AN ORDINANCE DECLARING IMPROVEMENTS TO CERTAIN PARCELS WITHIN THE VILLAGE TO BE A PUBLIC PURPOSE, EXEMPTING THE IMPROVEMENTS TO SUCH PARCELS FROM REAL PROPERTY TAXATION FOR A PERIOD OF THIRTY YEARS, AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH THE BOARD OF EDUCATION OF THE BEDFORD CITY SCHOOL DISTRICT REGARDING SUCH EXEMPTION, REQUIRING THE OWNERS OF SUCH PARCELS TO MAKE SERVICE PAYMENTS IN LIEU OF TAXES, ESTABLISHING AN URBAN REDEVELOPMENT TAX INCREMENT EQUIVALENT FUND FOR THE DEPOSIT OF SUCH SERVICE PAYMENTS PURSUANT TO OHIO REVISED CODE SECTIONS 5709.41, 5709.42 AND 5709.43, AND DECLARING AN EMERGENCY.

WHEREAS, the Village of Oakwood (the "Village") has acquired title to certain parcels of real property located in the Village, more fully described as Permanent Parcel Nos. 795-50-014, 795-50-013, 795-49-010, 795-15-048, 795-50-012, 795-50-011, 795-49-005, 759-49-006 and 795-49-007 (collectively referred to as the "Property"), as shown on Exhibit "A" attached hereto and incorporated herein, for the purpose of urban redevelopment of the Property pursuant to a Development Agreement approved by the Oakwood Village Council in furtherance of the City's policy of urban redevelopment as evidenced by the Village of Oakwood Community Reinvestment Area Housing Survey performed by Chagrin Valley Engineering and dated December 2018 which was approved by the Oakwood Village Council on or about January 19, 2019 in Ordinance No. 2019-09; and

WHEREAS, Ohio Revised Code Sections 5709.41, 5709.42 and 5709.43 authorize this Council to declare all of the Improvements (as defined in Ohio Revised Code Section 5709.41)

with respect to real property which has been owned by the Village and thereafter conveyed to a private person to be a public purpose, thereby authorizing the exemption of those Improvements from real property taxation for a period of years and to provide for the making of service payments in lieu of taxes by the owner of such parcel and to establish an urban redevelopment tax increment equivalent fund into which such service payments shall be deposited; and

WHEREAS, the Village and the School District have agreed to enter into a Compensation Agreement substantially in the form attached hereto and incorporated herein as Exhibit "D" (the "Compensation Agreement");

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE VILLAGE OF OAKWOOD, STATE OF OHIO, that:

Section 1. This Council finds and determines that the Improvements described in Exhibits "B" and "C", to be constructed by the Owner or its designee, are declared to be a public purpose for purposes of Section 5709.41 of the Ohio Revised Code.

Section 2. The Mayor is hereby authorized to enter into the Compensation Agreement with the Board of Education of the School District in substantially the form attached hereto and incorporated herein as Exhibit "D", with such changes therein as are not adverse to the Village, as evidenced by the Mayor's signature thereon.

Section 3. Pursuant to and in accordance with the provisions of Section 5709.41 of the Ohio Revised Code, 100% of the Improvements are hereby declared to be a public purpose for a period of thirty (30) years and exempt from taxation for a period of thirty (30) years, commencing with the effective date of this Ordinance and continuing for a period of thirty (30) years (the "TIF Exemption").

Section 4. As provided in Section 5709.42 of the Ohio Revised Code, the owner or owners of the Property are hereby required to and shall make semi-annual Service Payments to the Cuyahoga County Treasurer (the "County Treasurer") on or before the final dates for payment of real property taxes due and payable with respect to the Improvements. In accordance with Section 5709.42 of the Ohio Revised Code, the County Treasurer is hereby requested to distribute a portion of the Service Payments directly to the School District in the amount provided for in the Compensation Agreement. The remaining Service Payments, when distributed to the Village by the County Treasurer, shall be deposited in the Interstate-McBee Urban Redevelopment Tax Increment Equivalent Fund (the "Fund") established in Section 5

The Fund shall remain in existence so long as Service Payments are collected and used for the aforesaid purposes, after which time the Fund shall be dissolved in accordance with Section 5709.43 of the Ohio Revised Code and any moneys remaining therein shall be paid to the Village.

