The first interest payment on the Bonds is estimated to be February 1, 2025, and the first principal payment of the Bonds is estimated to be August 1, 2026.

Section 3. Authorized Principal Amount of Notes; Dating; Interest Rate. It is necessary to issue and this Council determines that notes in the aggregate principal amount of \$1,655,000 (the Notes) shall be issued in anticipation of the issuance of the Bonds and to retire, together with other funds available to the Village, the Outstanding Notes. The Notes shall be dated the date of issuance and shall mature one year from the date of issuance; provided that the Director of Finance may, if it is determined to be necessary or advisable to the sale of the Notes, establish a maturity date that is any date not later than one year from the date of issuance by setting forth that maturity date in the certificate awarding the Notes and signed in accordance with Section 6 (the Certificate of Award). The Notes shall bear interest at a rate not to exceed 6% per year (computed on the basis of a 360-day year consisting of 12 30-day months), payable at maturity or at any date of earlier prepayment as provided for in Section 4 and until the principal amount is paid or payment is provided for, subject to the paragraph immediately following. The rate of interest on the Notes shall be determined by the Director of Finance in the Certificate of Award.

If requested by the Original Purchaser (as defined in Section 6) and if the Director of Finance has determined it to be in the best interests of and financially advantageous to the Village to participate in the Treasurer of State's Ohio Market Access Program (as described in Section 6(c)), the Notes may provide that, in the event that the Village does not pay or make provision for payment at maturity of the debt charges on the Notes, the principal amount of the Notes shall bear interest at a different rate not to exceed the After Maturity Rate (as defined in the Standby Note Purchase Agreement defined and provided for in Section 6(c)) from the maturity date until the Village pays or makes provision to pay that principal amount.

Section 4. Payment of Debt Charges; Paying Agent; Prepayment. The debt charges on the Notes shall be payable in lawful money of the United States of America or in Federal Reserve funds of the United States of America, as determined by the Director of Finance in the Certificate of Award, and shall be payable, without deduction for services of the Village's paying agent, at the designated corporate trust office of U.S. Bank Trust Company, National Association, or at the designated corporate trust office or other office of a bank or trust company designated by the Director of Finance, after determining that the payment at that bank or trust company will not endanger the funds or securities of the Village and that proper procedures and safeguards are available for that purpose, or at the office of the Director of Finance if agreed to by the Director of Finance and the Original Purchaser (as defined in Section 6) (the Paying Agent). If agreed to by the Original Purchaser, the Notes shall be prepayable without penalty or premium at the option of the Village on or after a date to be determined by the Director of Finance in the Certificate of Award as provided in this Ordinance. Prepayment prior to maturity shall be made by deposit with the Paying Agent of the principal amount of the Notes together with interest accrued thereon to the Prepayment Date. The Village's right of prepayment shall be exercised by mailing a notice of prepayment, stating the Prepayment Date and the name and address of the Paying Agent, by certified or registered mail to the Original Purchaser and to the Paying Agent not less than seven days prior to the Prepayment Date. If money for prepayment is on deposit with the Paying Agent on the Prepayment Date following the giving of that notice, interest on the principal amount prepaid shall cease to accrue on the Prepayment Date, and upon the request of the Director of Finance, the Original Purchaser to use its best efforts to arrange for the delivery of the Notes at the designated office of the Paying Agent for prepayment, surrender and cancellation.

Section 5. Execution of Notes; Book Entry System. The Notes shall be signed by the Mayor and the Director of Finance, in the name of the Village and in their official capacities, provided that one of those signatures may be a facsimile. The Notes shall be issued in the denominations and numbers as requested by the Original Purchaser and approved by the Director of Finance, provided that no Note shall be issued in a denomination less than \$100,000. The entire principal amount may be represented by a single note and may be issued as fully registered securities (for which the Director of Finance will serve as note registrar) and in book entry or other uncertificated form in accordance with Section 9.96 and Chapter 133 of the Revised Code if it is determined by the Director of Finance that issuance of fully registered securities in that form will facilitate the sale and delivery of the Notes. The Notes shall not have coupons attached, shall be numbered as determined by the Director of Finance and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to this Ordinance. As used in this Section and this Ordinance:

“Book entry form” or “book entry system” means a form or system under which (i) the ownership of beneficial interests in the Notes and the principal of, and interest on, the Notes may be transferred only through a book entry, and (ii) a single physical Note certificate is issued by the Village and payable only to a Depository or its nominee, with such Notes deposited and maintained in the custody of the Depository or its agent for that purpose. The book entry maintained by others than the Village is the record that identifies the owners of beneficial interests in the Notes and that principal and interest.

