes is hereby authorized (a) to make or effect any election, selection, designation (including specifically designation of the Notes as “qualified tax-exempt obligations” if such designation is applicable and desirable, and to make any related necessary representations and covenants), choice, consent, approval, or waiver on behalf of the Village with respect to the Notes as the Village is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Notes or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments of penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the Village, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Notes, and (c) to give one or more appropriate certificates of the Village, for inclusion in the transcript of proceedings for the Notes, setting forth the reasonable expectations of the Village regarding the amount and use of all the proceeds of the Notes, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Notes. .

Section 11. Certification and Delivery of Ordinance and Certificate of Award. The Clerk of Council is directed to deliver or cause to be delivered a certified copy of this Ordinance and a copy of the signed Certificate of Award to the Cuyahoga County Fiscal Officer.

Section 12. Satisfaction of Conditions for Note Issuance. This Council determines that all acts and conditions necessary to be done or performed by the Village or to have been met precedent to and in the issuing of the Notes in order to make them legal, valid and binding general obligations of the Village have been performed and have been met, or will at the time of delivery of the Notes have been performed and have been met, in regular and due form as required by law; that the full faith

and credit and general property taxing power (as described in Section 9) of the Village are pledged for the timely payment of the debt charges on the Notes; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Notes.

Section 13. Retention of Bond Counsel. The legal services of Squire Patton Boggs (US) LLP, as bond counsel, be and are hereby retained. The legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the issuance and sale of the Notes and the rendering of the necessary legal opinion upon the delivery of the Notes. In rendering those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of the Village in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the Village or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those legal services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those legal services. The Director of Finance is authorized to provide for the payment of those fees and any reimbursements from the proceeds of the Notes to the extent available and otherwise is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

Section 14. Retention of Municipal Advisor. The services of MAS Financial Advisory Services LLC, as municipal advisor, be and are hereby retained. The municipal advisory services shall be in the nature of financial advice and recommendations in connection with the issuance and sale of the Notes. In rendering those municipal advisory services, as an independent contractor, that firm shall not exercise any administrative discretion on behalf of the Village in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the Village or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those municipal advisory services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those municipal advisory services. The Director of Finance is authorized to provide for the payment of those fees and any reimbursements from the proceeds of the Notes to the extent available and otherwise is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

Section 15. Compliance with Open Meeting Requirements. This Council finds and determines that all formal actions of this Council and any of its committees concerning and relating to the passage of this Ordinance were taken in an open meeting of this Council or of any of its committees, and that all deliberations of this Council and of any committees that resulted in those formal actions were in meetings open to the public, all in compliance with the law.

Section 16. Captions and Headings. The captions and headings in this Ordinance are solely for convenience of reference and in no way define, limit or describe the scope or intent of any Sections, subsections, paragraphs, subparagraphs or clauses hereof. Reference to a Section means a section of this Ordinance unless otherwise indicated.

Section 17. Declaration of Emergency; Effective Date. This Ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health and safety of the Village, and for the further reason that this Ordinance is required to be immediately effective so that the Notes can be sold and issued at an early date to make their proceeds available to enable the Village to enter into a contract for the acquisition of the improvement, which is required for Village purposes and needed to better protect the health and safety of Village residents; wherefore, this Ordinance shall be in full force and effect immediately upon its passage and approval by the Mayor.

CLERK'S CERTIFICATE

I, the undersigned Clerk of Council of the Village of Oakwood, County of Cuyahoga, Ohio, do hereby certify that the foregoing Ordinance No. 2020-_____ was (i) duly and regularly passed by this Council at a meeting held on _____, 2020, and (ii) duly posted on _____, 2020, and will remain so posted for a period of 15 days thereafter in the Council Chambers and in not less than five of the most public places in the municipality, as determined by the Council of said Village.

Dated: _____, 2020

Clerk of Council
Village of Oakwood, Ohio

ORDINANCE NO. 2021- *45-05*

INTRODUCED BY MAYOR AND COUNCIL AS A WHOLE

AN ORDINANCE AUTHORIZING THE ESTABLISHMENT OF AN EXTERIOR HOME REPAIR ASSISTANCE PROGRAM FOR SINGLE FAMILY PROPERTIES LOCATED IN THE VILLAGE.

WHEREAS, it is the finding of the Mayor and Council, based upon a variety of information and factors including a Housing Study performed by Chagrin Valley Engineering dated December 2018 and significant economic development planned for the Village, that it would be beneficial to the residents of the Village to provide incentives and assistance to owners of single family housing units within the Village in performing exterior repairs and maintenance to their properties; and,

WHEREAS, the Village has successfully implemented an Exterior Home Repair Assistance Program in Ordinance No. 2019-22 for residents of Ward 4;

NOW, THEREFORE, BE IT ORDAINED by the Council of the Village of Oakwood, County of Cuyahoga, and State of Ohio that:

SECTION 1: The Mayor and Council hereby authorize the establishment of the Oakwood Exterior Home Repair Program (hereinafter "the Program") for the years 2024 through and including 2028 to be administered by the Mayor or his authorized designee.

SECTION 2: Participants eligible for the Program shall be owners of single family residences located in all Wards of the Village other than Ward 4 who shall submit applications on forms developed by the Administrator for reimbursement of 75 % of qualifying expenses for exterior upgrades or repairs up to a total reimbursement of \$3,000.00 (75% of total project costs of \$4,000.00) for owner-occupied properties. Participation shall be limited to a total yearly expenditure of \$80,000.00 for the years 2024 through 2026 and \$150,000.00 per year for the years 2027 through 2031 for a total expenditure of \$990,000.00.

SECTION 3: The foregoing funds shall be apportioned between the Wards according to a formula in which the total number of single-family structures in each Ward is the numerator and total number of single family structures in the Village excluding Ward 4 (957) is the denominator as follows:

Ward 1:	$258/957 = 26.96 = 27\%$
Ward 2:	$333/957 = 34.80 = 35\%$
Ward 3:	$213/957 = 22.26 = 23\%$
Ward 5:	$128/957 = 13.38 = 15\%$

SECTION 4: All applications and expenditures shall be subject to approval by Council. Further criteria are set forth in Exhibit "A" attached hereto.

SECTION 5: Council hereby appropriates sufficient funds to effectuate the provisions contained in Section 2 hereof and the Director of Finance is hereby authorized to transfer the funds necessary to complete this expenditure from the available funds of the Village. The Director of Finance is hereby further authorized to issue the fiscal officer's certificate necessary to make the expenditures as described in Section 2 hereof and is further directed to issue vouchers of the Village in the amounts and for the purposes expressed in Section 2 hereof, said amounts to be charged to the appropriately designated Fund.

SECTION 6: This ordinance shall take effect at the earliest time allowed by law.

DATED: _____

OAKWOOD EXTERIOR HOME REPAIR PROGRAM

Purpose

To maintain and improve the physical condition and aesthetics of single family properties located in the Village thereby benefitting the entire Village.

Program Summary

- Participants eligible for the program shall be owners of single-family residences in the Village with the exception of Ward 4 which has already benefitted from an exterior home repair program approved in Ordinance No. 2019-22. Owners shall submit applications on forms developed by the Program Administrator.
- Participants may be eligible for reimbursement of 75 % of qualifying expenses for exterior upgrades or repairs up to a total reimbursement of \$3,000.00 (75% of total project costs of \$4,000.00) for owner-occupied properties.
- Participation shall be limited to a total yearly expenditure of \$80,000.00 for the years 2024 through 2026 and \$150,000.00 per year for the years 2027 through 2031.
- The funds shall be apportioned among the Wards according to the number of single-family structures in the Ward compared to the total number of single family structures in the Village excluding Ward 4 which equates to the following:

Ward 1: $258/957 = 27\%$

Ward 2: $333/957 = 35\%$

Ward 3: $213/957 = 23\%$

Ward 5: $128/957 = 15\%$

- Eligibility is limited to one (1) award per address during the term of the program.
- All work must be performed by qualified contractors who are licensed, bonded, insured and registered with the Village of Oakwood.
- Any applications not acted upon by Council because authorized funding has been committed for the year will be carried over to the following year unless withdrawn by the applicant.
- All applications and expenditures shall be subject to approval by Council.

Eligible Repairs and Improvements

Eligible projects may include exterior improvements such as roof repairs, siding replacement, siding repairs and/or painting, window replacements, installation or repair of driveways, new shutters, gutters and downspouts, pruning or removal of nuisance trees, etc. Improvements must comply with all applicable planning, zoning, building and other code regulations including all inspections and payment of any associated permit fees.

Reimbursement

Property owners are eligible for reimbursements as outlined above after submitting an application to the Program Administrator or his designee, an inspection of the improvements by the Chief Building Official or his designee, proof that all contractors and suppliers have been paid in full for services and materials provided for the project and Council approval.

ORDINANCE NO. 2021-WS-06

INTRODUCED BY MAYOR AND COUNCIL AS A WHOLE

AN ORDINANCE AMENDING ORDINANCE 2019-22 AUTHORIZING THE ESTABLISHMENT OF AN EXTERIOR HOME REPAIR ASSISTANCE PROGRAM FOR SINGLE FAMILY PROPERTIES LOCATED IN WARD 4.

WHEREAS, it is the finding of the Mayor and Council, based upon a variety of information and factors including a Housing Study performed by Chagrin Valley Engineering dated December 2018 and significant economic development planned for Ward 4, that it would be beneficial to the residents of Ward 4 and the Village as a whole to provide incentives and assistance to owners of single-family housing units within Ward 4 in performing exterior repairs and maintenance to their properties; and

WHEREAS, Council has determined that economic circumstances and other developments within the Village have necessitated modifications to the Exterior Home Repair Assistance Program for residents of Ward 4 established in Ordinance 2019-22;

NOW, THEREFORE, BE IT ORDAINED by the Council of the Village of Oakwood, County of Cuyahoga , and State of Ohio that:

SECTION 1: That Ordinance 2019-22 which presently reads as follows:

SECTION 1: The Mayor and Council hereby authorize the establishment of the Ward 4 Exterior Home Repair Program (hereinafter "the Program") for the years 2019 through and including 2023 to be administered by the Mayor or his authorized designee.