Section 6. WHEREAS, the Village proposes to establish a tax increment financing district with respect to certain property located on or near Oak Leaf Road in the Village, as more fully described in Exhibit "A" attached hereto and incorporated herein (the "Interstate-McBee Property") including future additions to or extensions of the Interstate-McBee Property, to exempt from real property taxation the Interstate-McBee Property pursuant to Section 5709.41 of the Ohio Revised Code (the "TIF Statute") and to require the owners of parcels included in the Interstate-McBee Property (collectively, "Owners"), to make Service Payments In Lieu of Taxes ("Service Payments") and to use such Service Payments to pay a portion of the cost of certain private and public infrastructure improvements; and

WHEREAS, the Village proposes to enact Ordinance No. _____ (the "TIF Ordinance") on or after _____, 2021, and therein (a) declare to be a public purpose the improvement to the Interstate-McBee Property and authorize the execution of certain agreements between the Village and Interstate-McBee, LLC, as the Owner of the Interstate-McBee Property, providing for, among other things, the exemption of the increase in value of the Interstate-McBee Property subsequent to the passage of the TIF Ordinance (each improvement having the meaning as set forth in the TIF Act and collectively referred to herein as the "Improvements") relating to the Interstate-McBee Property consistent with the objectives stated in the TIF Ordinance and the payment of Service Payments with respect to such Improvements, and (b) authorize the execution of this Agreement; and

WHEREAS, the Village and the School District will derive substantial and significant benefits from the Improvements; and

WHEREAS, on _____, 2021, and prior to the passage of the TIF Ordinance, the Board of the School District adopted a resolution granting its approval of this Agreement and the exemption of the real property taxes on the Improvements as provided in the TIF Ordinance and waived any further requirements of the TIF Act and Sections 5709.82 and 5709.83 of the Ohio Revised Code on the condition that the Village execute and deliver this Agreement; and

WHEREAS, the TIF Ordinance provides for a 30-year, 100% exemption from real property taxes with respect to the Improvements on the Interstate-McBee Property (the "TIF Exemption") and for the payment of service payments in lieu of taxes with respect to such Improvements ("Service Payments"); and

WHEREAS, to facilitate the construction of certain public and private improvements to the Interstate-McBee Property and to compensate the School District for a portion of the real property taxes that the School District would have received had the Interstate-McBee Property been improved and not been exempted from taxation, the Village and the School District have determined to enter into this Agreement, which Agreement is in the vital and best interest of the Village and the School District and will improve the health, safety and welfare of the citizens of the Village and the School District;

NOW THEREFORE, in consideration of the promises and covenants contained in this Agreement, the parties agree as follows:

Section 1. School District Approval and Agreement. In consideration of the compensation to be provided to it under this Agreement, the School District hereby approves the TIF Exemption in the amount of up to 100% for up to 30 years, as provided for in the TIF Ordinance, and waives any payment of income tax revenues derived from new employees at the Interstate-McBee Property as provided in Section 5709.82 of the Ohio Revised Code.

Section 2. Compensation Payments to School District.

(a) The parties agree that, as consideration for the School District's agreement in Section 1,

(i) commencing with the first (1st) collection year in which Service Payments are received by the Cuyahoga County Treasurer (the "Treasurer") with respect to the Interstate-McBee Property, and ending with the tenth (10th) collection year in which Service Payments are received by the Treasurer with respect to the Interstate-McBee Property, the Village shall cause the Treasurer to pay semi-annually to the School District, but solely from Service Payments received by the Treasurer, an amount equal to forty percent (40%) of the real property taxes that would have been distributed to the School District but for the TIF Exemption.

(ii) commencing with the eleventh (11th) collection year in which Service Payments are received by the Treasurer with respect to the Interstate-McBee Property, and ending with the fifteenth (15th) collection year in which Service Payments are received by the Treasurer with respect to the Interstate-

McBee Property, the Village shall cause the Treasurer to pay semi-annually to the School District, but solely from Service Payments received by the Treasurer, an amount equal to ten percent (10%) of the real property taxes that would have been distributed to the School District but for the TIF Exemption.