“Depository” means any securities depository that is a clearing agency under federal law operating and maintaining, with its Participants or otherwise, a book entry system to record ownership of beneficial interests in the Notes or the principal of, and interest on, the Notes and to effect transfers of the Notes, in book entry form, and includes and means initially The Depository Trust Company (a limited purpose trust company), New York, New York.

“Participant” means any participant contracting with a Depository under a book entry system and includes security brokers and dealers, banks and trust companies, and clearing corporations.

The Notes may be issued to a Depository for use in a book entry system and, if and as long as a book entry system is utilized, (i) the Notes may be issued in the form of a single Note made payable to the Depository or its nominee and deposited and maintained in the custody of the Depository or its agent for that purpose; (ii) the beneficial owners in book entry form shall have no right to receive the Notes in the form of physical securities or certificates; (iii) ownership of beneficial interests in book entry form shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of beneficial interests shall be made only by book entry by the Depository and its Participants; and (iv) the Notes as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the Village.

If any Depository determines not to continue to act as a Depository for the Notes for use in a book entry system, the Director of Finance may attempt to establish a securities depository/book entry relationship with another qualified Depository. If the Director of Finance does not or is unable to do so, the Director of Finance, after making provision for notification of the beneficial owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Notes

from the Depository, and shall cause the Notes in bearer or payable to order form to be signed by the officers authorized to sign the Notes and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of Village action or inaction, of those persons requesting such issuance.

The Director of Finance is also hereby authorized and directed, to the extent necessary or required, to enter into any agreements determined necessary in connection with the book entry system for the Notes, after determining that the signing thereof will not endanger the funds or securities of the Village.

Section 6. Award and Sale of the Notes.

(a) To the Original Purchaser. The Notes shall be sold at not less than par plus accrued interest to the original purchaser designated by the Director of Finance in the Certificate of Award (the Original Purchaser) in accordance with law and the provisions of this Ordinance. The Director of Finance shall sign the Certificate of Award evidencing that sale to the Original Purchaser, cause the Notes to be prepared, and have the Notes signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Notes if requested by the Original Purchaser, to the Original Purchaser upon payment of the purchase price. The Mayor, the Director of Finance, the Director of Law, the Clerk of Council and other Village officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements, paying agent agreement, note purchase agreement, placement agent agreement, term sheet and other commitments, documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance. The Director of Finance is authorized, if it is determined to be in the best interest of the Village, to combine the issue of Notes with one or more other note issues of the Village into a consolidated note issue pursuant to Section 133.30(B) of the Revised Code.

(b) Application for Rating; Financing Costs. The Director of Finance is authorized to request a rating for the Notes from one or more nationally-recognized rating agencies in connection with the sale and issuance of the Notes. The expenditure of the amounts necessary to secure those rating(s) and to pay the other financing costs (as defined in Section 133.01 of the Revised Code) in connection with the Notes is authorized and approved, and the Director of Finance is authorized to provide for the payment of any such amounts and costs from the proceeds of the Notes to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

(c) Ohio Market Access Program. If the Director of Finance determines in the Certificate of Award for it to be in the best interest of and financially advantageous to the Village, the Village shall participate in the Treasurer of State's Ohio Market Access Program.