SECTION 2: Participants eligible for the Program shall be owners of single family residences in Ward 4 who shall submit applications on forms developed by the Administrator for reimbursement of 75 % of qualifying expenses for exterior upgrades or repairs up to a total reimbursement of \$3,000.00 (75% of total project costs of \$4,000.00). Participation shall be limited to 27 applications and a total yearly expenditure of \$80,000.00 for the year 2019 and thereafter 40 applications per year and total yearly expenditures of \$135,000.00. All applications and expenditures shall be subject to approval by Council. Further criteria are set forth in Exhibit "A" attached hereto.

SECTION 3: Council hereby appropriates sufficient funds to effectuate the provisions contained in Section 2 hereof and the Director of Finance is hereby authorized to transfer the funds necessary to complete this expenditure from the available funds of the Village. The Director of Finance be and is hereby further

authorized to issue the fiscal officer's certificate necessary to make the expenditures as described in Section 2 hereof and is further directed to issue vouchers of the Village in the amounts and for the purposes expressed in Section 2 hereof, said amounts to be charged to the appropriately designated Fund.

SECTION 4: This Ordinance is hereby declared to be an emergency measure immediately necessary for the preservation of the public peace, health, safety and welfare of the inhabitants of the Village or Oakwood being that the foregoing repairs and upgrades are necessary to preserve the environment and economic well-being of the Village and therefore this Ordinance shall take effect and be in force immediately upon its adoption and approval by the Mayor provided it receives at least five affirmative votes of the members of Council; otherwise, it shall take effect and be in force from and after the earliest period allowed by law.

be and hereby is amended to read as follows:

SECTION 1: The Mayor and Council hereby authorize the establishment of the Ward 4 Exterior Home Repair Program (hereinafter "the Program") for the years 2022 through and including 2026 to be administered by the Mayor or his authorized designee.

SECTION 2: Participants eligible for the Program shall be owners of single family residences in Ward 4 who shall submit applications on forms developed by the Administrator for reimbursement of 75 % of qualifying expenses for exterior upgrades or repairs up to a total reimbursement of \$3,000.00 (75% of total project costs of \$4,000.00). Participation shall be limited to 27 applications per year and a total yearly expenditure of \$80,000.00. All applications and expenditures shall be subject to approval by Council. Further criteria are set forth in Exhibit "A" attached hereto.

SECTION 3: Council hereby appropriates sufficient funds to effectuate the provisions contained in Section 2 hereof and the Director of Finance is hereby authorized to transfer the funds necessary to complete this expenditure from the available funds of the Village. The Director of Finance be and is hereby further authorized to issue the fiscal officer's certificate necessary to make the expenditures as described in Section 2 hereof and is further directed to issue vouchers of the Village in the amounts and for the purposes expressed in Section 2 hereof, said amounts to be charged to the appropriately designated Fund.

SECTION 4: The present version of Ordinance 2109-22 be and hereby is repealed.

SECTION 4: This Ordinance shall take effect at the earliest time permitted by law.

OAKWOOD, LLC AND DECLARING AN EMERGENCY**

WHEREAS, the Village Oakwood (hereinafter “Oakwood”) and Premier Oakwood, LLC (hereinafter “Premier”) deem it advantageous to each of them to develop property located at the intersection of Alexander Road and Macedonia Road in the Village as more fully described in the Project Development Agreement (hereinafter “Agreement”) attached hereto and incorporated herein as Exhibit “A”; and,

WHEREAS, Oakwood and Glenwillow and Oakwood have agreed in principle to the terms of said Agreement;

NOW THEREFORE, BE IT RESOLVED by the Council of the Village of Oakwood, County of Cuyahoga, and State of Ohio that:

SECTION 1. The Mayor be and is hereby authorized to enter into the Agreement, a copy which is attached hereto and expressly made a part hereof by reference and marked Exhibit "A".

SECTION 2. This Ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety and welfare of the inhabitants of the Village, the reason for the emergency being that the Agreement permits the Village to take advantage of time-sensitive development opportunities for the economic well-being of the Village and its residents which opportunities are imperiled by undue delay and, therefore, provided it receives two-thirds ($\frac{2}{3}$) of the vote of all members of Council elected thereto, said Ordinance shall be in full force and effect immediately upon its adoption by this Council and approval by the Mayor, otherwise from and after the earliest period allowed by law.

RECITALS

A. The Village has previously acquired property consisting of approximately 23.29 acres of land located and situated in the Village, as further described on Exhibit A-1 attached hereto and incorporated herein (the “Village Land”), Developer owns the real property located and situated in the Village, as further described on Exhibit A-2 attached hereto and incorporated herein (“Developer Properties”), and Developer as buyer, has entered into certain purchase agreements to purchase property located and situated in the Village of Oakwood, Cuyahoga County, Ohio, as further described on Exhibit A-3 attached hereto and incorporated herein. Developer also intends to purchase additional land adjoining or contiguous to the land in Exhibit A-1 through A-3 or contiguous to such additional land so purchased (“Additional Property-Not Owned or Under Contract”) (all such real property whether identified in Exhibits A-1 through A-3 and Additional Property-Not Owned or Under Contract (only to the extent subsequently acquired by Developer), collectively with the Village Land, being referred to herein as the “Project Site”).

B. The Developer intends to improve the Project Site following its acquisition of all the parcels comprising the Project Site by constructing or causing to be constructed a commercial real estate project (the “Private Improvements”), consisting of buildings and other commercial real estate components consistent with the applicable zoning code, along with related landscaping and improvements, as further described on Exhibit B. The improvement of the Project Site with the Private Improvements is referred to herein as the “Development”. In no event shall the Private Improvements be deemed to include any portion of the Public Improvements (hereinafter defined) or include improvements in various public rights-of-way located within the Project Site.

C. Certain public infrastructure improvements are required in order for Developer to proceed with the development of the Project Site, which include grading, a public road, utilities, and other infrastructure as further described in more detail on Exhibit C attached hereto (collectively, the “Public Improvements”). The Public Improvements include certain improvements to certain portions of the Project Site.

D. The Village has determined that the construction of the Public Improvements to support and enable the Development of the Project Site, and the fulfillment generally of this Agreement and the Development of the Project Site, are in the best interests of the Village and necessary for economic development purposes and the health, safety and welfare of its residents, and are necessary for the purpose of enhancing the availability of adequate commercial space, parking, creating jobs and employment opportunities, and improving the economic welfare of the people of the Village.

E. The Village has created a "Community Reinvestment Area" or "CRA" pursuant to R.C. 3735.65 et. Seq., known as Oakwood Community Reinvestment Area No. 1, which encompasses the Project Site and which has been determined to be in the best interests of the Village and necessary for economic development purposes, and the health, safety and welfare of its residents.

F. Pursuant to Ohio Revised Code Sections 5709.41 et. Seq., the Village Council (the "Council") intends to adopt an ordinance and as the same may be further amended or expanded from time to time (as so amended or expanded, the "TIF Ordinance") to exempt from real property taxation the incremental increase in assessed value of the Project Site ("Improvements") resulting from the Development and providing: (1) that the Development is a public purpose necessary for the economic development of the Project Site; (2) for the payment of service payments in lieu of taxes (the "Service Payments") by the Owner of the Project Site (initially the Developer) and any successors in interest to any portion of the Project Site (collectively, the "Owners"), as obligations running with the land for the duration of the Covenant Period (as hereinafter defined), with respect to "Improvements" (as defined in ORC 5709.41 and the TIF Ordinance) to the parcels of real property comprising the Project Site; and (3) for the use of the Service Payments to pay for a portion of the costs of the Development.

G. In furtherance of the Development, and to benefit the people of the Village through the creation of jobs and employment opportunities, and thereby improving the economic welfare of the people of the Village, the Council intends to provide certain job creation tax credits to employers who establish businesses on the Project Site, pursuant to the existing Oakwood Job Creation Tax Credit program.

H. This Agreement is conditioned upon the binding non-appealable adoption on or prior to February 28, 2021 by all necessary governmental bodies and/or agencies in accordance with the respective terms of each of the following: (i) TIF Ordinance; (ii) CRA Exemption (as hereinafter defined); and CRA Exemption (as hereinafter defined) (collectively, the "Conditions of Effectiveness"). Absent the timely satisfaction of the Conditions of Effectiveness, Developer may terminate this Agreement unless caused by the fault or delay of the Developer.

In consideration of the foregoing Recitals and as an inducement to and in consideration of the conditions and covenants contained in this Agreement, the parties agree as follows:

Article I

Development of the Project Site

Section 1.01 Transfer/Sale of Village Land; Private Improvements. The Village hereby agrees to sell to the Developer, and the Developer agrees to purchase from the Village, the Village Land for the sum of \$1,005,000.00 (One Million Five Thousand Dollars), plus Village's carrying cost, which is presently \$105,795.76, but will be updated as of the date of closing (the "Purchase Price"). Title to the Village Land shall be transferred by the Village to the Developer [or its designee] pursuant to Limited Warranty Deed upon payment to the Village of the Purchase Price. Following acquisition of the Village Land, Developer agrees to construct or cause to be constructed the Private Improvements on the Project Site, to consist initially of a commercial building (which