(iii) Commencing with the sixteenth (16th) collection year in which Service Payments are received by the Treasurer with respect to the Interstate-McBee Property and continuing until the TIF Exemption ends, the Village shall cause the Treasurer to pay semi-annually to the School District, but solely from Service Payments received by the Treasurer, an amount equal to one hundred percent (100%) of the amounts, if any, the School District would have received but for the TIF Exemption.

(b) The payments specified in subsection (a) shall be made only to the extent that the Treasurer actually receives Service Payments in an amount equal to the real property taxes that the School District would have received, but for the TIF Exemption. Amounts received by the School District in accordance with subsection (a) of this Section 2 are collectively referred to herein as "TIF Revenue Payments." In the event that in any year the amount of Service Payments actually received by the Treasurer are not equal to the TIF Revenue Payments to be received under this Section 2, such amounts shall be carried forward and will be payable from amounts received in future years after reimbursement of the School District for the applicable percentage of taxes that the School District would have received in such future year. In the event that the valuation of the Interstate-McBee Property is challenged by an Owner or by the School District and the result of such challenge is an increase or decrease in the assessed valuation of such parcel which increase or decrease is finally determined, either through all appeals or after expiration of any appeal period, in a later collection year, the TIF Revenue Payments due to the School District in the year of such final determination and thereafter shall be increased or decreased to reflect such increased or decreased valuation.

Section 3. Additional Payments. In addition, the Village shall cause Interstate-McBee to pay to the School District Twelve thousand and 00/100 Dollars (\$12,000.00) per year commencing in the second year in which Interstate-McBee receives tax abatements as provided herein and continuing thereafter for a total of fifteen (15) years of payments.

Section 4. Timing of Payments. The Treasurer shall distribute the TIF Revenue Payments to the School District in accordance with law. The payments due under Section 2(a) shall be paid to the School District not later than January 31 of each collection year that the TIF Exemption is in effect, commencing with the calendar year in which the first Service Payments are distributed by the Treasurer. The records of the Village relating to the amount of any TIF Revenue Payment or other payment shall be made available to the School District for audit annually by the treasurer of the School District or by an independent auditor of the School District's choice and at its sole expense.

Section 5. Sharing of Information. The Village agrees to cooperate to share information with the School District as to its receipt of Service Payments upon request of the School District, subject to any restrictions imposed by law and shall provide the School District with a copy of information it sends to the State to comply with annual reporting requirements in connection with the exemption under the TIF Ordinance.

Section 6. Amendment. This Agreement may be amended or modified by the parties only in writing, signed by both parties to the Agreement.

Section 7. Entire Agreement, Waiver of Notice. This Agreement sets forth the entire agreement and understanding between the parties as to the subject matter hereof and merges and supersedes all prior discussions, agreements, and undertakings of every kind and nature between the parties with respect to the subject matter of this Agreement. The School District hereby waives any notice requirements set forth in the TIF Act or in Sections 5709.82, 5709.83 and 5715.27(D) of the Ohio Revised Code with respect to the TIF Exemption and waives any defects or irregularities relating to the TIF Exemption.

Section 8. Notices. All payments, certificates and notices which are required to or may be given pursuant to the provisions of this Agreement shall be sent by the United States ordinary mail, postage prepaid, and shall be deemed to have been given or delivered when so mailed to the address set forth in the first paragraph of this Agreement, to the attention of the Mayor or the Superintendent, as applicable. Either party may change its address for receiving notices and reports by giving written notice of such change to the other party.

Section 9. Severability of Provisions. The invalidity of any provision of this Agreement shall not affect the other provisions of this Agreement, and this Agreement shall be construed in all respects as if any invalid portions were omitted.

Section 10. Counterparts. This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument, and any party to this Agreement may execute this Agreement by signing any such counterpart.

Correspondence

Clerk: I received some email correspondence. The Ohio House District 6 sent an email about updates and upcoming meetings. I also resent an email to Council regarding the entry to Village Hall due to the construction. The new Village Code is online. I am aware some updates need to happen which can be done later this year. Hopefully, you will find it easier to navigate and pull the information you need. In the mail, we received the NOPEC Annual 2021 report. I will get those out to Council in the next packet.

