

Dear Residents,

I'm happy to announce that the Oakwood Village Fire Department has started a new smoke alarm program! Through this partnership with the American Red Cross, we have smoke alarms available to **any** resident in Oakwood Village, free of charge. This program is available to any resident regardless of age or financial need. Through this program, we will install 1 smoke alarm in each bedroom as well as 1 smoke alarm on each level of the home. These smoke alarms have a 10-year battery life, and a maintenance free model. Along with the smoke alarm installation, we will also conduct a home fire safety survey

I can be reached via email or phone, and I will find a time that works for you to come out and install.

Thank you,

Brian DiRocco

Assistant Fire Chief

Oakwood Village Fire Department