as originally constructed or as expanded) to be no less than 250,000 square feet ("Phase 1"), a second phase ("Phase 2") to consist of a second commercial building of no less than 100,000 square feet and (a third phase ("Phase 3") to consist of a third commercial building of no less than 100,000 square feet. Developer shall endeavor to locate the Phase 1 and Phase 2 buildings (with surface parking on the Project Site) such that a Phase 3 building (with required surface parking) could be reasonably located at the Project Site. Notwithstanding the foregoing, Developer shall have the right to alter or forgo the proposed use of any parcels comprising the Project Site from time to time, the location of any proposed buildings, or the construction of Phase 3, subject to the prior written consent of the Village, which shall not be unreasonably withheld based upon factors which include, without limitation, taking into account, demand for such space in the marketplace, ability to complete such buildings with surface parking only, ability to raise capital and secure both construction and capital upon acceptable terms, economic circumstances, the requirements which may be imposed by tenants, the negative effects of wetlands within and upon the Project, and such other marketplace factors (collectively, "Non-Inclusive Feasibility Factors") as well as compliance with the Village codes, rules and regulations, in which case this Agreement shall automatically and without further action of the Village and the Developer be deemed amended so as to reflect the revisions provided in the permits and plats so approved. Absent the aforesaid written consent of the Village as to such modifications, the Village shall have no obligation to provide State of Ohio Job Creation Tax Credits ("JCTC") to the end-users or tenants of their respective future areas within the buildings upon the Project Site where a revised proposed use has not been consented to per the immediately preceding sentence. In addition, Developer may construct or cause the construction of additional buildings as part of the Development, to the extent deemed economically viable by Developer and determined by the Village to be in compliance with the Village codes, rules and regulations. To the extent that any portion of the Private Improvements constitute improvements to be made or constructed by third parties for their own account after purchasing or long-term ground leasing a portion of the Project Site from Developer (individually, a "Purchasing Party" and collectively, the "Purchasing Parties"), Developer shall be deemed to have satisfied its obligations under the provisions of this Section 1.01 if (x) Developer has secured the prior written consent of the Village as to a purchase or long-term ground lease, which shall not be unreasonably withheld, (y) the Purchasing Party closes on the sale/long-term ground lease of a portion of the Project Site with the intent that the Purchasing Party construct a building and other improvements on the portion of the Project Site purchased from Developer and/or its affiliate in compliance with the Village codes, rules and regulations, and (z) simultaneously with such occurrence of the closing in clause (y), a memorandum of title is recorded as to such conveyed or leased property providing for the proportionate obligations of Developer under this Agreement to run with the conveyed land with such instrument subject to the reasonable consent of the Village, which shall not be unreasonably withheld. Developer shall have the right to assign this Agreement as part of mortgage borrowing against the Property provided prior to the recording of any such mortgage, there shall first be a memorandum of title consistent with clause (z) above recorded upon the applicable portion of the Property which is subject to the mortgage.

The parties further recognize that it may be advisable for the Developer to transfer title to the Village and for the Village to transfer title back to the Developer all or portions of the Project Site other than the Village Land in order to enact the TIF Ordinance or to amend and expand the property which is the subject of the TIF Ordinance and the parties agree to cooperate in that regard.

Section 1.02 Job Creation. The Developer will endeavor, as the parties agree that the overall market will dictate the ultimate size, scope and nature of the Development, towards the goal that the Development when completed creates approximately Forty Million Dollars (\$40,000,000) per year in annual payroll in the Village. Such job creation will be sought in increments based on tenant occupancy and will be reflected in applications by tenants to the Village for JCTC. The Village acknowledges and agrees that the Developer has no control over such job creation, but only reasonable expectations therefor, and that job creation by any tenants of Developer or occupants of the Private Improvements and by all Purchasing Parties will be attributable to the Developer for purposes of this Section 1.02. Requirements for job creation will be provided in any JCTC, and failure to meet such requirements shall impact only such individual tenant's JCTC, so that once an individual tenant has committed to occupancy and job creation, its failure to continue to do so will not jeopardize the economic expectations of other existing or other future tenants who are meeting their respective job creation targets. Notwithstanding the foregoing, Developer agrees to reasonably endeavor to maximize job creation by pursuing a tenant mix designed to promote and increase job creation while maintaining the economic viability of the Development.

Section 1.03 Public Improvements. The parties acknowledge that the Public Improvements (identified in Exhibit C) on and adjacent to the Project Site are necessary for the Development and will directly benefit the Project Site and the surrounding area. The Village and Developer shall each respectively cause the construction of and pay for the Public Improvements as described on Exhibit C. Provided that Developer has secured the prior written consent of the Village, which shall not be unreasonably withheld, Developer shall have the right to revise the Plans and Specifications relating to Public Improvements located on the Project Site and the provisions of Exhibit B with respect thereto from time to time based upon economic circumstances and the requirements which may be imposed by tenants and Purchasing Parties (as defined in Section 1.01) subject to (x) compliance with the Village codes, rules and regulations, and (y) the Village's reasonable determination that the Public Improvements as so revised directly benefit the Project Site and the surrounding area and are consistent with the TIF Ordinance, and this Agreement shall be automatically and without further action of the Village and the Developer deemed amended so as to reflect the revisions provided in the permits and plats so approved. Developer acknowledges that any revisions to Public Improvements which are not located on the Project Site (the "Off-Site Improvements") are subject to the reasonable approval of the Council, and such approval by the Council shall automatically and without further action of the Village and the Developer be deemed to amend this Agreement so as to reflect the revisions approved by the Council.

The Village agrees that, in connection with any Off-Site Improvements, it shall undertake such action as may be necessary or desirable to obtain title to such real property as is necessary for the construction of the Off-Site Improvements, with such acquisition to be at the lowest cost, in light of the schedule for construction of such Off-Site Improvements, as reasonably determined by the Council. The Village agrees to consult with the Developer in connection with such costs and to work cooperatively to control the cost of such acquisition.

Section 1.04 Costs of Improvements. The Developer agrees that the cost for (a) the Phase 1 Private Improvements is currently estimated to be approximately \$20,000,000, and (b) the Public Improvements is currently estimated to be approximately \$1,500,000.00, representing a total initial

investment cost for Phase I of the Development of approximately \$21,500,000. The Village will use best efforts to apply for grants from the Ohio Department of Transportation and other sources (i) as to the roadway, up to the sum of \$700,000 and (ii) covering the cost of the signalization (estimated to be \$125,000 to \$150,000), which grants are intended to partially pay for costs of the Public Improvements, provided that the Village shall have no responsibility to pay all or any portion of such roadway or signalization costs if grants are not awarded. To the extent not covered by a grant(s), Developer shall be responsible for payment of all remaining costs of the roadway. To the extent not covered by a grant(s) the Developer shall be responsible for the costs of signalization which may, at the option of the Developer, be paid by the Village and assessed against the Property. The costs of the Private Improvements may be paid either directly by Developer or through financing arranged by Developer. It is anticipated that Developer may obtain reimbursement for and/or payment of costs of the Private Improvements, to the extent eligible, through financing supported by assignment of the portion of the funds in the TIF Fund (as defined in Section 2.01) which are otherwise payable to Developer. Developer shall have the right to pledge Developer's share of the TIF Funds.

Section 1.05 Construction. Construction of the Public Improvements shall commence no later than December 31, 2021 ("Commencement Date") provided that this Agreement is executed and delivered, the TIF Ordinance and Tax Abatement Package is finalized no later than February 28, 2021, otherwise the Commencement Date shall be as commercially practicable as weather permits in 2021, and shall be substantially complete ("Completion") as set forth in Exhibit C (the "Completion Date"), provided however, roadway can be delayed until a tenant is secured by Developer. In the event that the roadway construction has not been commenced by July 31, 2021, Developer shall commence on or before such date the installation of landscaping of the area adjacent to the future intersection of the roadway with Alexander Road, including the movement thereto of the Village's historical arches, and expend a minimum of Fifty Thousand and 00/100 Dollars (\$50,000.00) toward said landscaping and improvements. Commencement of construction of the Public Improvements and the Private Improvements shall be subject to compliance with Legal Requirements (as hereinafter defined). The Developer and the Village agree to work in good faith to amend the Project Schedule as necessary to account for delays occasioned by economic and other ramifications, complications and other hindrances constituting "force majeure", including those arising due to the COVID-19 international pandemic.

Compliance with Laws, Rules and Regulations. The Developer and its respective officers, agents, employees and any other persons over whom the Developer has control, shall comply with all applicable present and future laws and ordinances of the Village, Federal, State and other local governmental bodies, applicable to or affecting directly or indirectly (a) the Developer or its operations and activities on or in connection with the construction and operation of the Development; and (b) which govern, control, or are required in connection with construction of the Private Improvements (collectively, the "Legal Requirements").

Section 1.07 Insurance. In connection with the construction of the Private Improvements, the Developer shall maintain or cause to be maintained insurance for protection from claims under workers' compensation acts and other employee benefit acts which are applicable, claims for damages because of bodily injury, including death, and claims for damages to property which may

arise out of or result from operations and completed operations under this Agreement, whether such operations be by the Developer, or by a subcontractor, agent, or anyone directly or indirectly employed by any of them. This insurance shall be written for not less than limits of liability specified in this Agreement or required by law, whichever coverage is greater, and, as applicable, in a company or companies lawfully authorized to do business in the state of Ohio and having an AM Best rating of A+ or the equivalent. Each policy shall contain a provision that the policy will not be canceled or allowed to expire until at least 10 days' prior written notice has been given to the Village. The Developer shall cause the commercial liability coverage required by this Agreement to include the Village as an additional insured for claims caused in whole or in part by any of the Developer's acts or omissions, and/or any acts or omissions of any subcontractor, agent, or other person or entity directly or indirectly employed by any of them arising out of or relating to the construction of the Private Improvements.

The insurance required by this Agreement shall be written for not less than the following limits, or greater if required by law:

- (i) Workers' Compensation limits shall be those required by statute.
- (ii) Commercial General Liability insurance including liability on this project and blanket coverage, which insures against bodily injury, personal and property damage claims arising from work conducted, services provided, and/or materials supplied by Developer, or any of its subcontractors or agents with limits of at least One Million Dollars (\$1,000,000) combined single limit each occurrence; Two Million Dollars (\$2,000,000) general aggregate; and Two Million Dollars (\$2,000,000) products/completed operations aggregate.
- (iii) Employer's Liability insurance with minimum limits of Five Hundred Thousand Dollars (\$500,000) for bodily injury.
- (iv) Commercial/Business Automobile Liability insurance with minimum combined single limit of One Million Dollars (\$1,000,000) per occurrence (bodily injury and property damage liability). Coverage shall be for liability arising out of the use or operation of owned, hired, leased, and non-owned vehicles.
- (v) Umbrella liability coverage of Five Million Dollars (\$5,000,000) above the policies referred to in Items (ii), (iii) and (iv).