Departmental Reports

Service-Haba: The salt ordinance is on tonight's agenda. We are ordering 500 tons for the upcoming winter. The previous three-four years we ordered 1,000 tons but we did not use a lot last year. This is the least we ever asked for. We have a new salt bin being built which should be done in two weeks. When we have five and six inches of snow it costs a lot of money to plow senior citizens driveways; we have up to 330+ now. We pay our

contractors \$10 a driveway but most communities don't do senior driveways any longer. It is getting expensive. **Sanders** asked how much the salt costs us. **Haba**: We don't know the price until we order what we want. The salt companies bid on it. It was down to \$29/ton years ago, but it was up to \$83/ton and last year it was around \$50/ton. We must receive 90% of it and can't get more than 110%. This is due by April 30th. **Warren**: You will receive it by the end of April? **Haba**: Yes at least 90% for last winter. **Hardin** asked him to meet with the Finance Director to increase the driveway plowing fees. **Haba**: Thank you.

Recycling Bins

Sanders asked about them. **Haba**: I talked to the gentleman at WM but he said he doesn't know where we are with that. I will have to contact him again. They are not obligated to give us any but have said they would. It has slowed to a stop though. **Sanders** asked how many residents still haven't received one. **Haba**: I would guess about 1/5 have them.

Finance-Thompson: Tonight, we have the 2021 NOPEC Grant of \$9,636. We plan to do energy efficiency projects. Service did a lighting project last time. The grants are calculated at \$4 per residential gas and \$6 for resident electric users.

Law-Climer: The McBee Interstate transfer agreement was received by my office. I haven't had a chance to read it yet. I hope to have this ready for passage at the next meeting.

Asst Police-Freeman: The State of Ohio gave local Police Depts. a free Zebra tablet for use in the department. We are setting it up for the Detective Bureau for taking statements at crime scenes, taking pictures, and reports. Sam's Club received the Johnson and Johnson Covid vaccines. We were going to send officers over to get it, but it is shut down by the CDC. Our annual taser training will be occurring. It is intense this year. Firearms certification started today. **Williams** asked how often it is done. **Freeman**: Taser is annually as is firearms, but we practice 5-6 times a year on firearms. We have four range officers some with military backgrounds and two taser instructors certified by the State.

Building-Marinucci: The solar panel project on Jean Drive is concluding. It looks good. The red mulch issue on Cambridge Drive was filed in court in December. The pretrial in March was continued and is set for this month.

Contractor List

Williams: A resident contacted me about her experience with the Building Dept. She asked about recommendations on who could do her driveway. She was told to contact me for contractors. **Marinucci**: We don't recommend contractors, but we give a list of registered contractors. **Williams**: She said she didn't get a list but was told to call her Councilperson. I don't have any expertise in that area. **Marinucci**: I will address that at our departmental meeting. **Williams** asked for the list of contractors as well. **Marinucci**: Yes.

Garage Fire & Debris

Rogers: Has Empire Tree applied. **Marinucci**: I spoke to Mrs. Robinette regarding that issue. We receive a lot of belligerent phone calls on this issue. We want it cleaned up as well. The insurance company issue is resolved and by next week a dumpster will be there. She received a financial package from the insurance company.

Empire Tree Issue

Rogers: Their garage burnt down, and the debris has been there for a while for those who do not know what we are talking about. Also have you heard from Empire Tree. You said you would call me back but haven't.

Marinucci: I called them today but they did not return my call. My last conversation included Ed Hren and the owner. A survey company had to do an asphalt survey. Ed Hren wanted additional information from a civil engineer who rendered his report. **Rogers** asked if he got a permit and if he went through the boards.

Marinucci: He can go a couple different ways. He can remove it, install a spillway. **Rogers:** He is supposed to go to the boards. **Marinucci:** For the screening, yes. He installed several trees. **Rogers:** There has to be a time limit. **Marinucci:** We will give him a time limit.