The Standby Note Purchase Agreement (Standby Note Purchase Agreement) and Paying Agent Agreement (Paying Agent Agreement) are hereby authorized in the forms presented to this Council with such changes not materially adverse to the Village as may be approved by the officers of the Village executing the Standby Note Purchase Agreement and Paying Agent Agreement. The Village acknowledges the agreement of the Treasurer of State in the Standby Note Purchase Agreement that, in the event the Village is unable to repay the principal amount and accrued and

unpaid interest of the Notes at their maturity, whether through its own funds or through the issuance of other obligations of the Village, the Treasurer of State agrees (A) to purchase the Notes from the holders or beneficial owners thereof upon their presentation to the Treasurer of State for such purchase at a price of par plus accrued interest to maturity or (B) to purchase renewal notes of the Village in a principal amount not greater than the principal amount of the Notes plus interest due at maturity, with such renewal notes bearing interest at the Renewal Note Rate (as defined in the Standby Note Purchase Agreement), maturing not more than one year after the date of their issuance, and being prepayable at any time with 30 days' notice, provided that in connection with the Treasurer of State's purchase of such renewal notes the Village shall deliver to the Treasurer of State an unqualified opinion of nationally recognized bond counsel that (i) such renewal notes are the legal, valid and binding general obligations of the Village, and the principal of and interest on such renewal notes, unless paid from other sources, are to be paid from the proceeds of the levy of ad valorem taxes, within the ten-mill limitation imposed by law, on all property subject to ad valorem taxes levied by the Village and (ii) interest on the renewal notes is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code, as amended, to the same extent that interest on the Notes is so excluded.

The officers signing the Notes are authorized to take all actions that may in their judgment reasonably be necessary to provide for the Standby Note Purchase Agreement, including but not limited to the inclusion of a notation on the form of the Notes providing notice to the holders or beneficial owners of the existence of the Standby Note Purchase Agreement and providing instructions to such holders or beneficial owners regarding the presentation of the Note for purchase by the Treasurer of State at stated maturity.

Section 7. Application of Note Proceeds. The proceeds from the sale of the Notes, except any premium and accrued interest, shall be paid into the proper fund or funds and those proceeds are appropriated and shall be used for the purpose for which the Notes are being issued. Any portion of those proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.

Section 8. Application and Pledge of Bond or Renewal Note Proceeds or Excess Funds. The par value to be received from the sale of the Bonds or of any renewal notes and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used to pay the debt charges on the Notes at maturity and are pledged for that purpose.

Section 9. Provisions for Tax Levy. During the year or years in which the Notes are outstanding, there shall be levied on all the taxable property in the Village, in addition to all other taxes, the same tax that would have been levied if the Bonds had been issued without the prior issuance of the Notes. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Notes or the Bonds when and as the same fall due. In each year to the extent other funds are available for the payment of debt charges on the Notes and Bonds and are appropriated for

that purpose, the amount of the tax shall be reduced by the amount of other funds so available and appropriated.

Section 10. Federal Tax Considerations. The Village covenants that it will use, and will restrict the use and investment of, the proceeds of the Notes in such manner and to such extent as may be necessary so that (a) the Notes will not (i) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Internal Revenue Code of 1986, as amended (the Code), or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (b) the interest on the Notes will not be an item of tax preference under Section 57 of the Code.

The Village further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Notes to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Notes to the governmental purposes of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of those proceeds and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Director of Finance, as the fiscal officer, or any other officer of the Village having responsibility for issuance of the Notes is hereby authorized (a) to make or effect any election, selection, designation (including specifically designation or treatment of the Notes as "qualified tax-exempt obligations" if such designation or treatment is applicable and desirable, and to make any related necessary representations and covenants), choice, consent, approval, or waiver on behalf of the Village with respect to the Notes as the Village is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Notes or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments of penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the Village, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Notes, and (c) to give one or more appropriate certificates of the Village, for inclusion in the transcript of proceedings for the Notes, setting forth the reasonable expectations of the Village regarding the amount and use of all the proceeds of the Notes, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Notes.

Each covenant made in this Section with respect to the Notes is also made with respect to all issues any portion of the debt service on which is paid from proceeds of the Notes (and, if different, the original issue and any refunding issues in a series of refundings), to the extent such compliance is necessary to assure exclusion of interest on the Notes from gross income for federal income tax

purposes, and the officers identified above are authorized to take actions with respect to those issues as they are authorized in this Section to take with respect to the Notes.