The liability insurance required by this Agreement shall: (1) provide that it is primary and non-contributory to any other insurance or self-insurance that the Village may have, (2) obligate Developer to pay any deductible or self-insured retention associated with any claim that is made under the policy, including any claim that may be made by an additional insured, (3) contain waivers of subrogation against the Village, if available, and (4) provide that the insurer(s) has/have a duty to defend against potentially covered claims and that the payment of defense costs by the insurer(s) shall not reduce or deplete the limits of liability under the policy(ies). The Developer shall deliver to the Village Certificates of Insurance acceptable to all parties evidencing the insurance coverage required by this Agreement.

The Developer may satisfy some or all of the foregoing requirements through an agreement with any general contractor specifying that it shall procure insurance that satisfies some or all of the foregoing requirements.

Article II

CRA; Tax Increment Financing; Job Creation Tax Incentives

Section 2.01. CRA; Tax Increment Financing. The Village has established the CRA and pursuant thereto, has agreed to provide each of the several phases of the Development on the Project Site with the CRA exemption applicable to 75% of the Improvements for a period of 15 years (the "CRA Exemption"). The CRA Exemption shall be granted separately for each tax parcel within or comprising each structure that constitutes part of the Development so that the exemption period will commence upon completion of improvements to such tax parcel. Each of the Village and the Developer acknowledge that, to the extent possible, the CRA Exemption shall be granted upon separate identified parcels of property which are occupied by specific occupants such that the specific occupants have both the benefit and risk of the CRA Exemption as to its occupied premises. In addition, the Village intends to adopt the TIF Ordinance to provide for exemption of 100% of the Improvements for a period of thirty (30) years ("TIF Exemption"; "Covenant Period"). The Developer acknowledges that the adoption of the TIF Ordinance and granting of the TIF Exemption upon such terms requires action by the Bedford City School District ("School District"). The Village shall, at no cost to Developer, other than as provided for in this Agreement including but not limited to the donations to be made by Developer referenced in Schedule II, negotiate any required compensation agreement with the School District and shall be responsible for payment of all costs and expenses associated with obtaining the consent of the School District to the TIF Exemption. The TIF Ordinance shall: (a) declare the Improvements (as defined in Section 5709.41 of the Revised Code) to be a public purpose for purposes of Section 5709.41 of the Revised Code; (b) require the Developer, its successors or assigns, and any current or future owners of the Project Site and any current or future lessors, lessees, or owners of the Project Site (hereinafter collectively referred to as the "Owners" and individually as an "Owner") of each of the parcels comprising the Project Site to make Service Payments to the County Treasurer; and (c) establish the Oakwood Business Park Urban Redevelopment Tax Increment Equivalent Fund (the "TIF Fund"). Village acknowledges and agrees that the CRA Exemption and the adoption of the TIF Ordinance are each a material inducement to Developer to undertake the Development and that Developer shall not be required to perform under this Agreement, or to acquire the Village Land unless and until the CRA Exemption is granted and the TIF Ordinance is adopted

Section 2.02. Job Creation Tax Credits. In order to induce companies to execute leases for the Development or otherwise occupy the Development, and to achieve the job creation anticipated by both the Village and the Developer, the Village agrees that it shall accept and review, consistent with standards and criteria previously applied by the Village, applications from each potential tenant for the payment by the Village of JCTC for the benefit of each tenant, with each JCTC anticipated to be in at least an amount equal to a minimum of 30% of payroll for a period of five (5) years ("JCTC Terms") for qualified applicants under the then current state of the law. The Village has expressed interest in vetting prospective tenants and Developer and Village agree that the Village, in its reasonable discretion, may award JCTC above or below such minimum

level consistent with the Village's historical standards and criteria as its participation in the vetting process. The Village agrees to process each application pursuant to and in accordance with the requirements of its JCTC program, so as to encourage and support the Development and promote job creation. The Village acknowledges that the ability of the Village to provide such JCTC on the JCTC Terms to employers who will operate in the Development is a material inducement to the Developer to undertake the Development, and is an integral part of the Developer's ability to attract tenants who will fulfill the job and payroll goals of the Village. The Village acknowledges that provision of such JCTC on the JCTC Terms to tenants is material to the ability of Developer to attract tenants who will provide payroll and job creation as anticipated by the Village.

Section 2.03. Use of TIF Proceeds. The Village acknowledges and agrees that monies in the TIF Fund allocable to Developer pursuant to the provisions of Schedule I shall be payable to or at the direction of the Developer and/or its assigns, subject to the provisions of Schedule I, attached hereto and incorporated by reference herein.

Section 2.04. No Violation of JEDZ Agreements. The parties recognize that the Village is a party to a certain Joint Economic Development Zone Agreement ("JEDZ") with the City of Cleveland, Ohio dated October 22, 2007 which restricts the ability of the Village to offer certain economic incentives to business re-locating from Cleveland to the Village and requires the sharing of certain tax and other revenues in certain instances in which businesses move between Cleveland and the Village. The parties agree that the Village shall have no obligation to provide JCTC directly to any relocated entity that would violate the terms of or require the Village to share revenues with Cleveland or any other governmental entity under the terms of said JEDZ, provided however, (i) any dealing with an individual re-located company subject to the JEDZ shall not affect Developer or any other company at the Project Site which is not subject to the JEDZ, (ii) TIF and tax abatement as such incentives are granted to the Developer and Project Site shall not be affected, and (iii) only the re-located entity subject to the JEDZ will have its individual premises and/or JCTC or CRA affected, if at all.

Article III

Plans and Specifications - Reviews, Approvals and Permits

Section 3.01. Private Improvements. The Developer shall submit to the applicable Village bodies for review and approval its plans, drawings, and other materials in connection with the Development (the "Plans and Specifications"). The Village's review shall be consistent with the applicable Village requirements. The Plans and Specifications shall include, but not be limited to, a site plan, building layout, elevations of structures, parking, landscaping, signage, and any other planning materials that reasonably are required by the applicable Village bodies. The Village shall cause timely review of all Plans and Specifications and shall issue its decisions not later than thirty (30) days after application for permits have been made by Developer. The parties agree that Developer shall not request and the Village shall have no obligation to approve temporary or permanent access to the site from Macedonia Road.

Section 3.02. Public Improvements. The Developer and the Village shall consult with each other and cooperate in the preparation, at their own cost, of the necessary construction drawings

and specifications for the Public Improvements. Responsibility of construction and payment for Public Improvements is set forth in Exhibit C.

Article IV
Covenants and Obligations; Representations of Village and Developer

Section 4.01 Enforceability of Obligations Against Developer. Unless otherwise terminated in accordance with the terms of this Agreement, the obligation to perform and observe the agreements contained herein on the part of the Developer, or any successor or assign of Developer, shall be binding and enforceable by the Village against the Developer, or any successor or assign with respect to (and only with respect to) such person or entity's interest in the Project Site, or any parts thereof or any interest therein.

Section 4.02 Binding Nature of Obligations.

(a) Subject to the provisions of Section 4.01, the duty to perform the obligations of this Agreement shall be binding and enforceable by the Village against the Developer, or any successor or assigns of Developer and, with respect to Service Payments only, any future Owner.

(b) Except as otherwise set forth in this Agreement, the rights of the Developer, or any successor or assign of Developer's obligations hereunder, shall not be terminated by the Village for any cause other than an Event of Default occurring hereunder (as defined in Section 6.01).

Section 4.03 Village's Representations.

The Village represents, warrants and covenants to and with the Developer that as of the Effective Date:

(a) The Village is a Charter Village validly existing under the laws of the State of Ohio, and the Village has all necessary power and authority to enter into and perform the Village's obligations under this Agreement.

(b) The Village has taken all actions required to be taken under the laws of the State of Ohio and under the Village's governing documents to approve or authorize the execution and delivery of this Agreement and the consummation of the transactions contemplated by this Agreement.

(c) The Village reasonably believes that it can perform its obligations hereunder with respect to the CRA, TIF and JCTC.

Section 4.04 Developer's Representations.

The Developer represents, warrants and covenants to and with the Village that as of the Effective Date:

(a) The Developer is duly organized and validly existing as a limited liability company under the laws of the State of Ohio and is in full force and effect under the laws of the State of

Ohio. The Developer is authorized to do business in the State of Ohio and is properly licensed by all necessary governmental, public, and quasi-public authorities having jurisdiction over it and the work to be performed under this Agreement.

(b) This Agreement has been duly executed, authorized and delivered by Developer and is a valid and binding obligation of the Developer, enforceable in accordance with its terms, except as limited by bankruptcy, insolvency, reorganization, moratorium, or similar laws in effect from time to time affecting the enforcement of creditors' rights generally and to the extent the same may be subject to the exercise of judicial discretion in accordance with general principles of equity.

(c) This Agreement and the consummation of these transactions are valid and binding upon the Developer and do not constitute a default (or an event which with notice and passage of time or both will constitute default) under its Operating Agreement or any contract to which the Developer is a party or by which it is bound.

(d) The Developer intends to complete and cause the completion of the Development.

(e) So long as this Agreement is in effect, Developer shall provide the donations and grants, or cause the provision of such donations or grants, as are set forth in Schedule II, attached hereto and incorporated by reference herein.

Section 4.05 Maintenance of Development and Public Improvements. Village and Developer agree that, following completion of the Public Improvements, (a) Developer shall maintain the roadways which are located on the Project Site, (b) Village shall maintain any bike or walking trails, (c) Village shall maintain or cause the applicable utility to maintain all utilities within the roadways or public easements and the trail along Macedonia Rd. and (d) Developer or any subsequent owner of a parcel within the Project Site shall maintain utility connections to such parcels. In addition, the Village shall maintain landscaping on the mounds constructed adjacent to Macedonia Rd. on such parcels and watering of such landscaping, with Developer contributing up to \$15,000 of the actual maintenance costs per year plus the cost of water as the mounding is presently configured and increasing up to \$17,500 per year of the actual maintenance costs plus the cost of water when the mounding is extended to PPN 795-28-006 and areas to the south thereof until the first calendar year within which the Village receives a distribution of TIF funds after expiration of the first building's Five Year Revenue Redirection Payments. Thereafter, Developer will have no obligation with respect to the landscaping maintenance but shall continue to pay the cost of water for the Village's maintenance of vegetation on the foregoing mound. Developer may encumber the Project Site with a declaration of covenants or easements which allocate such costs as among the parcels within the Project Site.