Rental Property & Monthly Reports

Rogers: I never received the list of rental properties. **Marinucci:** I told Robert to get it out. We sent the second letter out. **Rogers:** We have also asked for monthly reports on exterior maintenance being done in our Wards.

Marinucci: We are issuing a letter to a trailer owner today about the requirement of a hard surface. **Gaither** also asked for the monthly report with investors who haven't paid their rental fee, exterior maintenance which needs to be done for each Ward. **Marinucci:** We didn't have any electric today to get those reports for you.

New Resident Packets

Gaither: Also, when new owners come in, perhaps Council could get a list of those so the Councilperson in the Ward could personally give them the new resident package. I am willing to do that. **Sanders:** I would like that.

Marinucci: There are a lot of properties transferring. **Gaither:** Everyone wants to know what is happening in their own Ward. **Marinucci:** We will identify the Point of Sales. **Hardin:** Did you have a discussion regarding what we talked about? **Mayor:** Everything was down half the day and I had outside meetings. I hope to have an answer in the next few days.

Solar Panels

Hardin asked where the solar panels were installed. **Marinucci:** On Jean Drive, the second house. That requires a permit, and it requires an expensive amount of electric. **Hardin:** I asked a few months ago about doing this as a package deal getting a better price on the install of solar panels. What is the procedure?

Marinucci: The procedure is the same. It is an addition to the house. I will get that to you in writing; but it involves providing drawings, getting a permit to move forward. I will put something together for you. **Hardin:** I look forward to meeting with you about procedures. Contact me when you are available.

Bugarcic Market

Sanders: Do we have any forward movement on the market project? **Marinucci:** Mike Bugarcic paid for the property next to him. There are liens on that from the previous owner. He cannot do the engineering until the lots are consolidated through the County. **Sanders:** Is there a timeline for that project? **Mayor:** Usually 18 months.

New Resident Packets (continued)

Gaither: When a new resident moves into a Ward, does the Councilperson want to give the new resident packet? **Sanders:** I do. **Hardin:** I would like to poll all of Council now on this. I want to be notified. There must be a procedure. **Warren:** We can't poll at this point since we are reporting. Council would have to have an open meeting. **Climer:** We can do a straw poll as long as it doesn't result in official actions at this point. **Rogers:** Do they get the packet when they get an occupancy permit? **Warren:** A Councilperson would be notified of a new

resident moving into their Ward then the Councilperson would deliver the packet rather than the Building Dept. **Rogers:** What about the occupancy permit? **Warren:** They still have to do that at the Building Dept. Councilpersons would deliver the new resident packets to their new resident. At the request of Council President, a straw poll was taken (see below):

STRAW POLL-Councilmembers who wish to be notified of new residents moving into their Ward. YES; Warren, Gaither, Hardin, Sanders, Rogers, Williams.

Warren: We will work out the procedure in Work Session. After a Councilperson is notified in a certain number of days that packet is delivered. How many days should it be? **Rogers:** Where are the at-large on this. **Warren:** We are the backup. **Gaither** agreed. **Warren:** That is a good idea. **Clerk:** I keep the packets in the Council office. When the Building Dept. gets low, they are to notify me, and I take additional packets to them. It can be done.

Mayoral-Mayor: For McBee Interstate, we are looking at \$1.5 million; they bought the land. Government agencies granted half-million dollars to them to stay in Cuyahoga County, particularly Oakwood vs Miami or Houston. It could be used to rehab the land for their corporate headquarters. We will be in the chain of title to be acted upon in two weeks. We will purchase the land for \$1 then sell it back for the same.

High-Tech Companies

Mayor continued: We have a company in First Place called Sofi. They bought out IBA Molecular. They are an innovator in agents in Positron Emissions Topography (PET Scan). It is a combination of therapeutic and diagnostics called theragnostic – a new procedure. A drug identifies the main tumor and mastic tumors around it to deliver to the tumor cell membrane and bind to the tumor. They have the potential to research prostate cancer with FDA approval hopefully by early June. We are trying to bring in these high-tech companies into Oakwood. We have three cancer companies in Oakwood, computer software and artificial intelligence companies, security products, health care, and viral disinfectants and sanitizers. Look for Sofi news by June.