Section 11. Certification and Delivery of Ordinance. The Clerk of Council is directed to deliver or cause to be delivered a certified copy of this Ordinance to the Cuyahoga County Fiscal Officer.

Section 12. Satisfaction of Conditions for Note Issuance. This Council determines that all acts and conditions necessary to be done or performed by the Village or to have been met precedent to and in the issuing of the Notes in order to make them legal, valid and binding general obligations of the Village have been performed and have been met, or will at the time of delivery of the Notes have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 9) of the Village are pledged for the timely payment of the debt charges on the Notes; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Notes.

Section 13. Retention of Bond Counsel. The legal services of Squire Patton Boggs (US) LLP, as bond counsel, be and are hereby retained. The legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the issuance and sale of the Notes and the rendering of the necessary legal opinion upon the delivery of the Notes. In rendering those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of the Village in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the Village or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those legal services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those legal services. The Director of Finance is authorized to provide for the payment of those fees and any reimbursements from the proceeds of the Notes to the extent available and otherwise is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

Section 14. Retention of Municipal Advisor. The services of MAS Financial Advisory Services LLC, as municipal advisor, be and are hereby retained. The municipal advisory services shall be in the nature of financial advice and recommendations in connection with the issuance and sale of the Notes. In rendering those municipal advisory services, as an independent contractor, that firm shall not exercise any administrative discretion on behalf of the Village in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the Village or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those municipal advisory services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those municipal advisory services. The Director of Finance is authorized to provide for the payment of those fees and any reimbursements from the proceeds of the Notes to the extent available and otherwise is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

Section 15. Compliance with Open Meeting Requirements. This Council finds and determines that all formal actions of this Council and any of its committees concerning and relating to the passage of this Ordinance were taken in an open meeting of this Council or of any of its committees, and that all deliberations of this Council and of any committees that resulted in those formal actions were in meetings open to the public, all in compliance with the law.

Section 16. Captions and Headings. The captions and headings in this Ordinance are solely for convenience of reference and in no way define, limit or describe the scope or intent of any Sections, subsections, paragraphs, subparagraphs or clauses hereof. Reference to a Section means a section of this Ordinance unless otherwise indicated.

Section 17. Declaration of Emergency; Effective Date. This Ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health and safety of the Village, and for the further reason that this Ordinance is required to be immediately effective so that the Notes can be sold and issued at an early date to make their proceeds available to enable the Village to retire the Outstanding Notes and therefor preserve its credit; wherefore, this Ordinance shall be in full force and effect immediately upon its passage and approval by the Mayor.

(b) When delivered to and paid for by the Treasurer on the Renewal Date in accordance with the provisions hereof, the Renewal Notes will have been duly authorized, executed, issued and delivered and will constitute legal, valid and binding obligations of the Issuer payable from the same sources as the Notes issued under the Note Legislation;

(c) The execution and delivery of the Renewal Notes, and compliance with the provisions thereof, under the circumstances contemplated hereby and thereby, will not (i) violate the Constitution or laws of the State of Ohio, or any existing law, rule, regulation, order, writ, judgment, injunction, decree, or determination of any court, regulatory agency or other governmental unit by which the Issuer is bound, or (ii) conflict with, result in a breach of, or constitute a default under any existing resolution, indenture of trust or mortgage, loan or credit agreement, or any other existing agreement or instrument to which the Issuer is a party or by which the Issuer may be bound;

(d) No action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, pending or threatened against the Issuer, which in any way questions the powers of the Issuer referred to in paragraph (a) above, or the validity of any proceedings taken by the Issuer in connection with the issuance of the Notes, or wherein an unfavorable decision, ruling or finding would materially adversely affect the transactions contemplated by, or the validity or enforceability of, this Agreement, the Notes, the Renewal Notes or the documents signed or to be signed by the Issuer in connection with the issuance of the Notes or the Renewal Notes;

(e) The Issuer has (i) duly authorized and approved the execution and delivery of, and the performance by the Issuer of the obligations contained in, the Notes, and (ii) prior to their issuance, the Issuer shall have duly authorized and approved the execution and delivery of, and the performance by the Issuer of the obligations contained in, the Renewal Notes; and

(f) All approvals, consents and orders of any governmental authority, board, agency or commission having jurisdiction which would constitute a condition precedent to the performance by the Issuer of its obligations hereunder and under the Notes have been obtained.