Article V

Indemnification

Section 5.01. By Developer. In addition to the obligations of the Developer, as set forth in this Agreement, except to the extent caused by the willful misconduct of Village or its agents, employees or officials, the Developer shall indemnify, defend and hold harmless the Village and

its agents, employees and public officials from and against any and all suits, claims, damages, losses, costs or expenses (including reasonable attorneys' fees) arising out of, or resulting from (i) the construction and financing of the Private Improvements, (ii) claims, suits or actions of every kind and description when such suits or actions are caused by negligent, willful and/or wanton acts, and/or errors or omissions of the Developer, its officers, agents or employees; and (iii) injury or damages received or sustained by any party because of the negligent, willful and/or wanton acts of the Developer, its officers, agents or employees, consultants, sub-consultants, and/or subcontractor.

Article VI

Events of Default

The following events are "Events of Default" under this Agreement:

Section 6.01 Events of Default by Developer.

(a) The Developer fails to materially comply with any term, provision, or covenant of this Agreement, and the Developer fails, within sixty (60) days after written demand from the Village, to remedy such failure, unless such failure cannot be cured within such time period, in which case the time for remedying the failure shall be extended so long as the Developer is diligently pursuing a remedy to said failure, so long as Developer commences such cure during the initial sixty (60) day period and diligently pursues such cure to completion, including, without limitation, timely completion of construction of the Development, subject to Force Majeure.

(b) Prior to the completion of the Private Improvements, the Developer (1) is adjudged insolvent, (2) admits in writing its inability to pay its debts generally as they become due, (3) makes a fraudulent transfer, or (4) makes an assignment for the benefit of creditors.

(c) Prior to the completion of the Private Improvements, the Developer (1) files a petition under any section or chapter of the federal bankruptcy laws, as amended, or under any similar law or statute of the United States or any state thereof, or (2) is adjudged bankrupt or insolvent in proceedings filed against the Developer under those laws or statutes.

(d) Prior to the completion of the Private Improvements, a receiver or trustee is appointed for all or substantially all of the assets of the Developer, which receiver is not discharged within ninety (90) days after the appointment.

Section 6.02 Events of Default by the Village. The Village fails to materially comply with any term, provision, or covenant of this Agreement, and the Village fails, within sixty (60) days after written demand from the Developer, to remedy such failure, unless such failure cannot be cured within such time period, in which case the time for remedying such failure shall be extended so long as the Village is diligently pursuing a remedy to such failure, so long as Village commences such cure during the initial sixty (60) day period and diligently pursues such cure to completion.

Article VII

Remedies

Section 7.01 Generally. If any Event of Default occurs, the defaulting party shall promptly (and in any event within the cure period set forth above) cure or remedy such Event of Default. In case such action is not taken or not diligently pursued, or the Event of Default is not cured or remedied within the required time, the non-defaulting party may:

- (a) institute any proceedings that it deems reasonably necessary to recover damages suffered as the result of the Event of Default, or
- (b) institute any proceedings that it deems reasonably necessary to cure and remedy the Event of Default, including, but not limited to, proceedings against the party in default to compel specific performance of its obligations.

Section 7.02 No Waiver by Delay. Any delay by the Village or the Developer in asserting its rights under this Agreement shall not operate as a waiver of those rights or deprive the party of or otherwise limit those rights in any way. It is the intention of the parties that the Village shall not be constrained, so as to avoid the risk of being deprived or limited in the exercise of the remedies provided in this Agreement because of concepts of waiver, laches, or otherwise. The parties may exercise any remedy at a time when the parties may still hope to resolve the problems created by an Event of Default. No waiver in fact made by a party with respect to any specific default under this Agreement may be considered or treated as a waiver of the rights of a party with respect to any other defaults by the other party under this Agreement, or with respect to the particular default except to the extent specifically waived in writing.

Article VIII

Force Majeure

Except as otherwise provided, neither the Village nor the Developer will be considered in default of its obligations under this Agreement, if a delay in performance is due to a Force Majeure Event, to the extent such Force Majeure Event materially affects the performance of such party. As used herein "Force Majeure Event" means acts of God; acts of public enemies; orders or restraints of any kind of the government of the United States or of the State or any of their departments, agencies, political subdivisions or officials, or any civil or military authority; strikes; labor disputes; insurrections, civil disturbances; riots; epidemics; pandemics; landslides; lightning; earthquakes; fires; hurricanes; tornadoes; storms; droughts; other weather conditions; floods; arrests; restraint of government and people; explosions; breakage, malfunction or accident to facilities or machinery; partial or entire failure of utilities; acts of terrorism or threats of terrorism; and unavailability of labor or materials due to the occurrence of any of the foregoing events.

It is the intent of the parties that in the event of the occurrence of any Force Majeure Event, the time or times for performance shall be extended for the period of such Force Majeure Event. However, the parties seeking the benefit of the provisions of this Article VIII must within fifteen (15) days after the later of the beginning of the Force Majeure Event or after reasonably recognizing that a Force Majeure Event has occurred, notify the other party in writing of the cause

and, if possible at the time of notice, the expected duration of the delay caused by the Force Majeure Event.

Article IX

Further Assurances; Full Disclosure; Good Faith and Fair Dealing

The Village and the Developer agree to execute such other and further documents as may be necessary or required to consummate or more fully confirm the transactions contemplated hereby. Without limitation of the foregoing, the Village acknowledges that it may be required to, and in such event agrees that it will, enter into a cooperative or other agreement in connection with any financing of the Development, pursuant to which it will agree, among other provisions, to the pledge and transfer of that portion of the monies in the TIF Fund which are otherwise payable to Developer, subject to approval of any such agreement by Village Council to the extent required by law. Each respective party covenants that no representation or warranty of such representing party contained herein contains any untrue statement of any material fact as of the time such representation or warranty is made and, to the knowledge of such representing party, no such representation or warranty omits or will omit to state a material fact necessary in order to make such representing party's representations and warranties contained herein or therein not misleading. From and after the date hereof, the Village and the Developer agree to cooperate with one another in good faith, and to deal fairly with one another, so as to effect the consummation of the transactions contemplated hereby, and to resolve unforeseen conditions arising subsequent to the execution of this Agreement.

Article X

Miscellaneous

Section 10.01 Notices. Any notice or demand required or permitted to be given by or to either of the parties hereto and every alleged breach of a warranty or representation contained in this Agreement shall be made in writing and shall be deemed to have been given or delivered, as the case may be, when delivered by: (a) hand delivery; (b) express overnight delivery service; or (c) certified or registered mail, return receipt requested, and shall be deemed to have been delivered upon: (i) receipt, if hand delivered; (ii) the next business day, if delivered by express overnight delivery service; or (iii) the third business day following the day of deposit of such notice with the United States Postal Service, if sent by certified or registered mail, return receipt requested. Section 10.02 Termination of Agreement; Conditional Execution and Delivery. Notwithstanding anything contained in this Agreement to the contrary, the Developer and the Village acknowledge and agree that this Agreement shall terminate and be of no further force and effect upon (i) failure of the Village to provide the CRA exemption after application therefor by the owner of a parcel to which such exemption applies and enact the TIF Ordinance for at least the portion of the Development Site identified in Exhibits A-1, A-2 and A-3 on or before on or before February 28, 2021, unless caused by the fault or delay of the Developer, as may be extended by the written agreement of the Developer, (ii) the Developer's failure to acquire the portion of the Development Site identified in Exhibits A-1 and A-2 (either directly or through its affiliate) on or before February 28, 2021, as may be extended by the written agreement of the Village and Developer, (iii) failure of the Village to take all necessary governmental action by February 28, 2021 as to the efficacy of this Agreement unless caused by the fault or delay of the Developer, or (iv) at the Developer's election, the failure of the occurrence of all the Conditions of Effectiveness by February 28, 2021. Upon termination, the Developer and the Village shall thereafter have no further duties or obligations hereunder. At the request of either party, the Developer and the Village shall execute an agreement evidencing any such termination. Developer's execution and delivery of this Agreement is conditioned upon each of the CRA and TIF being adopted and the efficacy of this Agreement by the necessary governmental entities prior to February 28, 2021.

Section 10.03 Non-Waiver. Neither the waiver by either party to this Agreement of any breach of any agreement, condition or provision of this Agreement, nor the failure of either party to seek redress for violation of, or to insist upon strict performance of any agreement, condition or provision, shall be considered to be a waiver of the agreement, condition or provision or of any subsequent breach of any agreement, condition or provision. No provision of this Agreement may be waived except by written agreement of the party to be charged.

Section 10.04 Paragraph Headings. The paragraph headings contained herein are merely for convenience and reference, and are not intended to be a part of this Agreement, or in any matter to limit or describe the scope or intent of this Agreement or the particular paragraphs to which they refer.

Section 10.05 Legal Relationship of Parties. It is expressly understood and agreed that during the term of this Agreement, the Developer shall be engaged solely as an independent contractor and the Village shall be acting as a municipal corporation, and neither shall have any right to control the other's officials, employees, agents, contractors, or representatives. It is further expressly understood that Developer's officers, employees, agents, contractors, and representatives are acting solely and exclusively under the direction and control of Developer. Nothing in this Agreement shall be deemed to create or establish a relationship of employment, agency, or representation between the Village and Developer, its officers, employees, agents, contractors or representatives; and Developer shall have no authority whether express, implied, apparent or otherwise to bind or obligate the Village in terms of any third parties.

Section 10.06 No Partnership. Nothing contained herein shall make, or be deemed to make, the Village and the Developer a partner of one another, and this Agreement shall not be construed as creating a partnership between the parties.

Section 10.07 Singular and Plural. Wherever the context shall so require, the singular shall include the plural and the plural shall include the singular.

Section 10.08 Binding Effect and Successors and Assigns; Third-Party Beneficiary. This Agreement and all of the covenants hereof shall inure to the benefit of and be binding upon the Village and the Developer respectively and their respective partners, successors, assigns and legal representatives. Notwithstanding anything to the contrary contained within this Agreement, except conditioned upon Developer meeting the terms of Section 1.01 above, Developer may assign rights, interests, obligations and responsibilities under this Agreement in whole or in part (i) to differing owners of parcels of real estate within the Project Site, (ii) to a lender as part of financing the development of the Project Site or the financing of the partially or fully developed Project Site, (iii) to an end user of the portion of the Project Site, and/or (iv) otherwise with the consent of the Village, which will not be unreasonably withheld.

