## A Year in Review

What a great year we have had! We've had some wonderful opportunities to come together and serve together. Thank you to all who came out to help with the Ward 3 Clean up day, and the Ice Cream Social to enjoy some neighborly fellowship and fun. Community shred day was a great success as well. A big thank you to *Jackie Zevenbergen from Cuyahoga Soil and Water*, and all who aided in the new plantings for the Rain Garden at the Community Park; helping to make our Ward more beautiful and sustainable. I look forward to many more opportunities to serve our community in the future.

Let's keep making Ward 3 a great place to live!