SECTION 3.03 Delivery of the Renewal Note. No later than 9:00 o'clock a.m. Ohio time on the Renewal Date, or such earlier time as the Issuer and the Treasurer shall mutually agree upon, (a) the Issuer will deliver or cause to be delivered to the Paying Agent for registration at such place as the Issuer and the Paying Agent may mutually agree upon, the Renewal Notes in definitive form, duly executed by the Issuer; and (b) the Treasurer will wire or cause to be delivered to an account designated by the Issuer, the purchase price of the Renewal Notes, in immediately available funds, or such other funds or method of payment as may be mutually agreed upon by the Issuer, the Treasurer and the Paying Agent; provided that such purchase price shall be no more than the Gross Purchase Price of the Notes unless the Treasurer shall agree in writing otherwise.

SECTION 3.04 Conditions to Closing. The Treasurer has entered into this Agreement in reliance upon the Issuer's representations and agreements herein and the performance by the Issuer of its obligations hereunder, both as of the date hereof and as of the Renewal Date. The Treasurer's obligations under Section 2.01 and Article III of this Agreement are and shall be subject to the following further conditions (any or all of which may be waived by the Treasurer in its discretion):

(a) At the Renewal Date, the Issuer shall have duly passed and there shall be in full force and effect such legislation as, in the opinion of a nationally recognized bond counsel, shall be necessary in connection with the transactions contemplated hereby;

(b) The Treasurer shall have the right to cancel its obligation under Section 2.01(b) and Article III herein to purchase the Renewal Notes if any of the documents, certificates or opinions to be delivered to the Treasurer hereunder is not delivered on the Renewal Date, or if, between the date hereof and the Renewal Date, legislation shall have been enacted by the Congress of the United States to become effective on or prior to the Renewal Date, or a decision of a court of the United States shall be rendered, or a stop order, ruling, regulation or proposed regulation by or on behalf of the Securities and Exchange Commission or other agency having jurisdiction over the subject matter shall be issued or made, to the effect that the issuance, sale and delivery of the Renewal Notes, or any other obligations of any similar public body of the general character of the Issuer, is in violation of the Securities Act of 1933, as amended, or with the purpose or effect of otherwise prohibiting the issuance, sale or delivery of the Renewal Notes as contemplated hereby or of obligations of the general character of the Renewal Notes; and

(c) On the Renewal Date, the Treasurer shall receive the following documents:

(1) One executed or certified copy of the Renewal Note Legislation;

(2) A certificate, dated as of the Renewal Date, duly executed by the fiscal officer of the Governing Body to the effect that there are no pending, or to their knowledge, threatened legal proceedings which will materially adversely affect the transactions contemplated hereby or the validity or enforceability of the Renewal Notes;

(3) One original transcript of all proceedings relating to the authorization and issuance of the Renewal Notes;

(4) An opinion of nationally recognized bond counsel dated the Renewal Date stating that the Renewal Notes have been validly issued, interest is excluded from gross income for federal income tax purposes, and the Renewal Notes are exempted from registration under the 1933 Act, each to the same extent that interest on the Notes is so excluded; and

(5) Such additional legal opinions, certificates, proceedings, instruments, and other documents, as the Treasurer or its counsel may reasonably request to evidence compliance by the Issuer with legal requirements relating to the issuance of the Renewal Notes, the truth and accuracy, as of the Renewal Date, of all representations herein contained and the due performance or satisfaction by the Issuer at or prior to such date of all agreements then to be performed and all conditions then to be satisfied as contemplated hereunder.

If the Issuer shall be unable to satisfy the conditions to the Treasurer's obligations contained in this Article III, the Treasurer's obligations under Section 2.01 shall be terminated and the Treasurer's obligations under Section 2.02 shall be effected.