Section 10.09 Governing Law. This Agreement shall be governed by the laws of the State of Ohio. All disputes arising under this Agreement shall be litigated in the Cuyahoga County Court of Common Pleas or the Federal Court for the Northern District of Ohio and the parties consent to submit themselves to the jurisdiction and venue of that court.

Section 10.10 Severability. If any provision of this Agreement is for any reason held to be illegal or invalid, it shall not affect any other provision of this Agreement.

Section 10.11 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall constitute an original and all of which, when taken together, shall constitute one and the same instrument.

Section 10.12 Amendments. This Agreement shall not be amended, supplemented or modified except by an instrument in writing executed by the Village and the Developer.

Section 10.13 Consent not to be Unreasonably Withheld. Whenever the phrase, consent not to be unreasonably withheld or a similar phrase is used in this Agreement, it shall mean not unreasonably withheld, conditioned or delayed.

Section 10.14 Conditions of Effectiveness. This Agreement is executed by the Mayor of the Village subject to the approval of the Oakwood Village Council and shall become fully effective on the first date upon which all of the following have occurred: a) the effective date of legislation signifying approval by Oakwood Village Council of this Agreement b) the effective date of legislation passed by Oakwood Village Council and all other necessary governmental approvals of Tax Increment Financing provided for in this Agreement and c) the effective date of legislation passed by Oakwood Village Council and all other necessary governmental approvals of Community Reinvestment Act tax credits and/or abatements provided for in this Agreement.

[BALANCE OF PAGE INTENTIONALLY BLANK; SIGNATURES FOLLOW.]

IN WITNESS WHEREOF, the Village and the Developer have caused this Agreement to be executed by their duly authorized officers as of the Effective Date.

SCHEDULE I

PAYMENT OF PILOTS PURSUANT TO TIF

1. During the first fifteen (15) years of the distribution of payments arising from payments in lieu of taxes ("PILOTS") under the TIF:

(i) subject to the immediately following sentence, if during such year the payroll generated from businesses and/or operations at the Project Site reported and paid as payroll taxable within the Village is less than \$40,000,000.00, sixty-five percent (65%) of PILOTS are payable to the owner of the Project Site and thirty-five percent (35%) of PILOTS are payable to the Village. Notwithstanding the prior sentence, with respect to each individual building (or expansion of an individual building) of each of Phase 1, Phase 2, and Phase 3, the Village shall cause a full and complete re-direction to the Developer of the entire Village's share of the PILOTS for the first five (5) years of full revenue ("Redirection Years") on the TIF (the "Five Year Revenue Redirection Payments") with respect to such then completed building or such then completed expansion of the building; acknowledging for clarification that in years of a taxable payroll of \$40,000,000.00 or more that the Village shall have no share of the PILOTS to redirect. The Village shall use one hundred percent (100%) of its share of PILOTS to pay for improvements, as mutually agreed by the parties that directly benefit the Project including improvements described in Schedule C. During any of such Redirection Years in which the payroll from the Project Site reported and paid as payroll taxable within the Village is \$40,000,000.00 or more, then one hundred percent (100%) of PILOTS are payable to the owner and zero percent (0%) to the Village, in which case the Village shall have no further obligation to expend funds represented by its former thirty-five percent (35%) share of PILOTS on improvements directly benefitting the Project and/or described in Schedule C; and

(ii) during each year in which payroll upon the Project Site being reported and paid as payroll taxable within the Village is \$40,000,000.00 or more, then one hundred percent (100%) to the owner of the Project Site and zero percent (0%) to the Village, otherwise sixty-five percent (65%) to the owner of the Project Site and thirty-five percent (35%) to the Village.

2. During the second fifteen (15) years of the distribution of payments arising from payments in lieu of taxes under the TIF:

(i) If the payroll generated from businesses and/or operations at the Project Site reportable as payroll taxable within the Village is \$40,000,000.00 or more by the end of calendar year 2026, then one hundred percent (100%) of PILOTS shall be payable to the owner of the Project Site and zero percent (0%) to the Village, provided that said payroll is either (A) \$40,000,000 or more in the year immediately preceding the commencement of the second fifteen (15) year period or (B) averages \$40,000,000 or more in the four year period immediately preceding the commencement of the second fifteen (15) year period; otherwise fifty percent (50%) of PILOTS shall be payable to the owner of the Project Site and fifty percent (50%) to the Village.

\$20,000 per year starting in 2020 for a total of 20 years of donation.	

Bedford City School District

\$40,000.00 per year for the years commencing with the Developer's receipt of the second year of abatements for continuing for a total of 15 years of donations.

Landscaping Maintenance

Developer shall contribute up to \$15,000 of the actual maintenance costs per year plus cost of water as the mounding is presently configured and increasing up to \$17,500 per year of the actual maintenance costs plus the cost of water when the mounding is extended to PPN 795-28-006 and areas to the south thereof plus cost of water for maintaining vegetation on the mound on the East side of the Project Site to Macedonia Road until the first calendar year within which the Village receives a distribution of TIF funds after expiration of the first building's Five Year Revenue Redirection Payments. Thereafter, Developer will have no obligation with respect to the landscaping maintenance but shall continue to pay the cost of water for the Village's maintenance of vegetation on the foregoing mound. The said mound and the public multi-purpose path adjacent to it shall otherwise be maintained by the Village. This temporal donation shall not be subject to the abatements provided for hereinbelow.

Abatement of Donations

During the Redirection Years conditioned upon the full payment of the Redirection Payments, all donations referred to in Schedule II shall be paid at the rate of one hundred percent (100%). Thereafter, except as otherwise provided, for any year in which the occupancy rate of the space then available for rental in the Project falls below eighty-five percent (85%), the said donations shall be abated on a prorated basis determined by a formula in which the numerator is eighty-five (85) less the percentage of occupied available space in the Project and the denominator is eighty-five (85).

ORDINANCE NO. 2021 – WS-08

INTRODUCED BY MAYOR AND COUNCIL AS A WHOLE

**AN ORDINANCE AUTHORIZING THE MAYOR TO ENTER INTO A
PROJECT DEVELOPMENT AGREEMENT WITH INTERSTATE-
MCBEE LLC AND DECLARING AN EMERGENCY**

WHEREAS, the Village Oakwood (hereinafter “Oakwood”) and Interstate McBee LLC (hereinafter “McBee”) deem it advantageous to each of them to develop property located off Oakleaf Road in the Village as more fully described in the Project Development Agreement (hereinafter “Agreement”) attached hereto and incorporated herein as Exhibit “A”; and,

WHEREAS, Oakwood and Glenwillow and Oakwood have agreed in principle to the terms of said Agreement;

NOW THEREFORE, BE IT RESOLVED by the Council of the Village of Oakwood, County of Cuyahoga, and State of Ohio that:

SECTION 1. The Mayor be and is hereby authorized to enter into the Agreement, a copy which is attached hereto and expressly made a part hereof by reference and marked Exhibit "A".

SECTION 2. This Ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety and welfare of the inhabitants of the Village, the reason for the emergency being that the Agreement permits the Village to take advantage of time-sensitive development opportunities for the economic well-being of the Village and its residents which opportunities are imperiled by undue delay and, therefore, provided it receives two-thirds ($\frac{2}{3}$) of the vote of all members of Council elected thereto, said Ordinance shall be in full force and effect immediately upon its adoption by this Council and approval by the Mayor, otherwise from and after the earliest period allowed by law.

the Effective Date (as hereinafter defined)

PROJECT DEVELOPMENT AGREEMENT
Village of Oakwood – Interstate-McBee, LLC

THIS PROJECT DEVELOPMENT AGREEMENT (“Agreement”) is made effective and entered into by and between THE VILLAGE OF OAKWOOD, OHIO (the “Village”), a political subdivision organized and existing under the laws of the State of Ohio, and INTERSTATE-MCBEE, LLC, an Ohio limited liability company (the “Owner”), and shall become effective only upon the occurrence of the timely satisfaction of the Conditions of Effectiveness (as hereinafter defined).

RECITALS

A. The Village has previously acquired property consisting of approximately 3.027 acres of land located and situated in the Village, as further described on Exhibit A-1 attached hereto and incorporated herein (the “Village Land”) and Owner owns the real property located and situated in the Village consisting of approximately 25.699 acres of land, as further described on Exhibit A-2 attached hereto and incorporated herein (“Owner Properties”). Owner also intends to purchase additional land adjoining or contiguous to the land described in Exhibits A-1 and A-2 or contiguous to such additional land so purchased (“Additional Property-Not Owned or Under Contract”) (all such real property whether identified in Exhibits A-1 through A-2 and Additional Property-Not Owned or Under Contract to the extent subsequently acquired by Owner, collectively referred to herein as the “Project Site”).

B. The Owner intends to improve the Project Site following its acquisition of all the parcels comprising the Project Site by constructing or causing to be constructed a commercial real estate project (the “Improvements”), consisting of buildings and other commercial real estate components consistent with the applicable zoning code, along with related landscaping and improvements, as further described on Exhibit B. The improvement of the Project Site with the Improvements is referred to herein as the “Development”.

C. The Village has determined that the construction of the Improvements to support and enable the Development of the Project Site, and the fulfillment generally of this Agreement and the Development of the Project Site, are in the best interests of the Village and necessary for economic development purposes and the health, safety and welfare of its residents, and are necessary for the purpose of enhancing the availability of adequate commercial space, parking, creating jobs and employment opportunities, and improving the economic welfare of the people of the Village.

D. The Village has created a “Community Reinvestment Area” or “CRA” pursuant to R.C. 3735.65 et. Seq., known as Oakwood Community Reinvestment Area No. 1, which encompasses the Project Site and which has been determined to be in the best interests of the Village and necessary for economic development purposes, and the health, safety and welfare of its residents.