County Grant \$50,000

Mayor continued: The County Public Works had the first reading of our grant authorizing \$50,000 for a 6' wide all-purpose trail from Quality Inn to Broadway. This will be a nice amenity for both hotels tying in with our trails on Broadway from the Community Center to Tryon and signalization with ADA accessible curbs and ramps along with ornamental poles. Their final reading will be before the end of April. The Hampton Inn reduced their room rates by 20% and had 70 rooms full over the weekend. The Hilton chain lost \$22 million which the County funded. That isn't happening in Oakwood although the Hampton is a part of the Hilton chain. Dunkin Donuts now has an Avocado Toast which is very popular.

Shiel Landscaping

Mayor: A new company on Free Avenue replaces the computer recycling company. One building is 24,000 sq ft and another is 10,000 sq ft. It is called Shiel Landscaping and Grounds Management. They are a top landscaping company for 20 years serving commercial properties in northern Ohio from Cleveland to Akron, Canton, Sandusky and Lake Erie Shore communities. They are committed to environmentally responsive solutions. I expect a nicely landscaped entrance off Free Avenue. The payroll will be four times what it was with the recycling computer company within four years.

Production Studios Update

Sanders: Do you have updates on Dakar Studios. **Mayor:** I hesitate at this time to say, but I met with the architect of John Lucas Studios recently.

McBee Update

Climer: I need to correct myself on the McBee properties, we will need the contract approved by next meeting, sending it to the Planning Commission then, get the transfers made before we can pass 2021-06. We should be able to move it quickly. **Rogers:** The new flooring in the lobby looks great. Did the Service Dept. do that?

Haba: No, that was installed as part of the grant. **Warren** asked about the McBee transfer for the TIF processing time. **Climer:** It is sent by Council to Planning Commission, then Planning makes a recommendation to Council, then Council can pass the contract to purchase the property by suspension but not by emergency. We can pass the TIF once the property is in the name of the Village passing the transfer. We can do both the purchase and the transfer back in one legislation. **Warren:** Ok.

Open Floor Comments

SeMia Bray 6100 Richmond Road: I have been an Oakwood Village resident four years. I love being a resident here. **Warren:** Thank you for your participation. **Clerk:** Make sure to add your name and email to our email list to get automatic meeting information.

Subject: Working Together
Importance: High

Dear District 6 Council Presidents, Vice Mayors and Trustees:

Hopefully you and your families are safe and healthy. Thank you for taking on a leadership role amongst your colleagues and serving your city, village or township.

It is an honor to continue representing District 6 in the Ohio House of Representatives. It is a privilege to continue my work advocating for working people and families to renew Ohio's promise of better lives and brighter futures for all. Also, I am excited to continue working with you to achieve these outcomes together.

My office has spent the first 90 days moving to a new office, drafting new legislation to introduce and handling COVID-19 related issues, including helping constituents with their unemployment claims. Also, I ramped up my new role as Caucus Chair for my party's caucus in the Ohio House.

Quarterly Meetings

Prior to the COVID-19 outbreak, I enjoyed meeting frequently with the 17 mayors throughout District 6. These meetings were productive and very insightful. Moving forward, I am excited to expand our connections within the district, including meeting quarterly with city council leaders. You play a critical role in our local governments and your voice, ideas and feedback are important to me.

Below are several meeting options for the next few quarters. At your convenience, please **complete each Doodle poll by Tuesday, April 6 at 3 pm.**

- April 2021 meeting options [here](#).
- July 2021 meeting options [here](#).
- September 2021 meeting options [here](#).
- December 2021 meeting options [here](#).

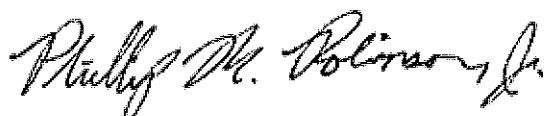

Given that many of your council meetings take place in the evening, we opted for lunchtime meeting options.

In the coming days, my legislative aide, Dakota Bidgood, will follow up with your offices to ensure we receive your input confirm our future scheduled meetings.

Thank you again for your service. I look forward to continue our work together to move Ohio forward.

Onward together.

Yours in Service,
Phil