E. Pursuant to Ohio Revised Code Sections 5709.41 et. Seq., the Village Council (the “Council”) intends to adopt an ordinance and, as the same may be further amended or expanded

from time to time, to exempt from real property taxation the incremental increase in assessed value of the Project Site resulting from the Development (the "TIF Ordinance") and providing: (1) that the Development is a public purpose necessary for the economic development of the Project Site; (2) for the payment of service payments in lieu of taxes (the "Service Payments") by the Owner of the Project Site (initially the Owner) and any successors in interest to any portion of the Project Site (collectively, the "Owners"), as obligations running with the land for the duration of the Covenant Period (as hereinafter defined), with respect to "Improvements" (as defined in ORC 5709.41 and the TIF Ordinance) to the parcels of real property comprising the Project Site; and (3) for the use of the Service Payments to pay for a portion of the costs of the Development.

F. In consideration of the foregoing Recitals and as an inducement to and in consideration of the conditions and covenants contained in this Agreement, the parties agree as follows:

Article I

Development of the Project Site

Section 1.01 Transfer/Sale of Village Land. The Village hereby agrees to sell to the Owner, and the Owner agrees to purchase from the Village, the Village Land for the sum of One and 00/100 Dollars (\$1.00) and other good and valuable consideration (the "Purchase Price"). Title to the Village Land shall be transferred by the Village to the Owner [or its designee] pursuant to a Limited Warranty Deed upon payment to the Village of the Purchase Price.

Section 1.02 Transfer/Sale of Land other than Village Land. The parties further recognize that it is advisable for the Owner to transfer title to the Village and for the Village to transfer title back to the Owner all or portions of the Project Site other than the Village Land in order to enact the TIF Ordinance or to amend and expand the property which is the subject of the TIF Ordinance and the parties agree to cooperate in that regard.

Section 1.03 Improvements. Following acquisition of the Village Land, Owner agrees to construct or cause to be constructed the Improvements on the Project Site including, but not limited to a series of two (2) buildings, the first being a 200,000 square foot office/warehouse facility (expandable to 300,000 square feet) ("Phase 1") and the second a 100,000 square foot manufacturing facility ("Phase 2") both of which are to be located off Oak Leaf Road on property known as Permanent Parcel Nos., 795-50-014, 795-50-013, 795-49-010, 795-15-048; 795-50-012, 795-50-011, 795-49-005, 795-49-006 and 795-49-007 within the Village's Community Reinvestment Area No. 1. In addition, Owner may construct or cause the construction of additional buildings as part of the Development, to the extent deemed economically viable by Owner and determined by the Village to be in compliance with the Village codes, rules and regulations.

Section 1.04 Improvements. The parties acknowledge that the Improvements identified in Exhibit B on and adjacent to the Project Site are necessary for the Development and will directly benefit the Project Site and the surrounding area. The Owner shall cause the construction of and pay for the Improvements as described on Exhibit B except as otherwise provided therein. Provided that Owner has secured the prior written consent of the Village, which shall not be unreasonably withheld, Owner shall have the right to revise the Plans and Specifications relating to Improvements located on the Project Site and the provisions of Exhibit B with respect thereto

from time to time based upon economic circumstances subject to (a) compliance with the Village codes, rules and regulations, and (b) the Village's reasonable determination that the Improvements as so revised directly benefit the Project Site and the surrounding area and are consistent with the TIF Ordinance, and this Agreement shall be automatically and without further action of the Village and the Owner deemed amended so as to reflect the revisions provided in the permits and plats so approved. Owner acknowledges that any revisions to Improvements which are not located on the Project Site (the "Off-Site Improvements") are subject to the reasonable approval of the Village Council and other permitting authorities, and such approval by the Village Council and all necessary permitting authorities shall automatically and without further action of the Village and the Owner be deemed to amend this Agreement so as to reflect the said revisions.

Section 1.05 Off-Site Improvements. The Village agrees that, in connection with any Off-Site Improvements, it shall undertake such action as may be necessary or desirable to obtain title to such real property as is necessary for the construction of the Off-Site Improvements, with such acquisition to be at the lowest cost, in light of the schedule for construction of such Off-Site Improvements, as reasonably determined by the Village Council. The Village agrees to consult with the Owner in connection with such costs and to work cooperatively to control the cost of such acquisition.

Section 1.06 Construction. Construction of the Phase 1 Improvements shall be completed no later than December 31, 2022 ("Completion Date") provided that this Agreement is executed and delivered and the TIF Ordinance and Tax Abatement Package is finalized no later than January 31, 2021, otherwise the Completion Date shall be as early as commercially practicable as weather permits in 2023. The Owner and the Village agree to work in good faith to amend the Project Schedule as necessary to account for delays occasioned by economic and other ramifications, complications and other hindrances constituting "Force Majeure", including those arising due to the COVID-19 international pandemic.

Section 1.07 Compliance with Laws, Rules and Regulations. The Owner and its respective officers, agents, employees and any other persons over whom the Owner has control, shall comply with all applicable present and future laws and ordinances of the Village as well as Federal, State and other local governmental bodies applicable to or affecting directly or indirectly (a) the Owner or its operations and activities on or in connection with the construction and operation of the Development; (b) which govern, control, or are required in connection with construction of the Improvements; and (c) which are otherwise applicable to or affect the construction or operation of the Development (collectively, the "Legal Requirements").

Section 1.08 Insurance. In connection with the construction of the Improvements, the Owner shall maintain or cause to be maintained insurance for protection from claims under Workers' Compensation acts and other employee benefit acts which are applicable, claims for damages because of bodily injury, including death, and claims for damages to property which may arise out of or result from operations and completed operations under this Agreement, whether such operations be by the Owner or by a subcontractor, agent, or anyone directly or indirectly employed by any of them. This insurance shall be written for not less than limits of liability specified in this Agreement or required by law, whichever coverage is greater, and with a company or companies lawfully authorized to do business in the state of Ohio and having an AM Best rating of A+ or the equivalent. Each policy shall contain a provision that the policy will not be canceled

or allowed to expire until at least 10 days' prior written notice has been given to the Village. The Owner shall cause the commercial liability coverage required by this Agreement to include the Village as an additional insured for claims caused in whole or in part by the Village, any of the Owner's acts or omissions, and/or any acts or omissions of any subcontractor, agent, or other person or entity directly or indirectly employed by any of them arising out of or relating to the construction of the Improvements.

The insurance required by this Agreement shall be written for not less than the following limits, or greater if required by law:

- (i) Workers' Compensation limits shall be those required by statute.
- (ii) Commercial General Liability insurance including liability on this project and blanket coverage, which insures against bodily injury, personal and property damage claims arising from work conducted, services provided, and/or materials supplied by the Village, by Owner, or any of their subcontractors or agents with limits of at least One Million Dollars (\$1,000,000) combined single limit each occurrence; Two Million Dollars (\$2,000,000) general aggregate; and Two Million Dollars (\$2,000,000) products/completed operations aggregate.
- (iii) Employer's Liability insurance with minimum limits of Five Hundred Thousand Dollars (\$500,000) for bodily injury.
- (iv) Commercial/Business Automobile Liability insurance with minimum combined single limit of One Million Dollars (\$1,000,000) per occurrence (bodily injury and property damage liability). Coverage shall be for liability arising out of the use or operation of owned, hired, leased, and non-owned vehicles.
- (v) Umbrella liability coverage of Five Million Dollars (\$5,000,000) above the policies referred to in Items (ii), (iii) and (iv).

The liability insurance required by this Agreement shall: (1) provide that it is primary and non-contributory to any other insurance or self-insurance that the Village may have, (2) obligate Owner to pay any deductible or self-insured retention associated with any claim that is made under the policy, including any claim that may be made by an additional insured, (3) contain waivers of subrogation against the Village, if available, and (4) provide that the insurer(s) has/have a duty to defend against potentially covered claims and that the payment of defense costs by the insurer(s) shall not reduce or deplete the limits of liability under the policy(ies). The Owner shall deliver to the Village Certificates of Insurance acceptable to all parties evidencing the insurance coverage required by this Agreement.

The Owner may satisfy some or all of the foregoing requirements through an agreement with any general contractor specifying that it shall procure insurance that satisfies some or all of the foregoing requirements.

Article II

CRA; Tax Increment Financing

Section 2.01. CRA; Tax Increment Financing. The Village has established the Oakwood Community Reinvestment Area No. 1 and pursuant thereto, has agreed to provide each of the several phases of the Development on the Project Site with a Community Reinvestment Act ("CRA") tax exemption applicable to 75% of the dollar amounts by which the Improvements increase the market value of the Project Site for a period of 10 years (the "CRA Exemption"). The CRA Exemption shall be granted separately for each structure described in Section 1.03 hereinabove that constitutes part of the Development so that the exemption period will commence upon completion of each such structure. The Village and the Owner acknowledge that, to the extent possible, the CRA Exemption shall be granted upon separate identified parcels of property such that the occupants have both the benefit and risk of the CRA Exemption as to those specific parcels. In addition, the Village intends to adopt the TIF Ordinance to provide for exemption of 100% of the Improvements for a period of thirty (30) years ("TIF Exemption"). The Owner acknowledges that the adoption of the TIF Ordinance and granting of the TIF Exemption upon such terms requires action by the Board of Education of the Bedford City School District ("School District"). The Village shall, at no cost to Owner, other than as provided for in this Agreement including but not limited to the donations to be made by Owner referenced in Schedule II, negotiate any required compensation agreement with the School District and shall be responsible for payment of all costs and expenses associated with obtaining the consent of the School District to the TIF Exemption. The TIF Ordinance shall: (a) declare the Improvements (as defined in Section 5709.41 of the Revised Code) to be a public purpose for purposes of Section 5709.41 of the Revised Code; (b) require the Owner, its successors or assigns, and any current or future owners of the Project Site and any current or future lessors, lessees, or owners of the Project Site (hereinafter collectively referred to as the "Owners" and individually as an "Owner") of each of the parcels comprising the Project Site to make Service Payments to the County Treasurer; and (c) establish the Interstate-McBee Urban Redevelopment Tax Increment Equivalent Fund (the "TIF Fund").

Section 2.02. Cleveland JEDZ Agreement. The parties hereby acknowledge that the Village is a party to a certain Joint Economic Development Zone Agreement ("JEDZ") with the City of Cleveland dated October 24, 2007 under which the Village is obligated, with certain exceptions, to share with Cleveland, for a period of five (5) years, fifty percent (50%) of income taxes derived from Owner's payroll as it existed immediately prior to Owner's relocation to the Village less sums earmarked for the local school district by ordinance (in this case fifteen percent (15%)) or a present estimated amount of Fifty-two thousand five hundred Dollars (\$52,500.00) per year based on approximately one hundred forty (140) employees and \$6,000,000 of annual payroll upon the completion of Phase 1. The parties hereby agree that, in the event Cleveland demands to collect its share of the said income taxes, the Owner and the Village shall pay respective shares of the sum actually paid to Cleveland based on the proportion the following sums bear to the foregoing present estimated amount:

Village: 45,000 (86 percent)

Owner: 7,500 (14 percent)

Article III

Plans and Specifications; Reviews, Approvals and Permits; Maintenance Obligations

Section 3.01. Improvement Plans. The Owner shall submit to the applicable Village bodies for review and approval its plans, drawings, and other materials in connection with the Development (the "Plans and Specifications"). The Village's review shall be consistent with the applicable Village requirements. The Plans and Specifications shall include, but not be limited to, a site plan, building layout, elevations of structures, parking, landscaping, signage, and any other planning materials that reasonably are required by the applicable Village bodies. The Village shall cause timely review of all Plans and Specifications and shall issue its decisions not later than thirty (30) days after application for permits have been made by Owner. Seventy-five per cent (75%) of the tap-in, permit and review fees, as well as the abatement application fee, shall be waived for the construction of these facilities and items related thereto, as and for additional economic incentives to Interstate- McBee, for the Project.

Section 3.02 Maintenance of Development and Improvements. Village and Owner agree that, following completion of the Improvements, (a) Owner shall maintain all improvements located on the Project Site, (b) Owner shall maintain utility connections to such parcels, (c) Village shall maintain or cause to be maintained any constructed, reconstructed or improved areas of Fair Oaks and Oak Leaf Roads located outside the property lines of the Project Site.

Article IV

Indemnification

In addition to the obligations of the Owner, as set forth in this Agreement, except to the extent caused by the willful misconduct of Village or its agents, employees or officials, the Owner shall indemnify, defend and hold harmless the Village and its agents, employees and public officials from and against any and all suits, claims, damages, losses, costs or expenses (including reasonable attorney fees) arising out of, or resulting from (i) the construction and financing of the Improvements, (ii) claims, suits or actions of every kind and description when such suits or actions are caused by negligent, intentional, willful and/or wanton acts, and/or errors or omissions of the Owner, its officers, agents, employees, consultants, sub-consultants, contractors and/or subcontractors; and (iii) injury or damages received or sustained by any party because of the negligent, intentional, willful and/or wanton acts of the Owner, its officers, agents or employees, consultants, sub-consultants, contractors and/or subcontractors.

Article V

Events of Default

A party shall be deemed to be in default of this Agreement if that party or its successors or assigns fails to materially comply with any term, provision, or covenant of this Agreement and fails, within sixty (60) days after written demand, to remedy such failure unless such failure cannot be cured within such time period, in which case the time for remedying the failure shall be extended so long as the defaulting party is diligently pursuing a remedy to said failure and continues to pursue such cure to completion.

Article VI Remedies

Any delay by the Village or the Owner in asserting its rights under this Agreement shall not operate as a waiver of those rights or deprive the party of or otherwise limit those rights in any way. It is the intention of the parties that they shall not be constrained, so as to avoid the risk of being deprived or limited in the exercise of the remedies provided in this Agreement because of concepts of waiver, laches, or otherwise. The parties may exercise any remedy at a time when the parties may still hope to resolve the problems created by an Event of Default. No waiver in fact made by a party with respect to any specific default under this Agreement may be considered or treated as a waiver of the rights of a party with respect to any other defaults by the other party under this Agreement, or with respect to the particular default, except to the extent specifically waived in writing.

Article VII Force Majeure

Except as otherwise provided, neither the Village nor the Owner will be considered in default of its obligations under this Agreement, if a delay in performance is due to a Force Majeure Event, to the extent such Force Majeure Event materially affects the performance of such party. As used herein "Force Majeure Event" means acts of God; acts of public enemies; orders or restraints of any kind of the government of the United States or of the State or any of their departments, agencies, political subdivisions or officials, or any civil or military authority; strikes; labor disputes; insurrections, civil disturbances; riots; epidemics; pandemics; landslides; lightning; earthquakes; fires; hurricanes; tornadoes; storms; droughts; other weather conditions; floods; arrests; restraint of government and people; explosions; breakage, malfunction or accident to facilities or machinery; partial or entire failure of utilities; acts of terrorism or threats of terrorism; and unavailability of labor or materials due to the occurrence of any of the foregoing events.

It is the intent of the parties that, in the event of the occurrence of any Force Majeure Event, the time or times for performance shall be extended for the period of such Force Majeure Event. However, the parties seeking the benefit of the provisions of this Article VII must within fifteen (15) days after the later of the beginning of the Force Majeure Event or after reasonably recognizing that a Force Majeure Event has occurred, notify the other party in writing of the cause and, if possible at the time of notice, the expected duration of the delay caused by the Force Majeure Event.

Article VIII Further Assurances; Full Disclosure; Good Faith and Fair Dealing

The Village and the Owner agree to execute such other and further documents as may be necessary or required to consummate or more fully confirm the transactions contemplated hereby. Each respective party covenants that no representation or warranty of such representing party contained herein contains any untrue statement of any material fact as of the time such representation or warranty is made and, to the knowledge of such representing party, no such representation or warranty omits or will omit to state a material fact necessary in order to make such representing party's representations and warranties contained herein or therein not

misleading. From and after the date hereof, the Village and the Owner agree to cooperate with one another in good faith, and to deal fairly with one another, so as to effect the consummation of the transactions contemplated hereby, and to resolve unforeseen conditions arising subsequent to the execution of this Agreement.

Article IX Miscellaneous

Section 9.01 Notices. Any notice or demand required or permitted to be given by or to either of the parties hereto and every alleged breach of a warranty or representation contained in this Agreement shall be made in writing and shall be deemed to have been given or delivered, as the case may be, when delivered by: (a) hand delivery; (b) express overnight delivery service; or (c) certified or registered mail, return receipt requested, and shall be deemed to have been delivered upon: (i) receipt, if hand delivered; (ii) the next business day, if delivered by express overnight delivery service; or (iii) the third business day following the day of deposit of such notice with the United States Postal Service, if sent by certified or registered mail, return receipt requested. Each party may designate, by written notice, another person or address to whom any communication may be sent.

Section 9.02 Enforceability of Obligations. Unless otherwise terminated in accordance with the terms of this Agreement, the obligation to perform and observe the agreements contained herein on the part of the Owner, the Village or any successor or assign of either shall be binding and enforceable by the parties against one another or any successor or assign of either.

Section 9.03 Non-Waiver. Neither the waiver by either party to this Agreement of any breach of any agreement, condition or provision of this Agreement, nor the failure of either party to seek redress for violation of, or to insist upon strict performance of any agreement, condition or provision, shall be considered to be a waiver of any agreement, condition or provision that is not

specifically waived or of any subsequent breach of any agreement, condition or provision. No provision of this Agreement may be waived except by written agreement of the party to be charged.

Section 9.04 Paragraph Headings. The paragraph headings contained herein are merely for convenience and reference, and are not intended to be a part of this Agreement, or in any matter to limit or describe the scope or intent of this Agreement or the particular paragraphs to which they refer.

Section 9.05 Assignments. Neither party shall assign its rights or obligations under this Agreement without the express written consent of the other party, which consent shall not be unreasonably withheld.

Section 9.06 Relationship of the Parties. Nothing contained herein shall make, or be deemed to make, the Village and the Owner a partner of one another and this Agreement shall not be construed as creating a partnership between the parties. Nothing in this Agreement shall be deemed to create or establish a relationship of employment, agency, or representation between the Village and Owner, its officers, employees, agents, contractors or representatives; and neither party shall have the authority, whether express, implied, apparent or otherwise, to bind or obligate the other party with respect to any third parties.

Section 9.07 Singular and Plural. Wherever the context shall so require, the singular shall include the plural and the plural shall include the singular.

Section 9.08 Binding Effect on Successors and Assigns. This Agreement and all of the covenants hereof shall inure to the benefit of and be binding upon the Village and the Owner respectively and their respective partners, successors, assigns and legal representatives.

Section 9.09 Governing Law. This Agreement shall be governed by the laws of the State of Ohio. All disputes arising under this Agreement shall be litigated in the Cuyahoga County Court of Common Pleas or the Federal Court for the Northern District of Ohio and the parties consent to submit themselves to the jurisdiction and venue of that court.

Section 9.10 Severability. If any provision of this Agreement is for any reason held to be illegal or invalid, it shall not affect any other provision of this Agreement.

Section 9.11 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall constitute an original and all of which, when taken together, shall constitute one and the same instrument.

Section 9.12 Amendments. This Agreement shall not be amended, supplemented or modified except by an instrument in writing executed by the Village and the Owner.

Section 9.13 Consent not to be Unreasonably Withheld. Whenever the phrase, consent not to be unreasonably withheld or a similar phrase is used in this Agreement, it shall mean not unreasonably withheld, conditioned or delayed.

Section 9.14 Conditions of Effectiveness. This Agreement is executed by the Mayor of the Village subject to the approval of the Oakwood Village Council and shall become fully effective

on the first date upon which all of the following have occurred: a) the effective date of legislation signifying approval by Oakwood Village Council of this Agreement b) the effective date of legislation passed by Oakwood Village Council and all other necessary governmental approvals of Tax Increment Financing provided for in this Agreement and c) the effective date of legislation passed by Oakwood Village Council and all other necessary governmental approvals of Community Reinvestment Act tax credits and/or abatements provided for in this Agreement.

[BALANCE OF PAGE INTENTIONALLY BLANK; SIGNATURES FOLLOW.]

IN WITNESS WHEREOF, the Village and the Owner have caused this Agreement to be executed by their duly authorized officers as of the Effective Date.
